From author and pastor James Merritt, *The God Who Hears* is a 40-day journey designed to help you seek the Lord in every circumstance. Guiding you through the apostle Paul's prayers from prison, Dr. Merritt illuminates how these petitions and praises provide a model for communicating with God today, enabling you to draw nearer to him as you trust his perfect ability to meet your every need. Seeing Is Believing Gregory A. Boyd,2004-04-01 One of the most common problems with Christians in our modern secularized world is that they don't feel the reality of Jesus. Sure, they believe in him and love him, but he somehow doesn't seem to enter their daily lives in a real sense. Some might say, You ought to pray more. Others would advise, You ought to witness more. While this may be true, we don't get closer to God just because we ought to. Boyd believes that the way to true spiritual transformation and feeling the presence of God in your life comes from a little R and R: rest and reality. Boyd encourages readers to stop striving and learn to rest in an experience of Jesus as real. The best way to do this, he says, is through imaginative prayer. Experiencing Jesus will teach readers how to use God's gracious gift of creative imagination to know him better and feel his presence in their daily lives.

The Trouble With Christians Jon Jaroszewski,2014-12-29 What if Jesus is smarter than we think? What if we valued his words like we do other great literature? What if we shrugged off shallow interpretations and looked for cohesive and purposeful insight from the mind of a master communicator? Might we come to a deeper understanding of his vision for humanity? This book attempts to do just that and shows us that the Sermon on the Mount is not just beautiful and profound, it also remains controversial and revolutionary in ways we have forgotten.

Wesley Quotations John Wesley,1990-11 There have been numerous collections of quotations from the writings of John and Charles Wesley since their deaths, but this small collection is unique in several respects: arrangement is by topic; each quotation is accompanied by complete reference to its source and, in addition to quotations from their own writings, a few are from their parents and their older brother Samuel. John Wesley is often eminently quotable...a good selection.--

Faith-Based ACT for Christian Clients Joshua J. Knabb, 2022-07-12 Faith-Based ACT for Christian Clients balances empirical evidence with theology to give mental health professionals a deep understanding of both the why and how of acceptance and commitment therapy (ACT) for Christians. The new edition includes updated discussions in each chapter, more than 20 new and updated exercises, and new chapters on couples and trauma. The book includes a detailed exploration of the overlap between ACT and the Christian faith, case studies, and techniques that are explicitly designed to be accessible to both non-Christian and Christian (including evangelical Christian) counselors and therapists. Chapters also present the established research on Buddhist-influenced mindfulness meditation and newer research on Christian-derived meditative and contemplative practices and lay a firm theological foundation through the use of engaging biblical stories and metaphors.

Jesus, the Powerful Servant Tim Spivey, 2006

Hippie Voices to God's Heart David L. Ream, 2024-01-24 Here is a phenomenological inquiry into the fruitful ministry of Calvary Chapel Costa Mesa's Sunday Morning Worship Service. The purpose was to uncover and explicate the quintessential elements of worship leading from the life experiences of those worship leaders who shared the platform with Pastor Chuck Smith, known as the father of the Jesus Movement. The book examines Calvary Chapel's inauspicious beginnings in a senior citizen trailer park recreation center as it explores key elements of Kay and Chuck Smith's ministry. The church and the couple combined in 1965. By 1968, the church and the Smiths became a spiritual home replete with a spiritual mama and papa, ministering to hippies seeking everlasting love and eternal peace. The fruitfulness of Calvary Chapel's ministry is its ability to reproduce maturing Christians that reproduce maturing Christians. This replication occurred thousands of times as the movement blossomed and spread to new churches and new ministries across the United States and globally. The phenomenon spawned a megachurch movement and birthed the modern Christian worship music industry. The hippies were alternately loathed and loved in their era. Perhaps the hippies' most enduring and endearing contributions to twenty-first-century culture are traced to the Jesus movement.

Enriching Christian Doctrine and Character Ph. D. Michael J. Akers, Akers, 2009-03 God exists as God the Father, God the Son, and God the Spirit. We are God's people who relate to God in each of these manifestations. Thirteen key topics have been selected that cover basic Biblical doctrine on these four descriptors of whom God is and who we are as His children. Each of the fifty-two Biblical topics contain sufficient Scriptural references to enable the reader to fill an entire week looking up each Scripture and learn more deeply about what it is being taught from God's Word.. Each study contains questions for

discussion somewhere in the text or as a separate list and concludes with at least one memorable quote. May each person spending time with this material be blessed by what the Holy Spirit does through these words of learning. May you not only learn a great deal, but also apply what you have learned in serving the Lord by serving others.

Resilience and the Virtue of Fortitude Craig Steven Titus,2006-11 The present study employs the thought of Thomas Aquinas and his sources on fortitude and its related virtues, while taking his dialogal method as a basis for critically appropriating reflections from other perspectives as well. The book offers a renewed, classic vision of the human person and the ordering of the sciences as read through the complementary and, at one level, corrective insights of empirical psychosocial studies on resilience. Such a vibrant natural-law approach to ethical norms and moral development offers guidelines and a framework for understanding human resilience. Moreover, it recognizes a theological transformation of such human capacities--a spiritual resilience--by proposing the New Law of grace, Christ's teaching, and the infused virtues as vital bases for Christian ethics. Craig Steven Titus is research professor at the Institute for the Psychological Sciences, as well as lecturer and researcher at the University of Fribourg, Switzerland.

Adventist Review ,1998

The Bishop and the Apostle Edwina Murphy,2018-09-24 This study examines how Cyprian of Carthage, the most significant bishop in the early Latin tradition, appropriates the canonical Paul. Cyprian, like Paul, is a pastoral theologian, so his pastoral concerns provide a helpful lens through which to study his use of the apostle. These include divine truth and eternal glory; the church's unity, ministry and sacraments; discipline and repentance; and wealth and welfare. Examining Cyprian's use of Paul in these areas allows us to move beyond a simple literal/allegorical paradigm to appreciate the wide range of reading strategies used by Cyprian: model, image, maxim, title, contextual exegesis, direct application, prophetic fulfilment and qualification. It also provides a different perspective on Paul than the one arrived at by privileging a handful of texts. This study of Cyprian's appropriation of Pauline texts therefore illuminates the interplay between text, context and theology in his exegesis. It also deepens our understanding of the early North African hermeneutical tradition and the early reception of Paul.

77 Positive Poetic Gospel Messages Joseph Conboy,2016-06-28 Reader's will experience a little taste of truth and Heaven when reading this book. The book was written by a clinically depressed person and started out as positive songs to help him and others get through rough times in life. The songs then turned into short messages and stories that he thought would be a helpful guide for everyone during these last days: to inspire, comfort, and make one aware of the world around them today. It serves as a tool to get people strong with the word when they need it the most. The works can engage people of all ages. Anyone can help change and inspire the world no matter their struggles, as struggles only truly do make us stronger. This book is intended to give a message for the day or week, and then bunches together and compiles scripture

pertaining to that message. The word will keep you strong, while using different methods to get that word across to keep it fun and feeling new. No matter if one is a new or committed devout Christian; the book gives people the meat and cheese surrounded by the bread of life (Jesus Christ) to help one stay strong. The messages can be used for Gospel songs to help inspire and lift up as well. We all make mistakes, so we can learn firmly how to always overcome them, along with those bumps in the road. A poetry book with many metaphors that will make you want to take another look, as the writer shows how he was once a part of sins hook, and still needs himself a daily look at the word during these perilous times. (2Timothy 3:1-2)
