

# Lady Midnight Series

Ying-Ying Zheng

**What is a female or gender neutral form of gentleman that relays ...** For work-place specific gender-neutral politically-correct terms refer to the answer by @third-news. Otherwise, as Elliot Frisch has suggested, lady is the term you want. But in my opinion, if you're talking about clients of yours, be gender neutral. Lady can have negative implications in this setting because it is often used in a negative fashion, e.g. That lady wouldn't stop talking ... *etymology - Why is "bloody hell" offensive or shocking? - English ...* Nov 12, 2011 · It seems to me that if one describes hell as 'bloody', that is simply describing one of the properties you'd expect of it. So, why is 'bloody hell' used as an offensive or shocking phrase? *What is the origin of the saying, "faint heart never won fair lady"?* Having heard the phrase, "faint heart never won fair lady" for the third time in very short span, I'm determined to find out its origin. Unfortunately, when I Google, I'm getting a bunch of low-q... **meaning - Can you still call a woman "handsome"? - English ...** I have always tried to understand the use of the word handsome in letter to a lady friend, but refrained from doing so, because I didn't know whether the word would be a thoughtful gesture or insulting. I have heard from many that the use of beautiful for a guy, when said by a woman, was also considered less than being referred to as handsome, but this one handsome/beautiful ... *grammaticality - Lady's Ladies' or ladies - English Language* Feb 22, 2019 · This has puzzled me for some time. What is the possessive plural for of lady? The lady's shoes? The ladies' shoes? Also, which for of lady do you use when addressing more than one female? Good morning Ladies or Good morning Lady's? *How to address a formal letter to a group of women* Jun 14, 2017 · How do you address a formal letter to a group of women - i.e. the equivalent of Dear Sirs, for women? **Why is "bloody" considered offensive in the UK but not in the US?** Jul 22, 2022 · I don't think it's obscene so much as profane. By one theory, "Bloody" in this context is a contraction for "by our lady", essentially swearing by the Virgin Mary (Bloody in Wikipedia). Other similar oaths include "blimey" (God blind me) and "gadzooks" (by God's hooks (hands)). As to why "Bloody" is considered obscene/profane in the UK more than in the US, I ... *word choice - The use of the term 'gentlewoman' - English ...* May 22, 2017 · There are sometimes difficulties with using 'ladies' or 'lady' alone, but that is another longer question entirely to address all those contexts. But for this question, the answer is easy. You don't want to use the word 'gentlewoman' in almost all circumstances. **What is the origin of the term "toots" to refer to a woman?** My cat is called Toots. Partly because she has white paws (tootsies = toes), and partly because of the "gangster's moll" associations. But mainly because when I first got her she had an

all-black sister, and for a while I toyed with calling them Tootsie and Smudge after Bootsie and Snudge. In the end I went off that and called the black one Shadow, but Toots just kinda "stuck". [Origin of "milady" - English Language & Usage Stack Exchange](#) Sep 22, 2011 · Yes, milady comes from "my lady". Milady (from my lady) is an English term of address to a noble woman. It is the female form of milord. And here's some background on milord: In the nineteenth century, milord (also milor) (pronounced "mee-lor") was well-known as a word which continental Europeans (especially French) whose jobs often brought them into contact ...
