Dawn of the Code War John P. Carlin,Garrett M. Graff,2018-10-16 The inside story of how America's enemies launched a cyber war against us-and how we've learned to fight back With each passing year, the internet-linked attacks on America's interests have grown in both frequency and severity. Overmatched by our military, countries like North Korea, China, Iran, and Russia have found us vulnerable in cyberspace. The Code War is upon us. In this dramatic book, former Assistant Attorney General John P. Carlin takes readers to the front lines of a global but little-understood fight as the Justice Department and the FBI chases down hackers, online terrorist recruiters, and spies. Today, as our entire economy goes digital, from banking to manufacturing to transportation, the potential targets for our enemies multiply. This firsthand account is both a remarkable untold story and a warning of dangers yet to come.

Law for Social Workers Sanjoy Roy,2025-03-31 This book examines the intersection of legal and social work in India and beyond. It explores the complex reality of laws related to socially disadvantaged groups and how social workers and practitioners navigate it at the ground level. This volume comprehensively analyses how social workers implement strategies and processes effectively through legal frameworks for their clientele. With a blend of theory and hands-on advice, it will enable students to gain a deeper and critical understanding of their roles in making a positive impact in the lives of individuals and communities through legal support. It shifts focus from normative legal concepts and systems to action-oriented roles in the contexts of individuals, families, communities, and organizations. From circumnavigating legal frameworks to implementing effective social work processes and strategies, this book serves as an invaluable resource for anyone seeking to make a positive impact in terms of empowering their community. This book will be useful to students, researchers, educators, and practitioners of social work, sociology, human rights, public policy, and administration. It will also be an invaluable resource for professionals, including those working for the government or NGOs.

ABA Journal ,1962-10 The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.
