Moby Jane Gerry Gilbert, 2004 Why, it's a whale of a book! Here comes Moby Jane - again! Originally published in 1987 and long out of print, Moby Jane contains ten years' worth of Gilbert, poem by poem, that literally spill out over its edges - the book begins on the front cover and ends on the back! Eli Mandel calls Gilbert 'an extraordinary, intelligent experimentalist, ' and Coach House has just gotten wind that this classic tome has been chosen for National Poetry Month 2004 as one of the ten all-time must-read books of Canadian poetry.

Twelfth Night William Shakespeare, 2020-01-03 William Shakespeare's Twelfth Night is a comedy about a brother and sister pair that are shipwrecked off the coast of Illyria and are separated. Viola, the sister, must assume the identity of a man to earn a living in the home of Duke Orsino, who is in love with the Lady Olivia. Twelfth Night, Or What You Will is a comedy by William Shakespeare, based on the short story Of Apolonius and Silla by Barnabe Rich. It is named after the Twelfth Night holiday of the Christmas season. It was written around 1601 and first published in the First Folio in 1623. The main title is believed to be an afterthought, created after John Marston premiered a play titled What You Will during the course of the writing.

A School Built on Ethos James Handscombe, 2021-03-30 In A School Built on Ethos: Ideas, assemblies and hard-won wisdom, James Handscombe explores how schooling is more than gaining qualifications, how learning is more than exams, and how academic success comes more readily to those who have grasped this idea. Harris Westminster Sixth Form has had enormous success in providing an academic education for students of all socio-economic backgrounds. This success is grounded in the development of a scholarly ethos that guides students and staff into successful habits - driven by a clear vision for the community and communicated through everything that the school says and does. In this book, founding principal James Handscombe takes readers through the school's development and illustrates its journey by sharing a selection of the assemblies that have underpinned and elucidated its ethos. In doing so he offers guidance on how such a staple of school life can be used to shape a community, and shares transferable lessons on how assemblies can be planned and delivered effectively. Furthermore, James discusses the challenges the school faced during its creation and offers an improved understanding of how academic and scholarly learning can be delivered and developed in a school - whether it be newly formed or already established. He also asks the fundamental question of how schools can encourage and enable

disadvantaged young people to aspire to and engage in academic enquiry. Suitable for both established and aspiring school leaders, especially those who are thinking about the kind of school they would like to run and how they can shape it.

Semiotics of Drama and Theatre Herta Schmid,Aloysius Van Kesteren,1985-01-01 The volume presents perspectives in the theory of drama and theatre that are new for the following reasons: 1) the contributions reflect the international cooperation in developing drama and theatre as well as its theories; 2) this collection is the first attempt of presenting papers within the context of (Analytical) Theory of Science; 3) it is the first consistent set of papers starting from semiotics as a meta-theory. The volume is divided into four sections: I Fundamental of Theatre Research, II Theory of Drama and Theatre, III Descriptive Theatre Research, IV Applied Theatre Research. The fifth and final section offers a selective bibliography of analytical approaches to drama and theatre.

Twelfth Night William Shakespeare, 2015-04-14 Named for the twelfth night after Christmas, the end of the Christmas season, *Twelfth Night* plays with love and power. The Countess Olivia, a woman with her own household, attracts Duke (or Count) Orsino. Two other would-be suitors are her pretentious steward, Malvolio, and Sir Andrew Aguecheek. Onto this scene arrive the twins Viola and Sebastian; caught in a shipwreck, each thinks the other has drowned. Viola disguises herself as a male page and enters Orsino's service. Orsino sends her as his envoy to Olivia—only to have Olivia fall in love with the messenger. The play complicates, then wonderfully untangles, these relationships.
