John Connolly

The Lovers John Connolly, 2009-06-02 New York Times bestselling author John Connolly writes an “unfailingly compelling” (New Orleans Times-Picayune) and lyrical tale that forces Private Investigator Charlie Parker to examine his haunting past and all that he has ever believed true about his beloved parents—and himself. Charlie Parker is a lost soul. Deprived of his private investigator's license and under scrutiny by the police, Parker takes a job in a Portland bar. But he uses his enforced retirement to begin a different kind of investigation: an examination of his own past and an inquiry into the death of his father, who took his own life after apparently shooting dead two unarmed teenagers. It's a search that will eventually lead Parker to question all that he believed about his beloved parents, and about himself. But there are other forces at work: a troubled young woman who is running from an unseen threat, one that has already taken the life of her boyfriend; and a journalist-turned-writer named Mickey Wallace, who is conducting an investigation of his own. And haunting the shadows, as they have done throughout Parker's life, are two figures: a man and a woman who seem driven to bring an end to Charlie Parker's existence. Haunting, lyrical, and impossible to put down, *The Lovers* is John Connolly at his best.

Every Dead Thing John Connolly, 2015-06-16 PI Charlie Parker, a former New York policeman, searches for the killer of his wife and daughter. Two women help him, a pretty criminal psychologist and an old Creole woman with psychic vision.

The Lovers John Connolly, 2010 A chilling thriller featuring Detective Charlie Parker from bestselling author John Connolly. Not to be missed for fans of Stephen King and Michael Connelly. When Charlie Parker was still a boy, his father, a NYPD cop, killed a young couple, a boy and a girl barely older than his son, then took his own life. There was no explanation for his actions. Stripped of his private investigator's license, and watched by the police, Parker is working in a Portland bar, holding down a job and staying out of trouble. But in the background, he is working on his most personal case yet, an investigation into his own origins and the circumstances surrounding the death of his father, Will. It is an investigation that will reveal a life haunted by lies, by his mother's loss and his father's betrayal, by secrets kept and loyalties compromised. And by two figures in the shadows, a man and a woman, with only one purpose: to bring an end to Charlie Parker's existence . . .

The Black Angel John Connolly, 2005-06-01 To those who have been forsaken, hell has no geography. *The Black Angel* begins with the disappearance of a young prostitute from one of New York City's seamiest neighborhoods. Like so many

tormented souls before her, the girl's mother is inevitably drawn to Charlie Parker's doorstep desperate for redemption and revenge. Despite the danger that his chosen profession imposes on his wife and newborn daughter, Parker knows that the woman and her troubles cannot be ignored. As always, he is driven as much by the evil that simmers in the hidden honeycomb world as he is by the ties of friendship and blood. As Parker gets closer to the girl's captors, he discovers that her disappearance is linked to a church of bones in Eastern Europe, to the slaughter at a French monastery in 1944, and to the myth of an object known as the Black Angel -- an object considered by evil men to be beyond priceless. But the Black Angel is not a legend. It is real. It lives. It dreams. And the mystery of its existence may contain the secret of Parker's own origins.

The White Road John Connolly, 2003 In South Carolina, a young black man faces the death penalty for the rape and murder of Marianne Larousse, daughter of one of the wealthiest men in the state. It's a case that nobody wants to touch, a case with its roots in old evil, and old evil is private detective Charlie Parker's speciality. But Parker is about to make a descent into the abyss, a confrontation with dark forces that threaten all that Parker holds dear: his lover, his unborn child, even his soul. . . For in a prison cell, a fanatical preacher is about to take his revenge on Charlie Parker, its instruments the very men that Parker is hunting, and a strange, hunched creature that keeps its own secrets buried by a riverbank: the undiscovered killer Cyrus Nairn. Soon, all of these figures will face a final reckoning in southern swamps and northern forests, in distant locations linked by a single thread, a place where the paths of the living and the dead converge. A place known only as the White Road.

The instrument of his revenge is Bliss, the killer of killers, the most feared of assassins, and a man with a personal vendetta against Louis. But when Louis and Angel decide to strike back, they disappear, and their friends are forced to band together to find them. They are led by Parker, a killer himself, a reaper in waiting...
