**Leondrei Prince**

**Money in the Streets** Barry Habib, 2020-10-27 A never-ending testament of how overpowering negative forces leads to living our greatest potential. Money in the Streets is more than one man's journey in hard-knocks New York. It's more than the recounting of risking it all to win. Told with heart and laced with the sentiment of tremendous gratitude, Barry Habib deftly weaves tales of his upbringing to take the reader back in time. From his childhood, where he'd pick up the discarded toys of other children because he had so few of his own to play with on into the sales world, where Habib got creative as a sort-of street vendor, Money in the Streets blends humor and hardship through the incredulous moments of Habib's life. He wrote this book to answer a compulsion to share what worked for him as he scaled the ladder—creating multiple successful companies, growing into an international speaker, and frequenting major media networks as well as producing various entertainment productions—most notably as the driving force and lead producer of one of the longest-running shows on Broadway (later made into a film): Rock of Ages. Habib offers his life as proof that you can keep going no matter what. He shares some of his most painful memories while also exulting in personal and business triumphs to encourage everyone to aim for the same. Of particular note are the mindset tactics in Money in the Streets that are road-tested and personal practices of Habib, who treats each day as a reason to be thankful. No matter the struggle, whether self-doubt, negativity, loss, stress, or being “stuck” in life, Money in the Streets is a resolution roadmap. An easy read that will play on the reader's every emotion, this standout work and Habib's voice are unforgettable. He writes as if you are the only person in the room...because to Habib, you are.

Forever Street Jatavious Turner,2025-02-20 This book is dedicated to the unsung heroes of the urban landscape, the resilient spirits who navigate the treacherous streets and find strength in the face of adversity. It's for the mothers who raise their children amidst the sirens and the gunfire, who instill hope where despair often reigns. It's for the fathers who strive to provide for their families, even when the odds are stacked against them, who teach their sons and daughters the value of perseverance and resilience in a world that often seems determined to break them. It's for the brothers and sisters who find solace and strength in their bonds, who create their own families within the fractured communities, who build a support system against the backdrop of violence and poverty. This is for those who find beauty in the broken streets, who see potential where others see only despair. It's for the dreamers who refuse to be defined by their circumstances, those who hold onto hope even when the weight of the world feels too heavy to bear. This is for the poets who find rhythm in the chaos, who weave tales of survival and triumph amidst the rubble. It's for the artists who paint vibrant murals on crumbling walls, transforming bleak landscapes into canvases of hope and inspiration. It's for the entrepreneurs who find opportunity where others see only limitations, who build businesses and create jobs in the most challenging environments. This dedication extends to those who have lost their lives to the streets, whose stories remain untold, whose potential was tragically cut short. Their memories serve as a constant reminder of the fragility of life and the importance of striving for a better future. For those who fought for their
