After finding out her military husband is missing in action, middle sister Sloane's world crumbles as her worst nightmare comes true. She can barely climb out of bed, much less summon the strength to be the parent her children deserve. Her mother, Ansley, provides a much-needed respite as she puts her personal life on hold to help Sloane and her grandchildren wade through their new grief-stricken lives. But between caring for her own aging mother, her daughters, and her grandchildren, Ansley's private worry is that secrets from her past will come to light. But when Sloane's sisters, Caroline and Emerson, remind Sloane that no matter what, she promised her husband she would carry on for their young sons, Sloane finds the support and courage she needs to chase her biggest dreams—and face her deepest fears. Taking a cue from her middle daughter, Ansley takes her own leap of faith and realizes that, after all this time, she might finally be able to have it all. Harvey's signature warmth and wit make this a charming and poignant story of first loves, missed opportunities, and second chances and proves that she is the next major voice in Southern fiction" (Elin Hilderbrand, New York Times bestselling author).

The Summer of Songbirds Kristy Woodson Harvey, 2025-04-29 Four women come together to save the summer camp that changed their lives and rediscover themselves in the process--

*Paula Deen* Paula Deen, 2007-04-04 Do you know the real Paula Deen? You may think you know the butter-loving, finger-licking, joke-cracking queen of melt-in-your-mouth Southern cuisine. You may have even visited The Lady & Sons to taste for yourself the down-home delicacies that made her famous and even heard some version of her Cinderella story (a single mom with two teenage sons started a brown-bag lunch business with \$200 and wound up with a thriving restaurant, a fairy-tale second marriage, and wildly popular television shows), but you have never heard the intimate details of her often bumpy road to fame and fortune. Courageously honest, downright inspiring, and just a little bit saucy, Paula shares the highs and lows of her life in the inimitable charming and irreverent style that you know from her television shows and personal appearances. She talks about long childhood summers spent in a bathing suit and roller skates and hard years living in the back of her father's gas station; a buzzing high school social life of sleepovers, parties, cheerleading, and boys; and a difficult marriage. The death of her beloved parents precipitated a debilitating agoraphobia that crippled her for years. But even when the going got tough, Paula never lost the good grace and sense of humor that would eventually help carry her to success and stardom. Of course, you can't get by on charm alone: as Paula has learned, you need plenty of willpower, hard work, and, above all, the love and support of family and friends to finance, sustain, and run a successful restaurant. In each chapter, Paula shares new recipes: there's serious comfort food like her momma's Chocolate-Dippy Doughnuts, Courage Chili for when you know life's going to get tough, Sexy Oxtails for seducing that special someone, and the recipe for her new mother-in-law's Banana Nut Delight Cake that Paula finally got just right. And you'll love the never-before-seen photos of her family. In this memoir, Paula Deen speaks as frankly and intimately as few women in the public eye have ever dared. Whether she's telling tales of good times or bad, her story is proof that the old-fashioned American dream is alive and kicking, and there still is such a thing as a real-life happy ending.
