

# Map Of Salt And Stars

**Charles Alexander McMurry**

**The Map of Salt and Stars** Zeyn Joukhadar, 2018-05-01 This powerful and lyrical debut novel is to Syria what *The Kite Runner* was to Afghanistan; the story of two girls living eight hundred years apart—a modern-day Syrian refugee seeking safety and an adventurous mapmaker's apprentice—"perfectly aligns with the cultural moment" (*The Providence Journal*) and "shows how interconnected two supposedly opposing worlds can be" (*The New York Times Book Review*). This "beguiling" (*Seattle Times*) and stunning novel begins in the summer of 2011. Nour has just lost her father to cancer, and her mother moves Nour and her sisters from New York City back to Syria to be closer to their family. In order to keep her father's spirit alive as she adjusts to her new home, Nour tells herself their favorite story—the tale of Rawiya, a twelfth-century girl who disguised herself as a boy in order to apprentice herself to a famous mapmaker. But the Syria Nour's parents knew is changing, and it isn't long before the war reaches their quiet Homs neighborhood. When a shell destroys Nour's house and almost takes her life, she and her family are forced to choose: stay and risk more violence or flee across seven countries of the Middle East and North Africa in search of safety—along the very route Rawiya and her mapmaker took eight hundred years before in their quest to chart the world. As Nour's family decides to take the risk, their journey becomes more and more dangerous, until they face a choice that could mean the family will be separated forever. Following alternating timelines and a pair of unforgettable heroines coming of age in perilous times, *The Map of Salt and Stars* is the "magical and heart-wrenching" (*Christian Science Monitor*) story of one girl telling herself the legend of another and learning that, if you listen to your own voice, some things can never be lost.

*The Map of Salt and Stars* [by] Jennifer Zeynab Joukhadar [Review] Stephen Theaker, 2018

**The Map of Salt and Stars** Zeyn Joukhadar, 2019-03-12 This powerful and lyrical debut novel is to Syria what *The Kite Runner* was to Afghanistan; the story of two girls living eight hundred years apart—a modern-day Syrian refugee seeking safety and an adventurous mapmaker's apprentice—"perfectly aligns with the cultural moment" (*The Providence Journal*) and "shows how interconnected two supposedly opposing worlds can be" (*The New York Times Book Review*). This "beguiling" (*Seattle Times*) and stunning novel begins in the summer of 2011. Nour has just lost her father to cancer, and her mother moves Nour and her sisters from New York City back to Syria to be closer to their family. In order to keep her father's spirit alive as she adjusts to her new home, Nour tells herself their favorite story—the tale of Rawiya, a twelfth-century girl who

disguised herself as a boy in order to apprentice herself to a famous mapmaker. But the Syria Nour's parents knew is changing, and it isn't long before the war reaches their quiet Homs neighborhood. When a shell destroys Nour's house and almost takes her life, she and her family are forced to choose: stay and risk more violence or flee across seven countries of the Middle East and North Africa in search of safety—along the very route Rawiya and her mapmaker took eight hundred years before in their quest to chart the world. As Nour's family decides to take the risk, their journey becomes more and more dangerous, until they face a choice that could mean the family will be separated forever. Following alternating timelines and a pair of unforgettable heroines coming of age in perilous times, *The Map of Salt and Stars* is the “magical and heart-wrenching” (Christian Science Monitor) story of one girl telling herself the legend of another and learning that, if you listen to your own voice, some things can never be lost.

**The Map Of Salt And Stars** Jennifer Zeynab Joukhadar, This lyrical debut novel is the story of two girls living eight hundred years apart - a modern-day Syrian refugee seeking safety and a medieval adventurer apprenticed to a legendary mapmaker - places today's headlines in the sweep of history, where the pain of exile and the triumph of courage echo again and again. It is the summer of 2011, and Nour has just lost her father to cancer. Her mother, a cartographer who creates unusual, hand-painted maps, decides to move Nour and her sisters from New York City back to Syria to be closer to their family. But the country Nour's mother once knew is changing, and it isn't long before protests and shelling threaten their quiet Homs neighborhood. When a shell destroys Nour's house and almost takes her life, she and her family are forced to choose: stay and risk more violence or flee as refugees across seven countries of the Middle East and North Africa in search of safety. As their journey becomes more and more challenging, Nour's idea of home becomes a dream she struggles to remember and a hope she cannot live without.

