Children's Liturgy of the Word 2016-2017: A Weekly Resource Mary A. DuQuaine,

Children's Liturgy of the Word 2017-2018 Ann Dickinson Degenhard, The essential guide for prayer leaders who facilitate a separate Liturgy of the Word with children on Sundays and Holydays of Obligation.

Catalogue of Vocal Solos and Duets Arranged in Biblical Order James Laster, Diana Reed Strommen, 2003 The second edition of A Catalogue of Vocal Solos and Duets Arranged in Biblical Order serves as a companion volume to A Catalogue of Choral Music Arranged in Biblical Order (Second edition, 1996, and supplement, 2001, both published by Scarecrow Press). It is a necessary tool for the church musician to coordinate music with the scripture readings and/or the sermon topic and a valuable aid to the vocal soloist seeking a work using a particular biblical text. The work serves as a working document for the church musician, soloist, or voice teacher. Titles are arranged in the same order as found in the Bible. Each entry contains title, composer, voice range/type, and publisher information. Two indexes are also included: a title index and a composer index.

Preparing a Catholic Funeral Kenneth Koehler, 2012-08-01 In a revised and expanded edition, this simple pamphlet continues to guide us in dealing with death and arranging in advance for funerals. These booklets are often purchased in bulk by institutions to distribute to people of all ages to help them plan final arrangements, or to families of the deceased immediately after a death. The original edition was prompted by the death of the author's father: upon his passing and pending funeral, no one knew his plans or directives. Since then, scores of clergy, funeral directors, and parishioners have used this guide to address what needs to be done.

Children's Liturgy of the Word 2010-2011 Maureen Kelly, 2010-05-10

Night Falls Fast Kay Redfield Jamison, 2011-01-12 Critical reading for parents, educators, and anyone wanting to understand the tragic epidemic of suicide—"a powerful book [that] will change people's lives—and, doubtless, save a few (Newsday). The first major book in a quarter century on suicide—and its terrible pull on the young in particular—Night Falls Fast is tragically timely: suicide has become one of the most common killers of Americans between the ages of fifteen and forty-five. From the author of the best-selling memoir, *An Unquiet Mind*—and an internationally acknowledged authority on depression—Dr. Jamison has also known suicide firsthand: after years of struggling with manic-depression, she tried at age twenty-eight to kill herself. Weaving together a historical and scientific exploration of the subject with personal essays on individual suicides, she brings not only her remarkable compassion and literary skill but also all of her knowledge and research to bear on this devastating problem. This is a book that helps us to understand the suicidal mind, to recognize and come to the aid of those at risk, and to comprehend the profound effects on those left behind.

Catalogue of Choral Music Arranged in Biblical Order James H. Laster, 1996-06-11 This second edition of Laster's Catalog combines in one volume the listings from the first catalog with the voluminous material that has appeared since 1973, more than doubling the number of citations. It is designed as an aid for the church musician and/or pastor seeking to plan unified worship services. It will also be of use to those church musicians who follow the Liturgical Calendar and plan music appropriate to the appointed lessons, as well as a source for non-church choir directors who would like to locate choral settings based on a particular passage from Scripture. Entries are arranged from Genesis through Revelation. Each main entry citation provides the biblical reference (book, chapter, and verse), as well as a reference to additional passages from

Scripture used in the anthem. The composer, arranger, or editor and the title are listed as they appear on the octavo. Information on voicing, solos, and instrumental accompaniment is noted; the name of the publisher, the most recent date of publication and the octavo number appear at the end of each citation, where information on instrumental parts, other versions of the same title, and collections where the work might appear are also listed. Composer and title indexes round off the work.

And the Dead Shall Rise Steve Oney,2023-04-12 The definitive account of one of American history's most repellent and most fascinating moments, combining investigative journalism and sweeping social history Years later, the tale of murder and revenge in Georgia still has the power to fascinate...Intense, suspenseful." —The Washington Post Book World In 1913, 13-year-old Mary Phagan was found brutally murdered in the basement of the Atlanta pencil factory where she worked. The factory manager, a college-educated Jew named Leo Frank, was arrested, tried, and convicted in a trial that seized national headlines. When the governor commuted his death sentence, Frank was kidnapped and lynched by a group of prominent local citizens. Steve Oney's acclaimed account re-creates the entire story for the first time, from the police investigations to the gripping trial to the brutal lynching and its aftermath. Oney vividly renders Atlanta, a city enjoying newfound prosperity a half-century after the Civil War, but still rife with barely hidden prejudices and resentments. He introduces a Dickensian pageant of characters, including zealous policemen, intrepid reporters, Frank's martyred wife, and a fiery populist who

manipulated local anger at Northern newspapers that pushed for Frank's exoneration.
