Joseph Smith and the Book of Enoch Mark Lines, 2023-07-07 The sources of Joseph Smith's literary works remain the most enigmatic aspect of Mormon history. Smith's translation projects, the Book of Mormon, Book of Moses, the Inspired Bible and Book of Abraham, include prophecies, visions and allusions to the ancient biblical prophet Enoch. Before Joseph Smith began writing his visions of Enoch, Oxford professor Richard Laurence revived interest in the prophet through his 1821 English translation of the ancient text, the Book of Enoch, known as 1 Enoch. For decades, some historians have denied that Joseph Smith ever had access to the Book of Enoch, but many reserve the possibility that it directly influenced Smith's works. The author of this book documents the many similarities between the Book of Enoch and Smith's Mormon texts. Using source analysis and historical context, the author identifies the uniquely Mormon words, storylines, imagery and concepts that appear in Richard Laurence's translation of the ancient religious text.

The Book of Enoch, The Prophet R. Laurence, 1838

Dedicated to the First and the Last Michael Gonzales, 2015-12-17 When I was asked to write a summary for the cover of this book, I found it hard to do so. What I mean the whole book is YHWH Inspired. I broke down one Morning, filled with the Love of the Holy Spirit, I asked YHWH why Oh why I had not been blessed with the gift of tongues? YHWH said to me the reason why, was because for the rest of my life I would Obey (LISTEN) to YHWH'S words to me and I would be His Tongue! Yet with all the Obedience to YHWH he also promised me that He would break me as was done to Job would be done to me! YHWH also asked me that if I were left as the last man on earth what shall I YHWH leave you with? My answer was that His will be done and only leave me with YHWH'S intimacy. YHWH said so be it, I AM YOUR INTEGRITY! YHWH said make me a PROMISE, I said I DO! YHWH said make MY HOLY NAME KNOWN! YHWH says in all human intelligence and knowledge why has HIS Holy Name been lost to all the words YHWH gave to His prophets. YHWH says I YHWH have heard many a preacher, minister to His flock. Invoke and extol all that I AM HOLY! Only to BLASPEM MY HOLY NAME YHWH in relation to lord, God and blah, blah and continues of WHO I AM NOT! Take note of the WHO I AM NOT! For I YHWH HAVE NO EQUAL!

The Flat Earth as Key to Decrypt the Book of Enoch Zen Garcia, 2015-10-25 Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as a motion for the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch s description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to

apply these descriptions to the model of the earth as a spherical planet.

Revelations Victor Bennett, 2015-10-30 I have read many books concerning the book of Revelations. I have taken a different path, if you will. I have used the Bible itself to interpret the meaning of this book. You will actually be amazed at the information in the pages of the Bible that refer to Revelations. Most people are scared to read this book, other just ignore it like the plague, and yet right in the beginning, the first few sentences actually tells us that this is a blessing to those who heed the Words written and obey them. I do not belong to any denomination; I do, however, consider myself as being a child of God. I believe that I have done my best in showing you that by reading the Bible, piecing the different verses or events, you will then actually see how everything falls into a story that makes more sense than I or anyone else has offered. Read the book and like the Berians, check the scriptures to ensure that what I have written is true.

THE TESTAMENTS OF THE TWELVE PATRIARCHS - the biographies of 12 giants of the ancient world Anon E.

Mouse, 2019-01-27 Herein are twelve biographies of the Patriarchs written between 107 B.C. and 137 B.C. They are a forceful exposition, showing how a Pharisee with a rare gift of writing secured the biographies of the 12 greatest men of ancient times. There were intellectual giants in those days and the Twelve Patriarchs were the Intellectual Giants! Each tells his life story and when he is on his deathbed he calls all his children and grandchildren and great-grandchildren about him, and proceeds without reservation to lay bare his experiences for the moral guidance of his hearers. If he fell into sin he tells all about it and then counsels them not to err as he did. If he was virtuous, he shows what rewards were his. When you look beyond the unvarnished--almost brutally frank--passages of the text, you will discern a remarkable attestation of the expectations of the Messiah which existed a hundred years before Christ. And there is another element of rare value in this strange series. As Dr. R. H. Charles says in his scholarly work on the Pseudepigrapha: its ethical teaching has achieved a real immortality by influencing the thought and diction of the writers of the New Testament, and even those of our Lord. This ethical teaching, which is very much higher and purer than that of the Old Testament, is yet its true spiritual child and helps to bridge the chasm that divides the ethics of the Old and New Testaments.

