

The Plague Albert Camus

Mary Ellen Snodgrass

The Plague Albert Camus, 2021-11-16 “We can finally read the work as Camus meant it to be read. Laura Marris’s new translation of *The Plague* is, quite simply, the translation we need to have.” —Los Angeles Review of Books The first new translation of *The Plague* to be published in the United States in more than seventy years, bringing the Nobel Prize winner's iconic novel to a new generation of readers. • A redemptive book, one that wills the reader to believe, even in a time of despair. —The Washington Post The townspeople of Oran are in the grip of a deadly plague, which condemns its victims to a swift and horrifying death. Fear, isolation, and claustrophobia follow as they are forced into quarantine. Each person responds in their own way to the lethal disease: some resign themselves to fate, some seek blame, and a few, like Dr. Rieux, resist the terror. An immediate triumph when it was published in 1947, *The Plague* is in part an allegory of France's suffering under the Nazi occupation, as well as a timeless story of bravery and determination against the precariousness of human existence. In this fresh yet careful translation, award-winning translator Laura Marris breathes new life into Albert Camus's ever-resonant tale. Restoring the restrained lyricism of the original French text, and liberating it from the archaisms and assumptions of the previous English translation, Marris grants English readers the closest access we have ever had to the meaning and searing beauty of *The Plague*. This updated edition promises to add relevance and urgency to a classic novel of twentieth-century literature.

The Plague Albert Camus, 1977

The Modern Classics Plague Albert Camus, 2013-11-26 *The Plague* is Albert Camus's world-renowned fable of fear and courage. The townspeople of Oran are in the grip of a deadly plague, which condemns its victims to a swift and horrifying death. Fear, isolation and claustrophobia follow as they are forced into quarantine. Each person responds in their own way to the lethal disease: some resign themselves to fate, some seek blame, and a few, like Dr. Rieux, resist the terror. An immediate triumph when it was published in 1947, *The Plague* is in part an allegory of France's suffering under the Nazi occupation, and a story of bravery and determination against the precariousness of human existence. 'A matchless fable of fear, courage and cowardice' Independent 'Magnificent' The Times Albert Camus was born in Algeria in 1913. He studied philosophy in Algiers and then worked in Paris as a journalist. He was one of the intellectual leaders of the Resistance movement and, after the War, established his international reputation as a writer. His books include *The Plague*, *The Just* and *The Fall*, and he

won the Nobel Prize for Literature in 1957. Camus was killed in a road accident in 1960.

The Plague Albert Camus,1998 The townspeople of Oran are in the grip of a virulent plague. Cut off from the rest of the world, living in fear, they each respond in their own way to the grim challenge of the deadly bacillus. This novel tells a story of courage and determination against the arbitrariness and seeming absurdity of human existence.

The Plague by Albert Camus Albert Camus,2022-01-02 ABOUT THE PLAGUE The first new translation of The Plague to be published in the United States in more than seventy years, bringing the Nobel Prize winner's iconic novel (A redemptive book, one that wills the reader to believe, even in a time of despair. --The Washington Post) to a new generation of readers. The townspeople of Oran are in the grip of a deadly plague, which condemns its victims to a swift and horrifying death. Fear, isolation, and claustrophobia follow as they are forced into quarantine. Each person responds in their own way to the lethal disease: some resign themselves to fate, some seek blame, and a few, like Dr. Rieux, resist the terror. An immediate triumph when it was published in 1947, The Plague is in part an allegory of France's suffering under the Nazi occupation, as well as a timeless story of bravery and determination against the precariousness of human existence. In this fresh yet careful translation, award-winning translator Laura Marris breathes new life into Albert Camus's ever-resonant tale. Restoring the restrained lyricism of the original French text, and liberating it from the archaisms and assumptions of the previous English translation, Marris grants English readers the closest access we have ever had to the meaning and searing beauty of The Plague. This updated edition promises to add relevance and urgency to a classic novel of twentieth-century literature.

The Plague Albert Camus,2020-11-14 Camus was drawn to his theme because, in his philosophy, we are all - unbeknownst to us - already living through a plague: that is a widespread, silent, invisible disease that may kill any of us at any time and destroy the lives we assumed were solid.

A Study Guide for Albert Camus's The Plague Gale, Cengage Learning,2015-09-15 A Study Guide for Albert Camus's The Plague, excerpted from Gale's acclaimed Novels for Students.This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. 'A matchless fable of fear, courage and cowardice' Independent 'Magnificent' The Times

States of Plague Alice Kaplan, Laura Marris, 2024-05-31 *States of Plague* examines Albert Camus's novel as a palimpsest of pandemic life, an uncannily relevant account of the psychology and politics of a public health crisis. As one of the most discussed books of the COVID-19 crisis, Albert Camus's classic novel *The Plague* has become a new kind of literary touchstone. Surrounded by terror and uncertainty, often separated from loved ones or unable to travel, readers sought answers within the pages of Camus's 1947 tale about an Algerian city gripped by an epidemic. Many found in it a story about their own lives—a book to shed light on a global health crisis. In thirteen linked chapters told in alternating voices, Alice Kaplan and Laura Marris hold the past and present of *The Plague* in conversation, discovering how the novel has reached people in their current moment. Kaplan's chapters explore the book's tangled and vivid history, while Marris's are drawn to the ecology of landscape and language. Through these pages, they find that their sense of Camus evolves under the force of a new reality, alongside the pressures of illness, recovery, concern, and care in their own lives. Along the way, Kaplan and Marris examine how the novel's original allegory might resonate with a new generation of readers who have experienced a global pandemic. They describe how they learned to contemplate the skies of a plague spring, to examine the body politic and the politics of immunity. Both personal and eloquently written, *States of Plague* uncovers for us the mysterious way a novel can imagine the world during a crisis and draw back the veil on other possible futures.

