As always, Nintendo creates the ideal video game cocktails to help us cope with the realities of social isolation and quarantine during the coronavirus pandemic - even more so if we play online with friends. With my extensive (OK, obsessive) knowledge of the series, I'm frequently asked about the latest installment. As a result, I decided to compile tips (including some from my colleagues!) and responses to questions that even I had to look up. Here are some suggestions for making the most of your island vacation.
