*Things Have Gotten Worse Since We Last Spoke And Other Misfortunes* Eric LaRocca, 2022-09-06 Amongst the Top 50 Horror Books of All Time - Cosmopolitan Three dark and disturbing horror stories from an astonishing new voice, including the viral-sensation tale of obsession, *Things Have Gotten Worse Since We Last Spoke*. For fans of Kathe Koja, Clive Barker and Stephen Graham Jones. Winner of the Splatterpunk Award for Best Novella. A whirlpool of darkness churns at the heart of a macabre ballet between two lonely young women in an internet chat room in the early 2000s—a darkness that threatens to forever transform them once they finally succumb to their most horrific desires. A couple isolate themselves on a remote island in an attempt to recover from their teenage son’s death, when a mysterious young man knocks on their door during a storm... And a man confronts his neighbour when he discovers a strange object in his back yard, only to be drawn into an ever-more dangerous game. Three devastating, beautifully written horror stories from one of the genre’s most cutting-edge voices. What have you done today to deserve your eyes?

*A Finger and a Foot* Matthew Caputo, 2016-07-08 An archeological team discovered a mysterious relic clutched in the skeletal hands of an old woman at the floor of the Mediterranean Sea. The ship never made it to shore. Years later, two children were abducted from their bedrooms on opposite sides of Washington, DC. A note left behind detailed the torture of their abductor and invited the FBI into a game for their safe return. This note led the investigators to two serial killers, one incarcerated and one not. A terrifying, millennia-old mystery has come to the surface, and a woman, shrouded in evil, has become the mastermind of all their worst nightmares.

Of course things are never straightforward in the dating world. Is fate knocking at her door with Dennis, the charming and down-to-earth mailman, or should she be with Ted, the business tycoon who seems ready to make her size-inclusive swimsuit brand a reality? And what should she do about her ex, who shows up unexpectedly, eager to reconnect? With the same candor and confidence her followers love, Sturino presents her debut novel and brings us Sunny Greene, a Carrie Bradshaw for the next generation. **Fortunate Sum** M. Ullrich, 2016-03-15 Catherine Carter earned her spot as one of New York's top financial advisors by following the rules and reaching her every goal. The same applies to Catherine's personal life. Her next self-imposed deadline is looming, and all that's left to do is to meet the perfect man. At her friend's urging, skeptical Catherine meets with a psychic who tells her to look for the color blue, and that's when life spirals from her control. Prospective client, quirky Imogene Harris, is reluctant to hire anyone to help with her inheritance, but when she sees what's being offered, she has a change of heart. Catherine denies her attraction to Imogene. Imogene is falling for the woman behind the numbers. Not even a rocky start, secret past, or misinterpreted predictions can stop the women from being drawn to one another. Together they learn that perhaps blue isn't the color of sadness after all...

*Advisers Or Advocates?* Orlaigh Quinn, 2008 This book uses a case study methodology with quantitative and qualitative elements, and draws on interviews with senior policy-makers in government departments and the chief executives of selected agencies. The role of government departments, in establishing agencies and working in an increasingly agencified environment, is crucial. It appears that policy-making is relatively unchanged, which calls into question the openness of government departments to expert body advice. The book concludes that the contribution of agencies is not significant in policy advice. Therefore, agencification may not be the most appropriate institutional response to social inclusion problems.--BOOK JACKET.

**The Left Behind** Robert Wuthnow, 2019-04-30 How a fraying social fabric is fueling the outrage of rural Americans What is fueling rural America's outrage toward the federal government? Why did rural Americans vote overwhelmingly for Donald Trump? And is there a more nuanced explanation for the growing rural-urban divide? Drawing on more than a decade of research and hundreds of interviews, Robert Wuthnow brings us into America's small towns, farms, and rural communities to paint a rich portrait of the moral order—the interactions, loyalties, obligations, and identities—underpinning this critical segment of the nation. Wuthnow demonstrates that to truly understand rural Americans' anger, their culture must be explored more fully, and he shows that rural America's fury stems less from economic concerns than from the perception that Washington is distant from and yet threatening to the social fabric of small towns. Moving beyond simplistic depictions of America's heartland, *The Left Behind* offers a clearer picture of how this important population will influence the nation's political future.

Finding Your Peace Within the Chaos Alexa Servodidio, 2016-03-22 Alexa Servodidio, LCSW is the author of *Finding Your Peace Within the Chaos* and Host on her radio show *Insight into Healing*. While preparing to write this book, Alexa decided to start each chapter with a question from her radio show. Her vision is to provide each reader with at least one educational tool for them to utilize and then share it with another. Giving back and paying it forward are the principles she bases her book, her show, and her life on. She wishes to thank everyone for joining her on this journey. Praise received for *Finding Your Peace Within the Chaos* In her radio show and now in her book, Alexa brings to the forefront the challenges that people often suffer from in silence, including heroin addiction, anxiety, and domestic violence. Drawing from her vast experience as a therapist, she provides empathy, knowledge, and paths for change and healing. - Lauren Priday, MA, LCSW My overall experience with Ms. Servodidio's book was excellent. I read the book in 2 days and could not put it down. For example, I am a social work student and this book really touched on poignant stories, and also focused on current issues and epidemics. She interviewed people, and made people aware of their stories and struggles. It also provided me ways to examine, use tools, and to think critically about future clients that I may come in contact with in the future. This is truly a very inspiring book and I am looking forward to a Part 2. I really found my peace within the chaos. - Mary-Kay Kallergis

*Conspiracy and Imprisonment, 1940-1945* Dietrich Bonhoeffer, 2006-06-12 This volume, published in the year of the one hundredth anniversary of Bonhoeffer's birth, documents Bonhoeffer's life under the increasing restraints and fateful events of World War II Germany. In hundreds of letters, including ten never-before-published letters to his fiancée, Maria von Wedemeyer, as well as official documents, short original pieces, and a few final sermons, the volume sheds light on Bonhoeffer's active resistance to and increasing involvement in the conspiracy against the Hitler regime, his arrest, and his long imprisonment. Finally, Bonhoeffer's many exchanges with his family, fiancée, and closest friends, demonstrate the affection and solidarity that accompanied Bonhoeffer to his prison cell, concentration camp, and eventual death.
