Find the best lines from your favourite jokesters and wordsmiths, add that extra something to a speech or presentation, or just enjoy a good laugh. 'A chair is a piece of furniture. I am not a chair because no one has ever sat on me.' Ann Widdecombe on the announcement that Parliamentary language will now be gender-neutral. 'No wonder Bob Geldof is such an expert on famine. He's been feeding off 'I don't like Mondays' for 30 years.' Russell Brand On deciding to run for governor of California: 'The most difficult decision I've ever made in my entire life, except for the one in 1978 when I decided to get a bikini wax.' Arnold Schwarzenegger 'Wanting to know an author because you like his work is like wanting to know a duck because you like p--acirc--;t-eacute--;.' Margaret Atwood 'I am so sorry. Kate William J. Mann,2007-10-30 The first major Katharine Hepburn biography independent of her control reveals the smart, complicated, and sophisticated woman behind the image Onscreen she played society girls, Spencer Tracy's sidekick, lionesses in winter. But the best character Katharine Hepburn ever created was Katharine Hepburn: a Connecticut Yankee, outspoken and elegant, she wore pants whatever the occasion and bristled at Hollywood glitter. So captivating was her image that she never seemed less than authentic. But how well did we know her, really? Was there a woman behind the image who was more human, more driven, and ultimately more triumphant because of her vulnerability? William J. Mann—a cultural historian and journalist, a sympathetic admirer but no mere fan—has fashioned an intimate, often revisionist, and truly unique close-up that challenges much of what we think we know about the Great Kate. Previous biographies—mostly products of friends and fans—have recycled the stories she hid behind, taking Hollywood myths at face value. Mann goes deeper, delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn's death. With affection, intelligence, and a voluminous knowledge of Hollywood history, Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all-American as the Statue of Liberty.

Extreme Focus Pat Williams,Jim Denney,2011-04 Everybody has dreams--but how many of us get to see our dreams come true? Disneyland, Starbucks, Google, the first manned landing on the Moon, every novel ever written, ever motion picture ever filmed, every painting ever created--all began as a dream in someone's imagination. And all became real through the power of Extreme Focus. After assembling an NBA championship team in Philadelphia in the 1980s, author Pat Williams dreamed of building an NBA expansion team in central Florida--the Orlando Magic. This is not just another collection of rah-rah motivational slogans. Extreme Focus is a practical, proven, step-by-step guide to turning dreams into reality, written by someone who has been there, done that. In these pages, Pat Williams shows you how to discover and focus on your passion in life, how to achieve great things tomorrow by focusing on today, how to discipline yourself for success, how to increase your courage and confidence, and more. John Wayne: The Life and Legend Scott Eyman, 2014-04-01 The New York Times bestselling biography of John Wayne: "authoritative and enormously engaging...Eyman takes you through Wayne's life, his death, and his legend in a detailed, remarkably knowledgeable yet extremely readable way" (Peter Bogdanovich, *The New York Times Book Review*). John Wayne died more than thirty years ago, but he remains one of today's five favorite movie stars. The celebrated Hollywood icon comes fully to life in this complex portrait by noted film historian and master biographer Scott Eyman. Exploring Wayne's early life with a difficult mother and a feckless father, "Eyman gets at the details that the bean-counters and myth-spinners miss...Wayne's intimates have told things here that they've never told anyone else" (*Los Angeles Times*). Eyman makes startling connections to Wayne's later days as an anti-Communist conservative, his stormy marriages to Latina women, and his notorious—and surprisingly long-lived—passionate affair with Marlene Dietrich. He also draws on the actor's own business records and, of course, his storied film career. "We all think we know John Wayne, in part because he seemed to be playing himself in movie after movie. Yet as Eyman carefully lays out, 'John Wayne' was an invention, a persona created layer by layer by an ambitious young actor" (*The Washington Post*). This is the most nuanced and sympathetic portrait available of the man who became a symbol of his country at mid-century, a cultural icon and quintessential American male against whom other screen heroes are still compared.

Fierce Love Susan Scott, 2022-01-11 Grow your relationship through conversations that make a difference. New York Times bestselling author Susan Scott guides couples through eight must-have conversations to create a fierce love that stands the test of time and grows stronger over the years. Often in our romantic relationships, we long for deep connection, but we don't know how to communicate well and sometimes withhold what we're really thinking and feeling. This can lead to fighting, resentment, or, worse, complacency--where you are just going through the motions, more like roommates than two people in love. As Susan writes, It's as if we've pulled off our own wings. As couples, we don't stop to think how important our conversations are. And we certainly don't understand that what we talk about and how we talk about it determine whether our relationships will thrive, flatline, or fail. In *Fierce Love*, New York Times bestselling author Susan Scott guides couples

through eight must-have conversations that lead to deep connection and lasting commitment. Through the use of true stories and hands-on exercises, Susan helps us understand that the conversation is the relationship; identify and dispel five relationship myths that mislead and derail us; learn eight conversations that are critical to enriching relationships; and stop fighting or ignoring issues and start connecting in a deep and meaningful way. After a season where many relationships were tested and tried, where some relationships thrived and others have exposed cracks couples didn't even realize were there, or realized but didn't acknowledge, now is the best time to learn to communicate well. By having honest, compelling conversations with our partners, we can foster true connection and a fierce love that will withstand the test of time and grow stronger over the years.
