April 2023 Young Muslim Digest Syed Iqbal Zaheer,2023-04-05 Among the major publications of IQRA Publications is the popular Islamic monthly in English, the Young Muslim Digest, arguably among the foremost in this type of publishing in India. This magazine is being brought out regularly by IQRA Publications since the past 36 years. The magazine carries authentic Islamic material for the Western-educated and/or West-influenced youth, presented in a creative manner, while yet highlighting the beliefs of the earliest predecessors and an understanding of the Qur'an and Sunnah on the pattern of the great majority of Islamic scholars of the past, and of those prominent down to the present age. In view of the authentic nature of its contents, the magazine has been awarded license for distribution in Saudi Arabia. Besides the regular, monthly, production of the Young Muslim Digest, IQRA Publications has quite a few other Islamic titles to its credit. Each one of these books offer authentic material and cover topics that are not normally covered by other publishers. It is, perhaps, for this reason that they are popular even outside the country. Malaysia, for instance, imports many of IQRA's titles regularly.

ISLAM WITH HADITHS Bekir AYAZ,

Prayer of the Prophet (Summary Edition) M. Mushfiqur Rahman, 2024-05-21 Perform ṣalāh just like the Prophet (s) did, based on an unbiased and comprehensive reading of all available authentic hadiths from the six most authentic books. This is the Summary Edition of the two-book set that describes the performance of the ṣalāh based on the Prophetic example as recorded in the six most authentic books of ḥadīth. It is perhaps the first attempt in the English language that collects all the authentic ḥadīths on each aspect of the performance of the ṣalāh—be that a physical movement or what is recited in it—then groups them together, allowing the reader to see the exact practice of the Prophet (s). Each aspect was dealt with in a thorough manner without any preconceived opinion so that the reader is satisfied that the conclusion arrived on a given topic is what becomes naturally evident from the comprehensive evidence that is presented. Additionally, having all the ṣaḥīḥ ḥadīths in front of him/her helps the reader to see which actions in the ṣalāh may be done in one most authentic way, which ones in multiple ways, and when there are choices, which option was more commonly practiced by the Prophet (s). The main book is intended for serious students who seek in-depth evidence for each topic while this Summary Edition is designed for those who only want to know the final conclusions with minimal supporting evidence.

The Quran Speaks Bahis Sedq, 2018-02-14 Even those who dispute the Quran do not question that it is in its original form. This enables one to travel back in time to take a closer look at the Prophet Muhammad, who is amongst the most towering personalities in history. This book avails that priceless chance to reconstruct his life based on evidence as well preserved as the Quran. It also explores the Quran's message on issues ranging from justice and women to the treatment of other religions, to see if the disconnect between certain Islamic practices and the modern world is based on misreading of the Quran. Among other topics, the book assesses the claims that the Quran is a scientific miracle, contains no inconsistencies, and is a masterpiece of literature, and also discusses the controversial incident of the "Satanic" verses in light of disclosures in the Quran. The effort is to gain a holistic understanding of possibly the most influential book of all time. The author has chosen to write under a penname, Seeker of the Truth, but remains optimistic of disclosing his identity in the future. He does not doubt that a vast majority of Muslims would allow him to express the views noted in this book, which are founded on the

Quran. "Sedq uses many different translations of the Quran to present the material as clearly and sensibly as possible. ... Bottom line: This is an intriguing, engaging look at a religion still misunderstood by many in the West. ... It is bound to provoke heated debate." -Blueink Review "A searching look at the teachings of the Quran. ... Sedq takes up several common assertions about the Quran and subjects them to a scholarly, thorough, and often refreshingly cant-free contemporary analysis that takes modern social norms and literary scholarship into account. ... Sedq offers an interpretative look at the Quran that curious minds of all faiths will find fascinating." -Kirkus Reviews What's the most interesting or important book to come out recently about the Islamic world? "The Quran Speaks by Bahis Sedq: a hugely important book by a scholar of Islam who is, to my mind, the most sophisticated of all the dissidents in the Muslim world. He could be the Muslim Luther, if there were only a way to keep him safe." -Ayaan Hirsi Ali in The New York Times