Truths Stolen by Satan Revealed M. D. Connell-McDowell, 2013-03-19 This course is to prevent that happening to you. Plus you're going to have a wonderful life on earth and gain your full reward rather than some of your reward in this life and far more importantly your full reward in eternity. Many Christians don't have the Apocrypha/Dueterocanonical books in their Bibles and so lack expertise to win in spiritual warfare. You are going to learn these secrets. Firstly by convincing you that the Apocrypha/Dueterocanonical books are inspired by The Holy Spirit. Secondly the art of 'Heeding mild rebukes' On top of all this you're going to increase greatly in knowledge, for example: 1) You will learn what happens to you for seven days when you leave your mortal body, you will be going on a wonderful journey with Christ. 2) You're going to find out who the mysterious Melchizedec was, mentioned in Hebrews; whom many have said was Christ, not so! 3) You will learn that the

earth was originally created upright on its axis and why and when it was tilted; by the way scientists concur that it was upright, but it did not happen tens of thousands of years ago as they suggest. 4) Scientists tell us originally the dry land on earth was gathered together in one huge continent, they have named 'Gondwanaland' they are correct, the scriptures not only tell us this but when it was changed to the map that we have today by the almighty power of God. It didn't happen when the scientist say. 5) Did you know Job was advisor to Pharaoh and that he was complicit in the murder of the Hebrew male babies? 6) Between the killing of the Egyptian and seeing the burning bush, Moses led a fascinating life, what was he doing? He wasn't herding his father-in-laws sheep the whole time as some say. I could go on and on, there is so much more awaiting you; come with me on this fascinating adventure. God bless you, I'll see you on the inside.

Science Proves That God Exists William Schonfelder,2022-11-03 When I was in school back in the aEUR(tm)60s, I was taught many things that I believed were factual and honest in truth and knowledge. As an example, that we came from monkeys and that the cavemen came from fish that walked on the land. My science teacher taught us that all things happened from a single Big Bang theory. I believed in these things that were taught to me so much as to defend them without any real information behind it other than what I was taught or shown. I even did this with my faith and religion because someone else who was more spiritual or educated than myself taught it that way. I just believed what they taught in the pulpit and on the radio. Then something happened to me that showed me that everything I believed was a lack of the aEURroerightaEUR interpretation of what the current information was trying to show me. That example is explained in this book using a closed- or open-universe theory based on the instruments of the time. When you read this book you will see what I am speaking about. The information has meaning and purpose. Information is what gets you up, creates your beliefs, and inspires you to a purpose. Information can be misused as an example in the world wars and in todayaEUR(tm)s example of fake news. Certain people choose not to accept the truth they hear unless they had concrete evidence about the information only coming from the source. The Book of Enoch Prophet Enoch, 2023-01-06 Enoch walked with God; then he was no more for God took him. The Book of Enoch is a pseudoepigraphal work (a work that claims to be by a biblical character). The Book of Enoch was not included in either the Hebrew or most Christian biblical canons, but could have been considered a sacred text by the sectarians. The original Aramaic version was lost until the Dead Sea fragments were discovered. This is a compilation of several separate works, most of which are apocalyptic. Its oldest portion is the Apocalypse of Weeks, written shortly before the Maccabean uprising of 167 BC against the Seleucids. The Ethiopic Book of Enoch is called a pseudepigraphical work, meaning one that is not included in any canon of scripture, outside of even the Apocrypha. The only complete extant version is an Ethiopic translation of a previous Greek translation made in Palestine from the original Hebrew or Aramaic. The Book of the Watcher, tells the story of fallen angels from Gen 6:1-4 that took wives, created the Nephilim, and taught advanced technology to mankind, ultimately leading to the great flood and their destruction. The Parables of Similitude, is an apocalyptic book about the Son of Man and the Ancient of Days. These ancient prophecies of Jesus are directly in line with what we find in the Bible, and are remarkably similar to The Book of Revelation. The Book of the Courses of the Heavenly Luminaries is a detailed account of the stars and their functions. The Dream Visions is the prophecy of all human history, from the creation of mankind all the way to the end times and the final judgement. The past, present, and future are foretold in grand detail. The prophecy of weeks is similar to the prophecy structure in the book of Daniel. The Noah Fragments is the untold story of Noah from the Bible. We learn more about his mission to save all humanity and the struggles of his father Lamech and his grandfather Methuselah. Finally, included herein are all known fragments of The Book of Giants. Each work is independent, but all the works are bound by a common theme: the punishment of the wicked and the blessedness of the righteous.
