On Loss and Living Onward Melissa Dalton-Bradford, 2014-05-06 After experiencing the loss of her first-born son, Melissa Dalton-Bradford thrust herself into literature searching for those who have experienced similar, devastating loss. What she found was comfort and guidance to help her overcome the pain of losing a loved one and the faith to face her own life without him. In *On Loss and Living Onward*, she has compiled the best resources that will guide the living through the process of grief. Superbly written essays by author and bereaved mother accompany each of five sections: Life at Death; Love at Death; Living After Death; Learning From Death; Life, Love, and Light Over Death. Quotes are from across history, geography and the philosophical spectrum. A substantial bibliography and suggested readings list is included.

Passion, Death, and Spirituality Kathleen Higgins, David Sherman, 2012-05-30 Robert C. Solomon, who died in 2007, was Professor of Philosophy and Quincy Lee Centennial Professor of Business at the University of Texas, USA. As the first book comprehensively to examine the breadth of Solomon's contribution to philosophy, this volume ranks as a vital addition to the literature. It includes a newly published transcript of Solomon's last talk, which responded to Arindam Chakrabarti on the concept of revenge, as well as the considered views of prominent figures in the numerous subfields in which Solomon worked. The content analyses his perspectives on the philosophy of emotion, virtue, business ethics, and religion, in addition to philosophical history, existentialism, and the many other topics that held this prolific thinker's attention. Solomon memorably defined philosophy itself as 'the thoughtful love of life', and despite the diversity of his output, he was most drawn by central questions about the meaning of life, the essential role that emotions play in finding that meaning, and the human

imperative to seek 'emotional integrity', in which one's thoughts, emotions, and actions all contribute to a coherent narrative. The essays included here draw attention to the interconnections between the issues Solomon addressed, and evince the manner in which he embodied that integrity, living a life at one with his philosophy. They emphasize the central themes of passion, ethics, and spirituality, which threaded through his work, and the way these ideas informed his views on how we should approach grief and death. The multiplicity of topics alone make this keystone work an enlightening read for a full spectrum of students of philosophy, providing much to ponder and recounting a subtle and shining example of the emotional integrity Solomon worked so hard to define.

London Fiction at the Millennium Claire Allen, 2020-09-28 This book analyses London fiction at the millennium, reading it in relation to an exploration of a theoretical positioning beyond the postmodern. It explores how a selection of novels can be considered as "second-wave" or "post-postmodern" in light of their borrowing more from mainstream and classical genres as opposed to formally experimental avant-garde techniques. It considers how writers utilise the cultural capital of London in a process of relocating marginalized, subjugated or under-represented voices. The millennium provides an apt symbolic opportunity to reflect on British fiction and to consider the direction in which contemporary authors are moving. As such, key novels by Martin Amis, Bella Bathurst, Bernardine Evaristo, Mark Haddon, Nick Hornby, Hanif Kureishi, Andrea Levy, Gautam Malkani, Timothy Mo, Will Self, Ali Smith, Zadie Smith, Rupert Thomson, and Sarah Waters are used to explore writing beyond the postmodern. 'In this significant and welcome contribution to the field, Allen provides us with a sophisticated, detailed, and rigorous study of the move in contemporary fiction beyond postmodernism as exemplified by London fiction.' —Nick Hubble, Brunel University London, UK

A Deeper Darkness J.T. Ellison, 2018-07-16 Discover where it all began in book one of J.T. Ellison's heart-racing Sam Owens series... As a medical examiner, Samantha Owens knows her job is to make sense of death. But since the day the Tennessee floods took her husband and children, she has been pulled into a suffocating grief no amount of workaholic ardor can penetrate—until she receives a peculiar call from Washington, D.C. On the other end of the line is an old boyfriend's mother, asking Sam to do a second autopsy on her son. Eddie Donovan is officially the victim of a vicious carjacking, but under Sam's sharp eye the forensics tell a darker story. The ex-Ranger was murdered, though not for his car. Forced to confront the burning memories and feelings about yet another loved one killed brutally, Sam loses herself in the mystery contained within Donovan's old notes. The tale told between the lines makes it clear that nobody's hands are clean, and that making sense of murder sometimes means putting yourself in the crosshairs of death. David Bergelson's Strange New World Harriet Murav, 2021-12-22 A contemporary evaluation of Bergelson and his works, examining Yiddish literature, Jewish culture, and modernism. David Bergelson (1884-1952) emerged as a major literary figure who wrote in Yiddish before WWI. He was one of the founders of the Kiev Kultur-Lige, and his work was at the center of the Yiddish-speaking world of the time. He was well known for creating characters who often felt the painful after-effects of the past and the clumsiness of bodies stumbling through the actions of daily life as their familiar worlds crumbled around them. In this contemporary assessment of Bergelson and his fiction, Harriet Murav focuses on untimeliness, anachronism, and warped temporality as an emotional, sensory, existential, and historical background to Bergelson's work and world. Murav grapples with the great modern theorists of time and memory, especially Henri Bergson, Sigmund Freud, and Walter Benjamin, to present Bergelson as an integral part of the philosophical and artistic experiments, political and technological changes, and cultural context of Russian and Yiddish modernism that marked his age. As a comparative and interdisciplinary study of Yiddish literature and Jewish culture, this work adds a new, ethnic dimension to understandings of the turbulent birth of modernism. Harriet Murav treats Bergelson with the care and sincerity that literary critics have shown other important writers. This is a masterpiece of literary scholarship that will be sure to transform not only how people read Bergelson and who chooses to read Bergelson, but how readers engage with the entire concept of modernism itself. —David Shneer, author of *Yiddish and the Creation of Soviet Jewish Culture: 1918-1930*

The Antiques Kris D'Agostino, 2017-12-05 On the night of a massive, record-breaking hurricane, George Westfall, an upstate New York antique store owner and father of three, lays dying. As his wife Ana seals up the storefront, their adult son Armie hides from the outside world as he always does, immersed in woodwork and thoughts of the past. In New York City, Armie's older brother Josef, a sex-addicted techie, is fighting to repair his broken relationship with his daughters. And out in Los Angeles their sister Charlie's career as a Hollywood publicist is crumbling. For the Westfalls, Murphy's Law is in full effect. Their patriarch dies as the storm hits town, flooding the store and ruining Josef's business negotiations. Charlie is desperately trying to set a movie starlet straight, while handling her son's expulsion from preschool and her wayward husband. And Armie, who's still in love with his high school crush Audrey, can't even muster the courage to leave his

childhood home. Only when the children reunite to sell their father's beloved heirloom painting do they discover their real fortune lies elsewhere. A rollicking tableau of family life in all its messy complexity, like the best of Meg Wolitzer and Tom Perrotta, *The Antiques* is hilarious, heartbreaking, nimble, and observant. Complete with deeply flawed, affectionately rendered characters and an irresistible plot, Kris D'Agostino's unforgettable novel is about the unexpected epiphanies that emerge in chaos, and the loved ones who help show us who we really are--
