William Cowper

My Daddy Yusuph Koni, 2021-08-18 Do fathers love their children more than the mothers do? Why or why not? Yusuph is Tanzania Congolese boy who born and grow in Tanzania with unaware of his mother's (Tecla) and father's (Joseph) love for him because of some complicated situation. As Yusuph grew up, he longed to live with his family but at the end he received bad news of Joseph's death. I literally can't remember what was my dad looks like, or his voice, or anything about him but there are still some missing pieces of him deep down inside me that I brought into my countless dreams of him. Father will say they love their children just as much as their Mothers, but it looks different on the outside. He buried him in his mind, and transform almost every aspect of his live, he decided to pursue his new dream of not letting his children go through the life he went through. Yusuph and Samir were selected by the college to study abroad. Father tend to love their children in the way they perceive is the best but mother love their children in the way they can best perceive it. So, from children's perspective, the father's love may seem to be less than the mothers. Samir explore Yusuph's life situation to accomplish writing his own novel. ... He's committed to reading as many novels as he can, hoping that one day he'll find something to write about in his novel, but still, I wish I could tell my life story so he could write something... THE BEGINNING OF NOVEL WITHIN A NOVEL. Later on Yusuph find out that, before Joseph death, he left special love message for him about his steps sister, Clementine who live in Drc Congo. It is very difficult for Yusuph to go meet his step sister because he want to spend most of his time with his girlfriend (Naomy) for his future family. As time goes by pain of loosing Joseph never leaves Yusuph. The foot prints our loved ones leave on our souls are permanent. Never to be filled with another. Never forgotten. They live on in our memories and in our hearts. The importance of fatherhood extend beyond a provider. Keep that in mind. Yusuph couldn't deal with the future while he didn't clean all of his past memory. Now we're all together and we can't shake hands... We can't kiss... Hugging each other is a test for us... Having sex is also a problem.... I don't think if we will get married... Bearing children is a dream... Mother's love is mild while father's love is shape. They are different but neither is dispensable. Instead to go study abroad, he go to meet Clementine because she is the one who will restore all the love he had for Joseph without care if there a civil war. Yusuph's heart-beat, thump-thump -- His finger is taking up trigger-slack. He holds off as Justine (Rebel) continues to drag Clementine backward into the woods... So yeah, I think fathers love their children, but they way they express it can sometimes be misunderstood or undervalued.

The 5th Season: New year ku (books 1 & 2 of 4) Robin D. Gill,2007 In this book, the first of a series, Robin D. Gill, author of the highly acclaimed *Rise, Ye Sea Slugs!* and *Cherry Blossom Epiphany*, the largest single-theme anthologies of poetry ever published, explores the traditional Japanese New Year through 2,000 translated haiku (mostly 17-20c). The New Year, R.H. Blyth once wrote, is a season by itself. That was nowhere so plain as in the world of haiku, where *saijiki*, large collections called of *ku* illustrating hundreds, if not thousands of briefly explained seasonal themes, generally comprised five volumes, one for each season. Yet, the great doyen of haiku gave this fifth season, considered the first season when it came at the head of the Spring rather than in mid-winter, only a tenth of the pages he gave to each of the other four seasons (20 vs. 200). Was Blyth, Zen enthusiast, not enamored with ritual? Or, was he loath to translate the New Year with its many cultural idiosyncrasies (most common to the Sinosphere but not to the West), because he did not want to have to explain the haiku? It is hard to say, but, with these poems for the re-creation of the world, Robin D. Gill, aka *keigu* (respect foolishness, or respect-fool), rushes in where even Blyth feared to tread to give this supernatural or cosmological season - one that combines aspects

of the Solstice, Christmas, New Year's, Easter, July 4th and the Once Upon a Time of Fairy Tales - the attention it deserves. With G.K. Chesterton's words, evoking the mind of the haiku poets of old, the author-publisher leaves further description of the content to his reader-reviewers. The man standing in his own kitchen-garden with the fairyland opening at the gate, is the man with large ideas. His mind creates distance; the motor-car stupidly destroys it. (G.K. Chesterton: Heretics 1905)

It is also said in 1 Corinthians 15:49: And as we have borne the image of the man of dust, (Adam) we shall also bear the image of the heavenly Man (Jesus). It is also stated in 1 Corinthians 2:16 we have the mind of Christ. Take the time to make your Spiritual Family your Highest Priority above all persons, places and things. Transform yourself as Candice has done and always have Christ on your mind. Live without worries through the power of prayer. She prays that you read this book and gain the knowledge to live a life of victory on this earth and for all eternity. Amen!

Satan's Whispers Robert Don Hughes, 2006-09-01 Liar . . . lies . . . the father of lies. Can you hear Satan's whispers? Which of his lies bind you? Robert Don Hughes writes, I know the voice within me well--I've heard it all my life. . . . It is sometimes patient-sounding, sometimes playful, sometimes naughty, sometimes devious, sometimes abusive--sometimes frightening. It seeks always to give me permission to do evil. It prompts me to harm myself in the name of fun. It taunts me, calling me names that hurt me names that have had power over me since my childhood, names that prompt me to lash out , to act in ways that I would really rather not. And it criticizes me--constantly--a never-ending stream of cynical, personally targeted satire that leaves me angry, defensive, and depressed. Oh, I know the voice well. I hear it daily. Do you? Satan did many things to block the writing of this book. He may be telling you that you don't need to read it. If you've heard Satan's whispers, you need this book learn of his lies and find the power to break the lies that bind you!

Freemasonry in Black and White Charles Harper,2013-08-20 For too long, the norms of society found its way into Freemasonry, and have influenced the moral compass of a Masonic Lodge, instead of the beauty of Freemasonry being taught, and sending this light into the world within enlightened minds that produces a better society. This has created a domino effect of high visibility with negative repercussions that is gaining traction with the ability of masons to communicate, and see masonry practiced in all parts of the world like never before. Now is the time to halt the slide and get back to the foundation and intent of the craft. This book is the baring of my thoughts, mistakes and ultimately- my clarity of mind and spirit. This book is my story, my ideas, and my vision to a better social climate within the Fraternity. It is my humble experience in Black and White.
