

Seminario Internacional Teológico Bautista

James Leo Garrett

Ezequiel El Profeta Y Su Mensaje Preston A Taylor, 2005-11 A fresh look at an enigmatic world. The central message of the Book of Ezequiel is God's sovereignty. This book includes 24 themes on Ezequiel's message: Messages warning against the people's rebellion, messages of judgement against pagan nations, on the restoration of the faithful and messages that give a vision of what God will do in the future, according to His sovereign nature. The book also includes review questions. It offers excellent material for sermons and Bible studies.

Los Evangelicos Juan F. Martinez, Lindy Scott, 2009-02-04 Los Evangelicos: Portraits of Latino Protestantism in the United States is a small contribution to a much larger project. It is part of CEHILA's (the Commission for the Study of the History of the Church in Latin America and the Caribbean) effort to write church history from the perspective of those who have had no voice, those who have not been allowed to reflect on their own history. It serves as a call to gather more snapshots of Latino Protestantism, to organize these portraits according to different interpretive schemes, to analyze the photos with their historical contexts in mind, and to utilize these results to challenge the traditional ways in which the history of Christianity in the United States is generally told. This book is proof that there are women and men in the Protestant Latino church in the United States with the ability to carry out these tasks. Yet an exhaustive history of Latino Protestantism in the United States is still missing. The Latino Protestant community needs people to rise up and interpret within wider contexts the stories told in this volume and elsewhere. Telling our stories is both a testimony that God has been present in our pilgrimage and a confession regarding the future. The same God who accompanied us this far will remain among us. Thus, we will keep collecting portraits and preparing to take new snapshots of whatever God may do in the future. Our photo album closes at a dynamic moment for Latino Protestant churches in the United States. From many different perspectives, the authors of this book present a growing, enthusiastic church ready to serve the Lord. The portraits show how much has been done and yet how much remains to do. There are many more stories to tell.

Spiritual Mapping in the United States and Argentina René Holvast, 2009 Referring to U.S. Evangelicalism and Neo-Pentecostalism, this book presents a comprehensive historical description of the movement and concept of Spiritual Mapping, with special attention to theological and anthropological concepts. The result is a fascinating picture of modern Christian Americanism.

Baptist Theology James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology. Embracing in one common trajectory the major Baptist confessions of faith, the major Baptist theologians, and the principal Baptist theological movements and controversies, this book spans four centuries of Baptist doctrinal history. Acknowledging first the pre-1609 roots (patristic, medieval, and Reformational) of Baptist theology, it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists; that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill, Fuller, Backus, and Boyce; and, that were quickened by the 'awakenings' and the missionary movement. Concurrently there were the Baptist defense of the Baptist distinctives vis-a-vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition. Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey, Strong, Rauschenbusch, and Henry in the North and Mullins, Conner, Hobbs, and Criswell in the South even as a distinctive Baptist Landmarkism developed, the discipline of biblical theology was practiced and a structured ecumenism was pursued. Missiology both impacted Baptist theology and took it to all the continents, where it became increasingly indigenous. Conscious that Baptists belong to the free churches and to the believers' churches, a new generation of Baptist theologians at the advent of the twenty-first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal.

Diccionario Ilustrado de la Biblia Wilson M. Nelson, 2001-10-30 En el Diccionario Ilustrado de la Biblia encontrará el marco de conocimientos lingüísticos, geográficos y culturales que usted necesaria para comprender la inmensa mayoría de los pasajes de la Biblia. Entre otras cosas hallará un resumen de cada uno de los libros de la Biblia con su correspondiente trasfondo histórico y cultural, así como definiciones de términos bíblicos y teológicos, y mucho más.

Historia de los Bautistas Tomo 3 Justo C. Anderson, 2003-08

Revolutionary Christianity John Howard Yoder, 2012-01-01 The ambitious and accessible essays collected in this volume were presented by John Howard Yoder during an extensive visit to South America in 1966. Reflecting and also subverting the acknowledged faddish attempt to address the revolutionary nature of Christianity, these lectures provide an illuminating snapshot of Yoder's vibrant initial encounter with Latin American Christianity. In these lectures, he thematically addresses the shape of the free church, the Christian practice of peace, and the place of the church in the midst of revolution. In a manner that betrays his confidence in the eventual triumph of faithfulness, Yoder concludes that the peace-witnessing free church is, by definition, always the community that is the soul and conscience of our revolutionary age.