Kanzul Islam Qari Mohammad Amin Chishti Saeedi, 2012-01-02 I wanted to write this book in response to the types of questions i had encountered during the course of my 17 year career as a religious teacher, to young children and adults in the United Kingdom. I was faced with many questions; this meant that i had to refer to various books and other sources of research to get the best answers as possible. i could not find any comprehensive text dealing with questions that were asked of me. It occurred to me that i should compile a book comprehensive enough to address central questions and issues associated with practices of our Deen as well as special Du'as which we should try to read in every day life. I have dealt with the importance of Durood Shareef and Du'as that should be recited. This book is aimed at the English speaking youth to make it more accessible so that the maximum amount of benefit can be reaped from it. I hope that this ensures what children learn will remain with them so that they do not forget the lessons this book teaches. I take responsibility for what ever is written in this book and any mistakes are my own and may Allah forgive me if there are any. I pray that people get benefit from this book and pass on any knowledge they get for the pleasure of Allah.

A Journey to Mecca and London Begum Sarbuland Jung, 2025-01-07 Descended from Mughal nobility, Akhtar al-Nisa Begum Nawab Sarbuland Jung grew up in Hyderabad in southern India, where she lived a quiet, private, and privileged life

at the heart of the state's royal court. In 1896, at the age of 20, she married Nawab Muhammad Hamidullah Khan Sarbuland Jung, a prominent lawyer and the scion of a leading Muslim reformist movement. In 1909, the wealthy couple embarked on a four-month journey through the Middle East and Europe, performing the hajj in Mecca and sitting for tea with the future king and queen of England. *A Journey to Mecca and London* provides the first full English translation of Begum Sarbuland's Urdu travel diary from this journey, of which only three original copies remain. Originally intended for circulation among friends and family and later published, her informal entries not only reveal the everyday practices of an Indian woman of her time, but also detail her impressions and reactions as she explored the world alongside her husband. As Begum Sarbuland encountered other women and Muslims during her travels, those encounters shaped her reassessment of her own identity as a Muslim woman. Her observations hold continued significance for readers interested in critical questions about gender, Islam, and identity. Daniel Majchrowicz has thoroughly annotated his translation and paired it with rich appendices, including a biographical sketch of Begum Sarbuland and excerpts from Hamidullah Khan's own accounts of their journey. Engagingly written and enriched with years of original research, archival work, and family interviews, *A Journey to Mecca and London* restores the nearly forgotten narrative of one of India's first Muslim women travel writers to its rightful place in Indian and Islamic history.

Liberty Afzalur Rahman, 1990-12-16 The object of writing on the subject of the political philosophy of the Prophet Muhammad (peace be upon him) is to show mankind how the Prophet initiated the movement of liberty, equality, fraternity and justice in the Arabian Peninsula and how it gradually spread to other countries of the world; and how, in the wake of this enthusiasm for knowledge, new schools, universities and centres of learning were established in Baghdad, Cairo, Damascus and other cities of the Middle East; and how this seed-pot of learning, in its multi-dimensional aspects, sown in the fertile plains and valleys of Spain by the Arabs and blossoming into the lustre of Moorish elegance and beauty in all its richness, circulated unimpeded for centuries throughout the peninsula of Spain, particularly in cities like Cordova, Seville, Toledo, Granada, Malaga, Saragossa, Lisbon, Jaen and Salamanca, among others and the South of France. Then from there it radiated to other parts of France, Germany and the rest of Europe and across the Channel to England. Thus manifold influences from the civilisation of Islam bathed European life in their radiance in diverse ways. Neither Roger Bacon nor his later namesake introduced the experimental method into science. Roger Bacon, like many other earlier European scientists, was just one of the messengers who brought Muslim science and method to Christian Europe.
