**Poe-Land: The Hallowed Haunts of Edgar Allan Poe** J. W. Ocker, 2014-10-06 Winner of the 2015 Edgar Award for Best Critical/Biographical! Follow the footsteps of the father of American horror fiction. Edgar Allan Poe was an oddity: his life, literature, and legacy are all, well, odd. In Poe-Land, J. W. Ocker explores the physical aspects of Poe's legacy across the East Coast and beyond, touring Poe's homes, examining artifacts from his life—locks of his hair, pieces of his coffin, original manuscripts, his boyhood bed—and visiting the many memorials dedicated to him. Along the way, Ocker meets people from a range of backgrounds and professions—actors, museum managers, collectors, historians—who have dedicated some part of their lives to Poe and his legacy. Poe-Land is a unique travelogue of the afterlife of the poet who invented detective fiction, advanced the emerging genre of science fiction, and elevated the horror genre with a mastery over the macabre that is arguably still unrivaled today.

**Love & Literacy** Paul Bambrick-Santoyo, Stephen Chiger, 2021-05-04 When our students enter middle and high school, the saying goes that they stop learning to read and start reading to learn. Then why is literacy still a struggle for so many of our students? The reality is that elementary school isn't designed to prepare students for Othello and Song of Solomon: so what do we do? Love and Literacy steps into the classrooms of extraordinary teachers who have guided students to the highest levels of literacy. There is magic in their teaching, but that magic is replicable. It starts with a simple premise: kids fall in love with texts when they understand them, and that understanding comes from the right knowledge and/or the right strategy at the right time. Love and Literacy dissects the moves of successful teachers and schools and leaves you with the tools to make these your own: Research-based best practices in facilitating discourse, building curriculum, guiding student comprehension and analysis, creating a class culture where literacy thrives, and more Video clips of middle and high school teachers implementing these practices An online, print-ready Reading and Writing Handbook that places every tool at your fingertips to implement effectively Discussion questions for your own professional learning or book study group Great reading is more than just liking books: it's having the knowledge, skill, and desire to experience any text in all its fullness. Love and Literacy guides you to create environments where students can build the will and wherewithal to truly fall in love with literacy.

**The Practice of Love** Laird Torrent, 2022-02-15 A master class in relationship repair and connection. At its core, this book delivers an inconvenient truth. Our relationships have to be a daily practice if we want them to thrive. We should treat them like we treat anything that we want to succeed, by giving them time and attention. For far too long it has been assumed that we should innately understand how to love one another. Relationships have fallen into the category of things we should know

how to do. But we are not born knowing how to make a relationship work, any more than we are born knowing how to file taxes or buy insurance, and there are no classes in high school or college that teach us how to do this. The Practice of Love is that class. In his work, Laird Torrent, a licensed marriage and family therapist, brings together concepts and tools that can actually help couples heal for the long haul. Diving beneath the symptoms most therapies focus on, he helps couples develop a deeper understanding of the wounds that brought them together and how they show up in their relationships. The 5 Practices gives the reader an opportunity to weed out and take responsibility for limiting or negative habits while allowing them to learn and adopt new and healthier practices with their partner. These are not short-term solutions, but rather a path to profound healing, deeper connection, and stronger, happier relationships.

**Romance Fiction** Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

*Edgar Allan Poe: Complete Essays, Literary Studies, Criticism, Cryptography & Autography, Translations, Letters and Other Non-Fiction Works* Edgar Allan Poe, 2024-01-16 In 'Edgar Allan Poe: Complete Essays, Literary Studies, Criticism, Cryptography & Autography, Translations, Letters and Other Non-Fiction Works,' Poe provides a rare glimpse into the mind of one of America's most enigmatic literary figures. This compilation of essays and criticism not only highlights his groundbreaking perspectives on literature and aesthetics, but also sheds light on his early explorations of cryptographic methods and his contributions to the field of translation. The prose is marked by Poe's characteristic clarity and eloquence, infusing each piece with a sense of urgency and intellectual rigor that reflects the turbulent literary culture of the early 19th century, grappling with Romanticism, Gothicism, and nascent modernism. Edgar Allan Poe (1809-1849) was a pivotal figure in American literature, often heralded as the master of macabre fiction and a pioneer of psychological horror. His diverse interests, ranging from poetry to cryptography, informed his incisive critiques of contemporaneous literary forms and practices. Influenced by his tumultuous life experiences—including personal tragedies and struggles with poverty—Poe's multifaceted approach to writing reveals his relentless pursuit of beauty and truth in both art and life. This collection is essential for scholars and enthusiasts of Poe and American literature alike. It not only enriches the understanding of Poe's literary contributions but also serves as a vital resource for comprehending the evolution of literary thought in a pivotal era. Engaging with these essays will deepen readers' appreciation of Poe as both a writer and a critic, inviting them to consider the lasting impact of his insights on today's literary landscape.