Latinxs, the Bible, and Migration Efraín Agosto, Jacqueline M. Hidalgo, 2018-10-27 This book examines the conjunction between migration and biblical texts with a focus on Latinx histories and experiences. Essays reflect upon Latinxs, the Bible, and migration in different ways: some consider how the Bible is used in the midst of, or in response to, Latinx experiences

and histories of migration; some use Latinx histories and experiences of migration to examine Biblical texts in both First and Second Testaments; some consider the “Bible” as a phenomenological set of texts that respond to and/or compel migration. Cultural, literary, and postcolonial theories inform the analysis, as does the exploration of how migrant groups themselves scripturalize their biblical and cultural texts.

An Evangelical Saga Justice Anderson,2005-08

The A to Z of the Baptists William H. Brackney,2009-09-16 With 110 million members worldwide, Baptists are surpassed only by Roman Catholic and Orthodox groups as the largest segment of Christians. The term Baptist has its origins with the Anabaptists, the denomination historically linked to the English Separatist movement of the 16th century. Although Baptist churches are located throughout the world, the largest group of Baptists lives in the Southern United States, and the Baptist faith has historically exerted a powerful influence in that region of the country. The A to Z of the Baptists relates the history of the Baptist Church through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on important events, doctrines, and the church founders, leaders, and other prominent figures who have made notable contributions. This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609.

Kingdom Without Borders Miriam Adeney,2009-11-18 The twenty-first century has opened with a rapidly changing map of Christianity. While its influence is waning in some of its traditional Western strongholds, it is growing at a phenomenal pace in the global South. Miriam Adeney has lived, traveled and ministered widely. In this book she pulls back the veil on real Christians around the world--their faith, their hardships, their triumphs and, yes, their failures--and shares the inspiring and challenging story of a kingdom that knows no borders.

La industria del creer Joaquín Algranti,2013-09-01 Éste es un libro sobre libros y otros objetos culturales que comparten entre sí el hecho de ser mercancías religiosas, productos de consumo masivo que se distinguen de otros de apariencia similar por las marcas espirituales que portan y los diferencian al inscribirlos en una tradición específica. Los materiales que aquí se estudian habitan los circuitos más o menos definidos de un nicho del mercado en el que es posible encontrar libros de todo tipo y género, música en su variante litúrgica, devocional o recreativa, prédicas grabadas, películas, documentales, objetos de librería, distintivos, réplicas de santos y budas, cosmética, accesorios terapéuticos e incluso ropa ritual o de uso cotidiano. De acuerdo con la intensidad de las marcas podemos identificar un producto con una confesión específica y saber si se trata de una mercancía de impronta católica, evangélica, judía o propia de las grandes religiones de Oriente. El libro hace foco en el pequeño-gran mundo de los productores de bienes culturales que fabrican estas mercancías para un sector específico del mercado. Aquí se destaca fuertemente la industria editorial como un complejo productivo con historia dentro de las distintas religiones. Sin embargo, se abordan también otro tipo de productores relacionados, por

ejemplo, la música, los programas evangélicos de radio, los cursos de la Fundación El Arte de Vivir, los cuadernillos de capacitación en bioética católica, la publicación de un diario confesional (El Puente), la oferta cultural de productoras evangélicas y la figura del autor consagrado que representa Bernardo Stamateas. Se trata, en definitiva, de toda una cultura material de signo religioso. Las cosas del creer dependen, en más de un sentido, de las fuerzas sociales que moviliza la industria.

