

A Touch Of Darkness Movie

Gerald F. Heaney

The Art of American Screen Acting, 1912-1960 Dan Callahan, 2018-02-27 Some people claim that audiences go to the movies for the genre. Others say they go for the director. But most really go to see their favorite actors and actresses. This book explores the work of many of classic Hollywood's influential stars, such as James Cagney, Bette Davis, Cary Grant and Katharine Hepburn. These so-called pre-Brando entertainers, often dismissed as old fashioned, were part of an explosion of talent that ran from the late 1920s through the early 1950s. The author analyzes their compelling styles and their ability to capture audiences.

Only A Touch Delancey Stewart, 2023-02-28 From USA Today bestseller Delancey Stewart: A touching new standalone romance in the Kasper Ridge series; I've got a plan to get out of this tiny town and off to the adventure I've been dreaming of. I'm just missing one tiny thing to pull this plan off... a boyfriend. I've been running the Kasper Ridge Guides and Gear shop since after high school. And for a long time, it's been enough. But when I final in a contest to win the adventure of a lifetime, I'm ready to head out and see the world outside this tiny Colorado town. The only problem? My inside source says the contest organizers want to give the prize to a couple. And I'm decidedly single. Luckily, I've become good friends with Travis, a ridiculously handsome, intimidatingly large former fighter pilot. He's unavailable in every sense of the word. Or at least that's what I think...until we kiss in a moment of passion I never expected. And then suddenly, leaving town doesn't

seem like such a great plan. Pretending to be in love with Travis isn't hard, and the cameras following us around for the week capture some footage that make it look it's not too hard for him, either. But then an "unresolved issue" from Travis's past shows up at the resort and reminds me exactly why I don't date tall, gorgeous men in the first place.

White Richard Dyer, 2013-10-18 White people are not literally or symbolically white; nor are they uniquely virtuous and pure. Racial imagery and racial representation are central to the organisation of the contemporary world but, while there are

many studies of images of black and Asian people, whiteness is an invisible racial position. At the level of racial representation, whites are not of a certain race. They are just the human race, a 'colour' against which other ethnicities are always examined. In *White*, Richard Dyer looks beyond the apparent unremarkability of whiteness and argues for the importance of analysing images of white people. Dyer traces the representation of whiteness by whites in Western visual culture, focusing on the mass media of photography, advertising, fine art, cinema and television. Dyer examines the representation of whiteness and the white body in the contexts of Christianity, 'race' and colonialism. In a series of absorbing case studies, he discusses the representations of whiteness in muscle-man action cinema, from Italian 'peplum' movies to the Tarzan and Rambo series; shows the construction of whiteness in photography and cinema in the lighting of white and black faces, and analyses the representation of white women in end-of-empire fictions such as *The Jewel in the Crown*, and traces the disturbing association of whiteness with death, in vampire narratives and dystopian films such as *Blade Runner* and the *Aliens* trilogy.

A Touch of Stardust Kate Alcott, 2016-01-26 Julie Crawford left Fort Wayne, Indiana with dreams of being a Hollywood screenwriter. Unfortunately, her new life is off to a rocky start. Fired by the notoriously demanding director of *Gone With the Wind*, she's lucky to be rescued by Carole Lombard, whose scandalous affair with the still-married Clark Gable is just heating up. As Carole's assistant, Julie suddenly has a front-row seat to two of the world's greatest love affairs. And while Rhett and Scarlett—and Lombard and Gable—make movie history, Julie is caught up in a whirlwind of outsized personalities and overheated behind-the-scenes drama ... not to mention a budding romance of her own.

Masculinity at the Movies Thomas Keith, 2025-06-05 *Masculinity at the Movies* takes a deep dive into masculinity in film and how Hollywood movies continue to produce and promote masculine stereotypes that place boys and men in constraining identities and dysfunctional patterns of behaviour. From classic film stars to those of the present day, this textbook unpacks the development of the main male stereotypes in film - villains, heroes, and oafs - and how movies can develop healthy new male representations. Alongside Hollywood studio productions, it delves into Black, Native American, Latino, and Asian representation as well as LGBTQ masculinity. Going beyond the present, it proposes what healthy masculinity at the movies looks like and where Hollywood should set its sights to create more progressive models of masculinity for the 21st century. *Masculinity at the Movies* will provide students of gender studies, media studies, and cultural studies with new insights into stereotypes of men in contemporary film.

