The Holy Sh!t Moment James Fell,2019-01-22 Motivation expert James Fell teaches readers how to skip the hard part and go directly from intention to committed action. After years of helping people change, James Fell had a sudden insight about sudden insight: significant life change doesn't often come from just putting one foot in front of the other, carefully observing and altering habits, slogging through baby steps toward new behavior. Rather, the research reveals that serious life turnaround usually happens in a moment, with a flash of inspiration. Epiphany arrives like a lightning strike, rapidly shifting the recipient of such enlightenment onto a new path that creates a better life. Motivational psychology has traditionally focused on slow and steady—gradual improvement over time to reach a desired goal, whether it's weight loss, career change, battling addiction, or success in relationships. We've been told since toddlerhood that the tortoise beats the hare. But, through compelling science and powerful stories, James Fell shows us that the hare has the edge; overwhelming desire can be awakened fast and furiously. When you learn to become attuned to that sensation of sudden awakening, a new path can be followed almost effortlessly, because it feels like destiny. Everyone has the ability to experience the lightning strike. The Holy Sh!t Moment will teach you how to create a life-changing epiphany and go directly from intention to action.

Sis, Don't Settle Faith Jenkins,2021-11-09 DATE SMARTER, MAKE BETTER DECISIONS IN LOVE, AND ACHIEVE THE RELATIONSHIP YOU DESERVE... IT ALL STARTS WITH NOT SETTLING! By day, Faith Jenkins is the host of Oxygen's Killer Relationship and former host of the nationally syndicated relationship show Divorce Court; by night, she's a happily married new mother who navigated these dating streets for years before learning how to attract the love of her dreams. When she turned 35 without a wedding ring in sight, like most women, she started getting tons of questions about not being married. But she made a decision: I. Will. Not. Settle. As an attorney and arbitrator, Faith has presided over hundreds of cases, and has helped couples avoid and resolve a wealth of drama. And she's seen it all! In *Sis, Don't Settle*, she's gathered an arsenal of love, wisdom and advice for women on how to play it smart. Modern culture would have women believe they can't have it all—and be smart, successful, strong women with authentic love to boot. Wrong. Told in her signature style—sometimes salty and sometimes sweet—Faith provides real solutions that will teach you how to thrive in relationships while avoiding common missteps and pitfalls. She delivers it straight, with no chaser, to show us how to level up, and reminds you that how you live

single will set the tone for your success in relationships. Smart, illuminating, and, often laugh-out-loud funny, *Sis, Don't Settle* is the essential playbook that will help you build your confidence, generate better results in love, and land a high-value relationship once and for all. You'll find tips on topics like: Strong Independent Women...and the Men Who Love Them What's Worse than a Bad Relationship? Overextending Your Stay in One Becoming the Right Person to Attract the Right Person How to Release Trash Subconscious Beliefs that Keep You Settling And much more! Whether you're single, divorced, or in a situation, *Sis, Don't Settle* reveals the direction and guidance you need to navigate love and take back your power.

Yearnings Linda Loewenthal, Irwin Kula, 2006-09-05 Irwin Kula shows us how to live our humanness -- the pleasures and the challenges, the messiness and the triumphs -- with a profound acceptance of our desires and foibles and a joy that can only come from understanding. --Deepak Chopra Yearning. After twenty-three years as a rabbi, I can think of no more defining human experience. Life can be messy and imperfect. We're all looking for answers. And yet, as renowned rabbi Irwin Kula points out, the yearning for answers is no different now than it was in the times that gave rise to Moses, Buddha, and Jesus. Far from being a burden, however, these yearnings can themselves become a path to blessing, prompting questions and insights, resulting in new ways of being and believing. In this, his first book, Rabbi Kula takes us on an excursion into the depths of our desires, applying ancient Jewish tradition to seven of our most wonderful yearnings. Merging ancient wisdom with contemporary insights, Rabbi Kula shows how traditional practices can inform and enrich our own search for meaning. More importantly, he invites us to embrace the messiness and complexities of the human experience in order to fully embrace the endless and glorious project of life.

Quiet Desperation, Savage Delight David Gessner, 2021-06-01 A powerful and timely book from one of the most provocative and engaging voices in contemporary environmental writing. —MICHAEL P. BRANCH, author of *How to Cuss in Western* When the pandemic struck, nature writer David Gessner turned to Henry David Thoreau, the original social distancer, for lessons on how to live. Those lessons—of learning our own backyard, re-wilding, loving nature, self-reliance, and civil disobedience—hold a secret that could help save us as we face the greater crisis of climate. DAVID GESSNER is the author of *Leave It As It Is: A Journey Through Theodore Roosevelt's American Wilderness* and the New York Times-bestselling *All the Wild That Remains: Edward Abbey, Wallace Stegner and the American West*. Chair of the Creative Writing Department at the University of North Carolina Wilmington, and founder and editor-in-chief of *Ecotone*, Gessner lives in Wilmington, North Carolina, with his wife, the novelist Nina de Gramont, and their daughter, Hadley.
