Too Good to Be True Susan Coventry, 2020-06-03 Is he for real or Too Good to Be True? Since Stacy's marriage failed, she hasn't had much luck with dating. However, she has a great job, wonderful friends, and a huge stack of romance novels to get lost in. What more does she really need? When she's asked to train her boss's nephew, she expects him to be no different from her other trainees. She certainly didn't expect him to be a hot, younger man like the hero in her current book club pick... Nick moved from Florida to Michigan to take a temporary job working for his aunt. He doesn't intend on staying, and he certainly didn't intend to fall for the older woman who was assigned to train him. If only she'd stop fighting their attraction and give him a chance... Stacy desperately tries to convince herself that Nick isn't the guy for her. Besides being her boss's nephew and several years younger than her, he's only in Michigan temporarily. What good would it do to get involved with him? Never mind that he's sweet, sexy, and smart, and he makes her toes curl. Just like the heroes in her romance novels, he must be... Too Good to Be True. Too Good to Be True, an older woman younger man romance, is book one of the Kiss & Tell Book Club series.

An Older Woman Loving a Younger Man Bradley Preston, Maureen Preston, 2008-11 What could they possibly have in common? She's old enough to be his mother. I just don't see how it could ever work. Have you ever been confronted with one

of these statements because you're with someone younger? You are about to embark on a journey that will change your mind about May/December relationships. So many times in life people make judgments about one another based solely upon the traditions of the sect of society in which they were raised. More times than not their judgments are wrong, simply because they've chosen to base them on incomplete information. Once they have all the pertinent information concerning that subject their perception changes drastically. Changing people's perceptions is precisely why we wrote this book. Our hope is that once people read this book about our lives they will see that love truly does conquer all. Society says it's OK for a much older man to date a much younger woman. Yet when it comes to a much older woman dating a much younger man the double standard is revealed. Love truly transcends all of our societal misinformation. Love does not look at age, appearances, wealth, health, or any of the other ridiculous limitations that humans have put on relationships. Love knows no boundaries. It's not limited by our finite thinking. Love is the pure essence of two souls merging to become one. This is our story of two souls becoming one.

Romance Fiction Kristin Ramsdell,2012-03-02 A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

ivy league college grad with a musician's soul. Brought together by chance, held together by attraction, one magic spring turns into a summer they will never forget. The Quiet of Spring is a Cougar Love Story about one housewife's chance at forbidden romance. "Simultaneously sweet and sexy." Julia can't seem to put a finger on what's missing from her life. She has a successful husband, three happy children, and a beautiful home in an affluent neighborhood that she loves. Why does she feel so alone? Why isn't everything she has enough to make her happy? I loved this story...The characters were believable and lifelike. I have to admit, I fell in love with Julia myself. When Tyler, a tall, handsome college grad who is trying to get out from under the thumb of his wealthy father, moves in next door for the summer, he takes an immediate interest in Julia's daily life. She feels like a schoolgirl again. He fills her days with delight and her heart with passion in a way she thought was lost to her forever. "...both titillating and romantic in the true sense of the word, difficult to achieve in this genre." Tyler's pull on Julia's heartstrings is stronger than even her husband's, but is it stronger than her dedication to her children? Is their flirtation merely a crush, or could it-should it-be more? "My heart was pounding and I couldn't put it down!" This emotional romance takes you through the ups and downs of a summer affair between an older woman who is stuck in a troubled marriage and the younger man who offers her a second chance at life. Diamonds in the Dust Charmaine Pauls, 2020-05-19 "She's a pretty wildflower destined for my brother's vase. I'll make her mine, even if how I do it will make flowers wilt." A DARK FRENCH MAFIA ROMANCE Men like us, we see things. We do things, things that make us unfeeling. That's the price of power and money, of living la belle vie and running the French mafia. Then she came along like a pretty wildflower pushing through the cracks on a dirty pavement - fragile yet resilient, a breath of beauty among the filth. She was supposed to be just another job, a nameless person I was to pluck from her life and hand to my brother, nothing but a pawn in the gamble of our diamond business.