Bases Bíblicas de la misión Varios, 2020-06-20 Por primera vez en la historia, un número creciente de iglesias protestantes en América Latina está cooperando en la formación de sociedades misioneras interdenominacionales y enviando misioneros a muchos lugares de ultramar, especialmente a África, Asia y Europa. Por otra parte, hay muy poca reflexión misionológica. La mayor parte de la literatura que se usa en los cursos y encuentros sobre la misión ha sido traducida del inglés y generalmente se caracteriza por su pragmatismo. En lo que atañe al estudio de la base bíblica de la misión, existe un gran vacío. Ni en castellano ni en portugués hay nada comparable a *Transforming Mission* por David Bosch. La presente obra surgió de la toma de conciencia de este vacío a la vez que del considerable crecimiento, en estos últimos años, del número de estudiosos bíblicos que bien podían ser desafiados a estudiar y escribir un libro sobre el tema propuesto. El proyecto pudo concretarse gracias a la consecución de fondos, por parte de la Fundación Kairós de Buenos Aires, del Research Enablement Program (REP) del Overseas Ministries Study Center (OMSC) de New Haven, Connecticut, Estados Unidos, para realizar una serie de consultas con el propósito de producir el libro. Las consultas se llevaron a cabo entre mayo de 1995 y marzo de 1996, convocadas por la Fraternidad Teológica Latinoamericana, en colaboración con tres centros de reflexión teológica: el Centro Kairós de Discipulado y Misión (Buenos Aires), el Centro Evangélico de Misiología Andino-Amazónica (Lima) y la Comunidad Teológica (Méjico). La presente obra es una primicia en la producción teológica evangélica en América Latina. Aunque con algunos vacíos en lo que respecta al canon bíblico, cubre prácticamente toda la Biblia, de la cual hace una lectura misionológica contextual.

CFTE 12- Hermenéutica Carlos A. Villanueva, 2018-09-30 El presente libro es parte de una serie de libros que tiene como objetivo principal, la formación ministerial, orientándola a la capacitación de hombres y mujeres con el llamamiento de Dios a cumplir con un servicio pastoral, misionero, evangelizador y de servicio a la iglesia local. Sus contenidos, orientados al ejercicio práctico del ministerio, siguen dos claros argumentos: la reflexión y la acción o aplicación. El libro se orienta a iluminar la mente, nutrir el espíritu, desafiar la conciencia y sobre todo capacitar al pueblo de Dios para la obra de servicio, para edificar al cuerpo de Cristo (Efesios 4.12 NVI). Carlos H. Spurgeon, el gran predicador, dijo en uno de sus sermones: La verdad es más dulce cuando acaba de salir de la Roca abierta, por eso leer la Palabra de Dios por uno mismo es la manera más segura de crecer en la gracia. Sin embargo, si el primer paso es leer la Biblia y reflexionar sobre ella, a esto, se le debe seguir su aplicación. Pero, ¿cómo aplicarla si no se la ha comprendido? Cuando hablamos de entender (comprender e

interpretar) la Biblia, debemos tener presente la importancia de tener una idea clara de su contenido, saber cómo penetrar en el mismo texto y reconocer su intención. Por lo tanto, debemos conocerla y entender su sentido, a fin de poder aplicar a la vida diaria y a sus demandas tanto espirituales como humanas en nuestro caminar diario. Como entender la Biblia es un curso práctico de hermenéutica dividido en tres grandes áreas: • La interpretación de la Biblia • La interpretación frente al texto bíblico • Camino y resultados de la interpretación Nos ayudará a cumplir el desafío y responsabilidad de disfrutar de lo que representa el estudio e interpretación de la Escrituras.

Evangelicals Around the World Thomas Nelson,2015-07-14 There are an estimated 600 million Evangelicals in the world today, crossing cultures, histories, languages, politics, and nationalities. *Evangelicals Around the World: A Global Handbook for the 21st Century* introduces the fastest-growing segment of the global Christian church to the world and to each other. Bringing together a team of multi-disciplined scholars, writers, activists, and leaders from around the world, this handbook provides a compelling look at the diverse group we call Evangelicals. In this guide, written by those who know the movement the best, the issues that divide and the beliefs that unite this global Christian movement are presented in a journalistic fashion. *Evangelicals Around the World* describes the past and the present, the unique characters, and the powerful ministries of Evangelicals. With a large trim size and colorful page design, this beautiful book is the perfect choice for laypeople and scholars alike. Features include: Essays written by senior leaders of the movement and newer voices with fresh perspectives Articles written by journalists convey diverse and creative perspectives on ministry Essays provide the demographic details of Evangelicals in regions around the world Maps, graphs, photographs, quotes, and mini-profiles of evangelical heroes throughout time

[Historical Dictionary of the Baptists](#) William H. Brackney,2021-02-15 Baptists are a major group of Christians with a worldwide presence. Originating in the English Puritan-Separatist tradition of the 17th century, Baptists proliferated in North America, and through missionary work from England, Europe, and North America, they have established churches, associations, unions, missions, and alliances in virtually every country. They are among the most highly motivated evangelists of the Christian gospel, employing at present in excess of 7,000 domestic and overseas missionaries. Important characteristics of the Baptists across their history are: the authority of the Scriptures, individual accountability before God, the priority of religious experience, religious liberty, separation of church and state, congregational independence, and a concern for the social implications of the gospel. Baptists recognize a twofold ministry (deacons and pastors) or a threefold order (deacons, elders, pastors). *Historical Dictionary of the Baptists*, Third Edition expands upon the second edition with an updated chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on important events, doctrines, and the church founders, leaders, and other prominent figures who have made notable contributions.