Albert Camus' The Plague (ELL). ,2009

The Plague by Albert Camus (Book Analysis) Bright Summaries, 2015-10-08 Unlock the more straightforward side of *The Plague* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *The Plague* by Albert Camus, an existentialist classic in which he continues to question the absurdity of life and applies the notion of rebellion. It is the story of a plague epidemic in the city of Oran in the 1940's and tells of the individual destinies of some of its inhabitants, who all react to the situation in a different way. The novel is believed to be based on the cholera epidemic that killed a large portion of Oran's population, or perhaps even the plague of the 16th and 17th centuries. Camus was a French author who was known for his thought-provoking novels and essays that often discussed fate, religion and philosophy, and he was awarded the Nobel Prize in Literature in 1957 for his incredible works. Find out everything you need to know about *The Plague* in a fraction of the time! SUMMARY - The Plague By Albert Camus Shortcut Edition, 2021-06-23 * Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to

better endure confinement thanks to the light brought by the novel *The Plague*. You will also discover : that one imprisonment can hide another; that a metaphor such as the plague can designate political or social diseases; how to revolt against what locks you up; that the symbolic and encrypted dimension of Camus' work allows it to remain topical. Confinement has several forms. It can be physical, as when a city is under siege and no one can get out. It can also be psychological: a madman is locked up in his own mind. Sometimes it is political, for example in the context of a tyranny. Finally, it can be metaphysical: isn't man's life surrounded, between birth and death, by non-being? Therefore, can you really be free? The famous novel *The Plague* by Albert Camus, published in 1947 and winner of the Nobel Prize for Literature in 1957, explores all these forms of confinement. Above all, it reveals to the reader different ways of dealing with them. Finally, it answers this question: when you are locked up, how do you get out without getting out? *Buy now the summary of this book for the modest price of a cup of coffee!

The Plague Albert Camus,1984-06-01 For use in schools and libraries only. Chaos prevails when the bubonic plague strikes the Algerian coastal city of Oran.

The Plague Mary Ellen Snodgrass,1991

The Plague, Albert Camus Glenn Matthews,2004

The Health Humanities and Camus's *The Plague* Michael Woods Nash,2019 Albert Camus's *The Plague* (1947) is widely regarded as a classic of twentieth-century fiction and a touchstone for the field of literature and medicine. Nash's edited collection of essays explores how *The Plague* illuminates important themes, ideas, dilemmas, and roles in modern medicine, helping readers--and particularly medical students and practitioners--see the value in Camus's novel. The essays represent various disciplinary and personal perspectives; the introduction presents the overarching theme of 'transmission' that holds the book together--

The Plague, The Fall, Exile and the Kingdom, and Selected Essays Albert Camus,2004-08-17 From one of the most brilliant and influential thinkers of the twentieth century and a Nobel Prize-winning author: two novels, six short stories, and a pair of essays in a single volume that deploy his lyric eloquence in defense against despair. In both his essays and his fiction, Albert Camus (1913—1960) provides an affirmation of the brave assertion of humanity in the face of a universe devoid of order or meaning. *The Plague*—written in 1947 and still profoundly relevant—is a riveting tale of horror, survival, and resilience in the face of a devastating epidemic. *The Fall* (1956), which takes the form of an astonishing confession by a French lawyer in a seedy Amsterdam bar, is a haunting parable of modern conscience in the face of evil. The six stories of *Exile and the Kingdom* (1957) represent Camus at the height of his narrative powers, masterfully depicting his characters—from a renegade missionary to an adulterous wife—at decisive moments of revelation. Set beside their fictional counterparts, Camus’s famous essays “The Myth of Sisyphus” and “Reflections on the Guillotine” are all the more powerful

and philosophically daring, confirming his towering place in twentieth-century thought.

Camus's The Plague Peg Brand Weiser, 2023 *La Peste* (in English *The Plague*), originally published in 1947 by the Nobel Prize-winning writer Albert Camus, chronicles the progression of deadly bubonic plague as it spreads through the quarantined Algerian city of Oran. While most discussions of fictional examples within aesthetics are either historical or hypothetical, Camus offers an example of pestilence fiction. Camus chose fiction to convey facts--about plagues in the past, his own bout with tuberculosis at age seventeen, living under quarantine away from home for several years, and forced separation from his wife who remained in Algiers while he was abroad in Nazi-occupied France. His own lived experiences undergird an imaginative account of shared human realities with which we can identify: vulnerability to the disease, isolation, fear, and finally humanitarianism. *The Plague* teaches us to neither covet nor expect what we so casually took for granted. This collection of original essays on philosophical themes in *The Plague* is of special relevance during and in the aftermath of Covid-19 but also provides reflections that will be of lasting value to those interested in this classic work of literature. The novel explores questions of enduring importance. Do we collectively meet the threshold of ethical behaviour posed by Camus who wrote, What's true of all the evils in the world is true of plague as well. It helps men to rise above themselves? Or does the absurd undermine the compassionate? Do heroes dutifully fight a plague with common decency, or does human nature resign itself to the normalization of uncontrollable suffering and death? There are myriad ways to approach the novel and this volume encourages readers to ponder human dilemmas in fictional Oran informed by our current pandemic.

The Plague Albert Camus, 1960 The story of the affect of the bubonic plague and the Algerians will to survive.

The Plague Gary Carey, Albert Camus, 1968
