I Slept With And Divorced My Devils Joseph Rozeau,2016-03-15 I Slept with and Divorced My Devils is a true story of triumph over tragedy. It is the story of a child desperate to survive despite the adversities within a dysfunctional family. It is also the story of Joseph Rozeau, who survived years of abuse and neglect to forge his own path. The atrocities he experienced created a vicious cycle that followed him through the better part of his life, until a series of events forced him to realize the need to break the cycle. Taking stock of his life and his future, Joseph worked hard to change his thinking and his behaviour. By breaking the cycle, he was able to understand the detriment he was doing to himself and consciously change his behaviours for the better. I Slept With and Divorced My Devils recounts how a young child survived parents with psychiatric disorders, alcohol addiction, and domestic violence issues. How he and his siblings were failed by his extended family, the child welfare system, and despite the odds, was able to become a police officer and provide a stable home for his own child. He endured many hardships and failures to finally to reach a state where he could let go of the past, take responsibility for his decisions, and envision a positive future....

The Best Mistake I Ever Made Nina Haliburton, 2024-04-30 This book is about getting up after the Fall. It's about steadfast trust and truth in God and His Word. Even in our weakest moments, God remains the same. He doesn't change because we encounter situations. This book is about the flesh, feelings, and faith. It's about God's faithfulness even when

aren't. It's about the effects of sin, shame, remorse, regrets, and The Redeeming Power of God's Faithfulness. It's about the Get Up because the fall ain't final. It's about the Blessed assurance of conviction, repentance, confession, correction, and counsel. I will forever proclaim God is faithful and can be trusted. In life, we will be tested, tried, and tempted. Those are facts! But the Truth is when we trust the truth of God's Word, He causes us to triumph in Christ Jesus every time. God can be trusted with our ups, downs, ins, and outs, yes's, and help me's. So with great honor and appreciation, I expose my lesson, because faithful is He who has called us He will also do it. He will perfect and perform those things that concern us. Scripture says in Revelations 12:11 KJV "And they overcame him by the blood of the Lamb, and by the word of their testimony, and they loved not their lives unto the death". I pray as you find yourself in life's twists and turns, you will always know that God cares, He can and He will. He's no respecter of persons...HE SO LOVED! His love covers a multitude of sins and He can be trusted! He's not like us, He never gives up on us! So as you read this memoir, know there's always a Come up and Come out in God. God is the Answer and His Answer is Jesus. Period! Sincerely shared, Love Sister Nina Haliburton (Daughter of the King)

Your eyes and ears are windows to your spirit. Feed them wisely whenever possible. The Importance of Acknowledging Childhood Trauma in the Clinical Field Rita Ballantyne, 2024-05-23 There is a distinct lack of discussion pertaining to the lasting damage narcissistic parents inflict on their children, a shortfall so intense that some of the victims themselves don't recognise the harm done to them either, or accept the abuse as being their fault. One of the saddest things is that most children or grown-up survivors never get help or relate their lifelong relationship troubles back to their real origins. They are often categorised by society as having only suffered emotional abuse at best. It is disappointing how lots of professionals and, in particular, physicians and counsellors, minimise the pain those who have lived through lasting emotional trauma are feeling and the impact it has on the patients' physical and psychological well-being. Don't judge and condemn what you don't understand. By taking the reader through my own personal journey dealing with this kind of abuse, I aim to present how detrimental emotional abuse can be and try to bridge that above mentioned gap in general knowledge.

Hurting Kids Michelle Mary Lelwica, 2024-08-01 *Hurting Kids* explores religion's impact on Americans' beliefs about justice and on teenagers who get in trouble with the law. Why do many of us assume that punishment is an appropriate moral response to crime? How have diverging Christian narratives about divine punishment and God's mercy supported different responses to juvenile wrongdoing? What do these competing notions of justice imply for youth offenders today, nearly all of whom have been violated by the unjust and traumatic circumstances of their lives? Weaving together research on the juvenile justice system, theological analysis, self-examination of white privilege, and the stories and perspectives of incarcerated youth, *Hurting Kids* asks us to understand and care about the complicated humanity of a population of teenagers who are often deemed not only delinquent but dispensable. Sharing snippets of her conversations with incarcerated youth, Lelwica demonstrates that whatever harm these kids have inflicted on others is rooted in the painful experiences they have survived--experiences that are shaped by systemic injustices that benefit people with privilege. Ultimately, *Hurting Kids* challenges common assumptions about guilt and innocence, while advocating for a kind of justice for youth that promotes equity, compassion, accountability, and healing for all.

Home In Heaven With Jesus Janet Chase, 2019-04-30 "They went home to Heaven to be with Jesus," is what my Mother always told us, after a loved family member or friend died. I was just a child then and believed her. Their faith in Jesus Christ as their Savior was what enabled them to enter Heaven. How do we know this to be true? In the Bible, Romans 10:9 states, "If you declare with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead, you will be saved." Also, Romans 10:13 states, for, "Everyone who calls on the name of the Lord will be saved." Come along with me, on my journey. As I share, how as a child I did believe my Mother and shared her faith. As I grew older, I learned that although my parents had a strong faith in Christ; I needed to have my own. From the moment we are created, we have an eternal soul. We are all God's children, created in the image of God. We will live forever in the presence of God or be separated. Our choice to live with God has eternal consequences. I have said many "goodbyes," to those I love and look forward to seeing them again in Heaven. Learn how I found my joy and my hope of Heaven and how you can too!

Wide Open Spaces Jim Palmer, 2007-12-02 Jim Palmer's critically acclaimed *Divine Nobodies* was only half the story - the deconstruction and shedding of a religious mentality that hindered his knowing God. In his next book, Jim takes the reader along into the wide open spaces of exploring and experiencing God beyond religion. Jim writes, It is no secret that God can be lost beneath the waving banner of religion. *Divine Nobodies* is my story of how this happened to me. Sometimes you have to disentangle God from religion, even Christ from Christianity, to find the truth. With the help of some unsuspecting nobodies, I uncovered a new starting line with God. As I've put one foot in front of another, I've experienced God in ways that are deeply transforming. Each chapter revolves around a central question related to knowing God on fresh terms: Is God a belief system? Is the Bible a landing strip or launching pad? Can what we're feeling inside be God? Are we too religiously minded to be any earthly good? Brian McLaren wrote, I am tempted to say that Jim Palmer could well be the next Don Miller, but what they have in common, along with an honest spirituality and extraordinary skill as storytellers, is a unique voice. The Library Reviews said of him, Jim Palmer's casual, yet compelling writing style cuts through the religious rhetoric and gets to the real issues...readers will love this author! His sense of humor is alternately mixed with shocking sentences and poignant

moments. Laced throughout is a refreshing honesty that ties his ideas together with a ribbon of reality...each turn of the page strips away a little more of the contrived mystery of Christianity until the simplicity and sincerity of it stands in realistic splendor. More and more people seek a deeper spirituality beyond status-quo religion. Others are left empty and weary from a shallow and narrow pop-Christianity. Palmer says that God's kingdom of love, peace, and freedom can be a present reality in any person's life. He proclaims that God is indeed in the process of birthing something deep and wide among unlikely people in unconventional ways, which is changing the world...one nobody at a time.