Edgar Allan Poe Graham Clarke, 1991 In an extreme sense, Edgar Allan Poe's writing is the very embodiment of what we recognize as the quintessential modern condition: a world defined through its concern with doubt, fear, and anxiety—a world in which individuals are isolated and displaced. This four-volume assessment examines the Poe phenomenon and its

significance for the twentieth-century reader. Volume One offers a range of material that contextualizes Poe's life and the myths surrounding it. Volume Two contains contemporary essays and reviews which chart the immediate and changing sense of Poe's work and the response to it in his lifetime. A second section offers a different viewpoint: that of French writers. Volume Three offers a collection of exemplary and often seminal essays responding to Poe's work. Volume Four, the most extensive of the volumes, reflects the range and extent of Poe criticism that has emerged in the twentieth century as Poe has been condidntently rediscovered and reinterpreted.

**Haunted Hibiscus** Laura Childs,2022-02-01 Tea maven Theodosia Browning brews up trouble in the latest Tea Shop Mystery from New York Times bestselling author Laura Childs. It is the week before Halloween and Theodosia Browning, proprietor of the Indigo Tea Shop, and her tea sommelier, Drayton, are ghosting through the dusk of a cool Charleston evening on their way to the old Bouchard Mansion. Known as the Gray Ghost, this dilapidated place was recently bequeathed to the Heritage Society, and tonight heralds the grand opening of their literary and historical themed haunted house. Though Timothy Neville, the patriarch of the Heritage Society, is not thrilled with the fund-raising idea, it is the perfect venue for his grandniece, Willow French, to sign copies of her new book, *Carolina Crimes & Creepers*. But amid a parade of characters dressed as Edgar Allan Poe, Lady Macbeth, and the Headless Horseman, Willow's body is suddenly tossed from the third-floor tower room and left to dangle at the end of a rope. Police come screaming in and Theodosia's boyfriend, Detective Pete Riley, is sent to Willow's apartment to investigate. But minutes later, he is shot and wounded by a shadowy intruder. Timothy begs Theodosia to investigate, and shaken by Riley's assault, she readily agrees. Now, she questions members of the Heritage Society and a man who claims the mansion is rightfully his, as well as Willow's book publisher and her fiancé, all while hosting a Sherlock Holmes tea and catering several others. But the Gray Ghost holds many secrets, as do several other key suspects, while this murder mystery plays out on the eve of Halloween. INCLUDES DELICIOUS RECIPES AND TEA TIME TIPS!

**Night of the Avenging Blowfish** John Welter,2006-01-31 The hilarious tale of a Secret Service agent's professional and romantic misadventures, by the author of *Begin to Exit Here*. At heart, Doyle Coldiron is just a lovesick guy who happens to have a submachine gun under his blue blazer. Working for the Secret Service, it's his job to protect the president—but after a disgruntled White House chef decides to serve Spam at a state dinner, Doyle fails to throw himself in front of the wretched luncheon meat, and gets demoted. What's really got Doyle down, though, is his unrequited passion for the president's already-married secretary. To console himself, he plans covert games of “spookball” against the CIA, and drowns his sorrows at a Washington bar. However, his chance for redemption just may arise as he confronts a series of events involving terrorists, animal rights activists, a Stealth kite, and a tipsy ambassador who plays Cole Porter tunes . . . From John

Welter—described by Joseph Heller, author of *Catch-22*, as “among the wittiest American novelists writing today”—this is a rollicking look at life, love, and lunacy behind the scenes in DC. “Welter retains firm control of the true story in his novel: one man’s search for love in the ’90s. Doyle’s quest for romantic and spiritual love is bittersweet, surprisingly poignant, and, guided by Welter’s sure hand, always emotionally true. Sometimes silly and frequently downright strange, this novel is full of insights into modern love that sneak up on the reader amid a lot of pleasantly off-kilter zaniness, making *Night of the Avenging Blowfish* a fun and satisfying read.” —Kirkus Reviews