Reminiscences of an Octogenarian Bruce M. Metzger,1995-09-01 Bruce Manning Metzger's memoirs trace his life from

his childhood in the Pennsylvania Dutch country and his student years at Princeton through his distinguished career of teaching, writing, lecturing, and editing. Professor Metzger's work has won him the gratitude of both biblical scholars and the larger Bible-reading public. His text-critical work on the New Testament is reflected in the standard Greek text now used and appreciated by scholars worldwide. His efforts on the Revised Standard and New Revised Standard versions of the Bible helped produce the readable, accurate English translations used for study and devotion by so many. His work on The Reader's Digest Bible and The Oxford Companion to the Bible has made the Bible more accessible for an untold number of readers. In these memoirs, Professor Metzger's own words put a human face on his monumental scholarly achievements. The wide array of stories and vignettes--from Senator Joseph McCarthy's attack on RSV committee members and Metzger's audiences with the pope to the time Professor Metzger and other members of the NRSV committee had to crawl out of a library window to get to their dinner--offer the reader a personal insight into some of the twentieth century's crucial developments in the text and translation of the Bible.

Mis hijos me vuelven loca Alejandra Stamateas, 2015-12-14 Tienes un potencial como mujer y como madre que necesitas descubrir. Actuar en libertad te permitirá estar en paz contigo misma y con tu familia. En Mis hijos me vuelven loca, Alejandra Stamateas recorre las dificultades a las que se enfrentan las madres en la actualidad y ofrece un enfoque positivo para transitarlas. El diálogo permanente, la autoridad sin maltrato, el sentido del humor, la comprensión y el estímulo constante son herramientas que están al alcance de todas las madres para encarar la crianza de los hijos con confianza y alegría. Con la premisa de que ser madre no significa dejar de ser mujer, la autora explora, además, los caminos para fortalecer la autoestima y las capacidades propias. Así, seguras de sí mismas, las madres pueden ofrecerles a sus hijos afecto, guía y apoyo en cada etapa de sus vidas.

Sé que puedo más Alejandra Stamateas, 2015-12-14 Fortalecer nuestra confianza es esencial para avanzar hacia cualquier objetivo que nos propongamos: comenzar un nuevo trabajo, formar una pareja, tener un hijo, hablar en público, vender un producto o ascender en la empresa. Pero, muchas veces, sentimos que eso que añoramos nos queda grande, que no estamos preparadas, que no podemos. Alejandra Stamateas, autora best seller y conferencista inspiradora de mujeres, nos da las claves para pasar de la pasividad a la acción con Sé que puedo más. Un libro con ejercicios para elevar nuestra autoestima e ir en busca de aquel sueño para hacerlo realidad.

Mis emociones me dominan (Nuevo diseño) Alejandra Stamateas, 2015-12-14 Durante años se les ha enseñado a las mujeres que es más seguro no expresar emociones negativas. ¡Menos aún hablar de ellas! Y así muchas transitan la vida reprimiendo lo que sienten, callando y entregando su voz y su derecho a ser felices, a los demás. Mis emociones me dominan es un desafío al público femenino para ponerse de pie, liberarse de mitos, mandatos y creencias erróneas y así vivir de acuerdo a su propia identidad. A lo largo de sus páginas, encontrarás las herramientas necesarias para aprender a expresar

tus emociones sin que ellas te dominen, motivándote y, sobre todo, teniendo fe en ti misma y en tu Creador. Una vez más, Alejandra Stamateas te invita a emprender un viaje por las profundidades de tu mundo interior para descubrir tus potencialidades, tal vez dormidas hasta ahora, y alcanzar la cima de una vida plena y feliz. La invitación está hecha...