*Un mapa de sal y estrellas / The Map of Salt and Stars* Jennifer Zynab Maccani, 2019-03-19 Un viaje, ochocientos años de diferencia, dos protagonistas: Nour, una refugiada siria que busca seguridad, y Rawiya, una aventurera medieval, aprendiz de un cartógrafo legendario. Es el verano de 2011, y Nour acaba de perder a su padre por cáncer. Su madre, una cartógrafa que crea mapas inusuales pintados a mano, decide trasladar a Nour y sus hermanas de Nueva York a Siria para estar más cerca de su familia. Pero el país está cambiando, y no pasa mucho tiempo antes de que las protestas y los bombardeos amenacen su tranquilo vecindario. Cuando una bomba destruye la casa de Nour y casi le quita la vida, ella y su familia se ven obligados a elegir: quedarse y arriesgarse a más violencia o huir como refugiados a través de siete países del Medio Oriente y el Norte de África en busca de seguridad. A medida que su viaje se vuelve cada vez más difícil, el hogar de Nour se convierte en un sueño que ella lucha por recordar. Más de ochocientos años antes, Rawiya, de dieciséis años e hija de una viuda, sabe que debe hacer algo para ayudar a su empobrecida madre. Inquieta y con ganas de ver el mundo, se va de casa a buscar fortuna. Disfrazándose de un chico llamado Rami, se convierte en aprendiz de Al-Idrisi, el cartógrafo comisionado por el rey

Roger II de Sicilia para crear un mapa del mundo. Con él, Rawiya se embarca en un viaje épico a través del Medio Oriente y el norte de África, donde se encuentra con feroces bestias míticas, batallas épicas y figuras históricas reales. Un mapa de sal y estrellas resitúa los titulares de hoy en la historia, donde el dolor del exilio y el triunfo del coraje reviven una y otra vez. ENGLISH DESCRIPTION This powerful and lyrical debut novel is to Syria what *The Kite Runner* was to Afghanistan; the story of two girls living eight hundred years apart—a modern-day Syrian refugee seeking safety and an adventurous mapmaker’s apprentice—“perfectly aligns with the cultural moment” (*The Providence Journal*) and “shows how interconnected two supposedly opposing worlds can be” (*The New York Times Book Review*). **The Christian Leader** ,1923

[The Thirty Names of Night](#) Zeyn Joukhadar,2021-07-13 From the author of the acclaimed and award-winning debut *The Map of Salt and Stars*, a remarkably moving and lyrical novel following three generations of Syrian Americans who are linked by the truths they carry close to their hearts. Five years after a suspicious fire killed his mother, a closeted Syrian American trans boy sheds his birth name and searches for a new one. He has been unable to paint since his mother's ghost has begun to visit him each evening. The only time he feels truly free is when he slips out at night to paint murals on buildings in the once-thriving Manhattan neighborhood known as Little Syria. One night, he finds the tattered journal of a Syrian American artist named Laila Z. She famously and mysteriously disappeared more than sixty years before, but her journal contains proof that Laila Z's past is intimately tied to his mother's-and his grandmother's--in ways he never could have expected. Even more surprising, Laila Z's story reveals the histories of queer and transgender people within his community that he never knew.

Following his mother's ghost, he uncovers the silences kept in the name of survival by his own community, his own family, and within himself, and discovers the family that was there all along. *The Thirty Names of Night* is an imaginative and intimate exploration of how we all search for and ultimately embrace who we are--.