One More for the Road Rajko Grlić, 2021-10-15 Recounts the life and career of Croatian filmmaker Rajko Grlić in the form of a lexicon of film terms tied to anecdotes spanning Grlić's life. "I read a lot this year. Old, new, borrowed, blue. This was the best. The paradox of reading something so avidly that you can't put it down and then I got to the last 20 pages slowing down to a snail's pace and reading so slowly so that it wouldn't be over so quickly."—Mike Downey, European Film Academy From his post-Nazi-era childhood in Yugoslavia to his college years during the 1968 invasion of Prague, the Yugoslav dissolution wars, and his subsequent exile in the United States, these personal stories combine to provide insight into socialist film industries, contextualizing south Slavic film while also highlighting its contacts with Western filmmakers and film industry. From the introduction by Aida Vidan: The one hundred and seventy-seven film terms provide sometimes a direct and at other times a metaphoric path to Grlić's stories and concurrently serve as a self-referential mechanism to comment on a series of film attributes. The entries can be read in any order, allowing for the reader's own "montage" of the book's universe.... Grlić adroitly captures the absurdities and paradoxes in one's life resulting from the sort of tectonic shifts with which East European history abounds.

Full Circle: Escape from Baghdad and the Return Saul Silas Fathi, 2005-09-14 AWARDS RECEIVED In addition to being selected a finalist in Foreword Magazine, the book also won the 2005 Distinguished Honor Award from the Military Writers Society of America. The link can be viewed at www.militarywriters.com/awards.htm Introduction Full Circle: Escape from Baghdad and the Return chronicles a prominent Iraqi Jewish family's escape from persecution, through the journey of one family member, a young boy, who witnesses public hangings and the 1941 Krystallnacht (Farhood) in Baghdad. After a dangerous escape from Iraq akin to a Sephardic Schindlers List, this ten-year-old begins a lifelong search for meaning and his place in the world. This journey takes him to the newly-formed nation of Israel, then to Brazil, and eventually to the United States, where he serves in the US Army in Korea, works in top level positions with three Fortune 500 companies, starts several businesses, and volunteers to assist the FBI after September 11, 2001. This chronicle strives to explore questions of meaning such as: Does hardship taint the lure of adventure for any young man? What sustains hope? Does a persecuted Jew ever feel at home anywhere? This young man's journey and subsequent identity crisis interfaces with historical happenings in the world and brings an understanding of the culture and contributions of Sephardic Jews. There has been much written about the Jewish population in Germany and Europe and what they suffered, but little is known about Sephardic Jews who have also been persecuted in other countries, especially in Iraq, a country of which we as Americans have some familiarity, but know very little about. PRESS RELEASE CONTACT: Saul Silas Fathi (631) 232-1638 fathi@optonline.net Full Circle: Escape From Baghdad and The Return Published Author by Saul Silas Fathi December 5, 2005 (Central Islip, NY) Historical conflicts, persecution and social unrests have always forced people to leave their

The Message Behind the Movie Douglas M. Beaumont, 2009-05-01 Some Christians denounce nearly every move that Hollywood produces; others celebrate even the most morally and artistically questionable. While most Christians can agree on the cultural importance of films, very few are able to interpret movies with insight and understanding. Apologetics professor and film lover Doug Beaumont wants moviegoers to become more informed viewers, by better grasping the cinematic techniques and genre considerations that filmmakers use to communicate their central themes. He also wades into hot-button issues of nudity, violence, and language in movies, helping Christians to more carefully evaluate celluloid depictions of sin. Packed with quote and excerpts from many of Hollywood's most successful films-and from some of the indie favorites that have gained cult followings-*The Message Behind the Movie* is a fun and enlightening look at the art from that defines our age.

The Cult Film Experience J. P. Telotte,2014-02-19 Play it again, Sam is the motto of cult film enthusiasts, who will watch their favorite movie over and over, beyond all reason. What is the appeal of cult movies? Why do fans turn up in droves at midnight movies or sit through the same three-hanky classics from Hollywood's golden era? These are some of the questions J. P. Telotte and twelve other noted film scholars consider in this groundbreaking study of the cult film. The book identifies two basic types of cult films—older Hollywood movies, such as *Casablanca*, that have developed a cult following and midnight movies, most notably *The Rocky Horror Picture Show*. Telotte, Bruce Kawin, and Timothy Corrigan offer thought-provoking discussions about why these two types of movies become cult films, the sort of audience they attract, and the needs they fulfill for that audience. Subsequent essays employ a variety of cultural, feminist, ideological, and poststructural strategies for exploring these films. In a section on the classical cult film, the movie *Casablanca* receives extensive treatment. An essay by T. J. Ross considers *Beat the Devil* as a send-up of cult films, while another essay by Wade Jennings analyzes the cult star phenomenon as personified in Judy Garland. Midnight movie madness is explored in essays on *The Rocky Horror Picture Show*, movie satires of the 1950s, science fiction double features, and horror thrillers. Illustrated with scenes from favorite movies and written for both fans and scholars, *The Cult Film Experience* will appeal to a wider audience than the usual suspects.
