Coming Home Nelly Elias, 2008-07-22 *Coming Home* provides an extraordinary glimpse into the social and cultural integration of a unique category of immigrants—the returning Diaspora. During the 1990s Russian-speaking Jews and Germans returned to their respective historic homelands. Nelly Elias explores the social and cultural adaptation of these two groups by focusing on the roles played by their native language—Russian—and the language used by the media of each country. Based on one hundred in-depth interviews conducted with immigrants now living in both Israel and Germany, *Coming Home* considers media use to be an inseparable part of an immigrant's adaptation strategy, simultaneously reflecting construction of a new social and cultural identity while also preserving their original cultural identities.

Coming Home Rosamunde Pilcher, 2017-02-28 Against the backdrop of an elegant Cornwall mansion before World War II and a vast continent-spanning canvas during the turbulent war years, this involving story tells of an extraordinary young woman's coming of age, coming to grips with love and sadness, and in every sense of the term, coming home... In 1935, Judith Dunbar is left behind at a British boarding school when her mother and baby sister go off to join her father in Singapore. At Saint Ursula's, her friendship with Loveday Carey-Lewis sweeps her into the privileged, madcap world of the British aristocracy, teaching her about values, friendship, and wealth. But it will be the drama of war, as it wrenches Judith from those she cares about most, that will teach her about courage...and about love. Teeming with marvelous, memorable

characters in a novel that is a true masterpiece, Rosamunde Pilcher's *Coming Home* is a book to be savored, reread, and cherished forever.

Coming Home George Davis, 1984 The novel captures the physical and psychological landscape of the war zone and home front during the Vietnam War. The novel was written at the end of a decade when much of the world was breaking free, and this includes African Americans who populate the universe that the novel creates. In almost equal number white Americans populate that universe also; and the dangers of combat ties both groups together in camaraderie and antagonism so complex that neither can express the simplest human feelings without reference to the other.--Google books viewed Oct. 1, 2020.

Soundtracked Books from the Acoustic Era to the Digital Age Justin St. Clair, 2022-06-15 Offering both a short history and a theoretical framework, this book is the first extended study of the soundtracked book as a media form. A soundtracked book is a print or digital publication for which a recorded, musical complement has been produced. Early examples were primarily developed for the children's market, but by the middle of the twentieth century, ethnographers had begun producing book-and-record combinations that used print to contextualize musical artifacts. The last half-century has witnessed the rapid expansion of the adult market, including soundtracked novels from celebrated writers such as Ursula K. Le Guin, Kathy Acker, and Mark Z. Danielewski. While often dismissed as gimmicks, this volume argues that soundtracked books represent an interesting case study in media consumption. Unlike synchronous multimedia forms, the vast majority of soundtracked books require that audience activity be split between reading and listening, thus defining the user experience and often shaping the content of singing books as well. Mapping the form's material evolution, this book charts a previously unconsidered pathway through more than a century of recording formats and packaging strategies, emphasizing the synergies and symbioses that characterize the marriage of sound and print. As such, it will be of value to scholars and postgraduate students working in media studies, literary studies, and sound studies.

Coming Home Cheryl Charles, Bob Samples, 2004 In a time of uncommon change and isolation, this book focuses on how

Topics addressed include the power of words, metaphor, natural guides to community building, learning styles, intercultural learning, core personalities, and ways to reduce stress and prejudice.

Christmas books. Hard times Charles Dickens, 1903

The Salty Key Inn Series Judith Keim, 2021-11-11 Sheena Sullivan Morelli and her sisters, Darcy and Regan, receive the unexpected news that their Uncle Gavin Sullivan, the black sheep of the family, has left them a hotel on the Gulf coast of Florida. The gift comes with a twist. They must live together for one year at the hotel and prepare the hotel to receive guests within that year. Sheena, eager to escape her role of unappreciated wife and mother, can't wait for the opportunity to find herself. Dreams of sitting on the beach sipping margaritas are shattered when they see the property is in need of renovation. But they begin their work of meeting the challenge. If they succeed, the bulk of Gavin's estate will be theirs. Facing the

unexpected, working together, the three sisters learn a lot about each other and the gift of family love. Darcy Sullivan and her two sisters continue to work hard at the Salty Key Inn, the small, Florida hotel they unexpectedly inherited. In order to inherit the rest of Uncle Gavin's sizeable estate, they must meet his challenge to open the neglected hotel by the end of the year. Darcy figures once they meet the challenge, she'll take off, travel the world, and maybe, just maybe, begin writing the world's best novel. When she meets Nick Howard, an older man who is a reporter for the local newspaper and takes over his weekly column, her life changes. Under his tutelage, she writes about local residents, learning to see people in a different way—especially after meeting a cousin no one knew about. Her joy at having the part-time job that's always been her dream is shattered when she learns Nick is dying. For support, she turns to Austin Blakely, whose grandmother is terminally ill, and through their growing relationship, comes to understand what true love is. As Regan Sullivan continues to work with her sisters, Sheena and Darcy, to meet their Uncle Gavin's challenge to make the Salty Key Inn a success, she wonders why she can never find the man of her dreams. Her sisters are happily settled with men they love. Why can't she do the same? When she's involved in a motorcycle accident with Brian Harwood, Regan learns to think differently about both her appearance and herself. And as she deals with her injuries and helps Brian recover from the accident she feels guilty about causing, Regan discovers that the love she's always sought has been there all along. Sheena Sullivan Morelli and her sisters, Darcy and Regan, work to complete their Uncle Gavin's challenge of turning his rundown hotel into a profitable operation within one year. Winning means earning a share in their uncle's sizable estate. More than that, it determines how they'll spend the rest of their lives. Sheena wants to stay on at the hotel, overseeing the hotel operation. But Darcy and Regan want to move on with their lives—Darcy writing a novel and Regan going into the interior decorating business with Mo. But life has other plans for them. And in the end, all three realize that the only thing that really matters is finding—and keeping—family.
