**Appunti di geografia** Claudio Minca, 2022

**Critical Perspectives on Social Constructions of Nature** Sara Bonati, Margherita Cisani, Marco Tononi, Giacomo Zanolin, 2025-05-13 This book explores the commodification of nature with a particular emphasis on how this process is perpetrated by capitalist societies. Through the example of Italy, the book presents another lens to observe landscapes and natures and the different actors, both human and non-human, involved in their production. It draws on critical geography perspectives to unveil the socionatural dynamics that form the basis of the commodification of Italian natures. It examines how the social construction of nature in Italy produces peculiar effects on ecologies and landscapes as well as on human and non-human bodies, and how alternative socionatures emerge. The book is written primarily for scholars, particularly in human, cultural and critical geography, political ecology, cultural studies as well as heritage, tourism, sustainability and urban studies. It will also be of interest to policymakers and planners in nature conservation, landscape planning and heritage management.

**Geografia filmica** Elisa Bignante, Maurizio Memoli, 2025-05-30T00:00:00+02:00 È possibile fare ricerca geografica producendo film e video come metodo di indagine, come strumento di confronto e apprendimento, come forma espressiva e linguaggio comunicativo, come approccio sensibile alla ricerca e al campo. Questa è la tesi espressa dagli autori che, a partire dalla narrazione di esperienze di studiose e studiosi che producono film per fare ricerca (film geografico) e dal racconto di percorsi in cui sono gli abitanti e le comunità stesse a tenere la camera in mano (video partecipativo), delineano gli elementi concettuali, teorici, metodologici ed epistemologici della strana, ricca e coinvolgente pratica di chi studia lo spazio geografico filmandolo. Il volume, arricchito dalle testimonianze “dal campo” del collettivo di ricerca Cobra Collective e di Martina Loi e Alice Salimbeni, è indirizzato alla comunità geografica italiana e alle scienze sociali più in generale, così come a un pubblico più vasto di artiste, videomaker, facilitatrici e operatori del terzo settore.

Scrivere la Terra Claudio Ferrata, 2024-07-30T00:00:00+02:00 Scritte da un autore che ha praticato la geografia sotto varie forme, queste pagine contengono una presa di posizione per la stessa disciplina, accessibile agli studenti e non solo. A quali domande risponde la geografia, fortemente presente nella nostra vita quotidiana? A molte e assai diverse fra loro. Per esempio: perché certi luoghi suscitano in noi una grande attrazione? Dove decidiamo di risiedere? Qual è la collocazione

pertinente per una scuola all'interno di una regione? Quale è la dimensione spaziale di un'epidemia? Quale è stata e qual è oggi la funzione di questa scienza? Quali opportunità professionali offre? Come sta cambiando?

The Routledge Handbook to Auschwitz-Birkenau Sarah M. Cushman, Joanne Pettitt, Dominic Williams, 2025-08-12 This handbook examines Auschwitz-Birkenau as both a site and a symbol of Nazi genocide. Scholars from a range of disciplinary perspectives consider Auschwitz's history by engaging with Holocaust historiography and its place in Holocaust memory and representation, illustrating their mutual influence. The chapters bring new insights to topics that other studies of Auschwitz have explored before, such as the Sonderkommando, the Czech family camp, and literary representations of Auschwitz. Other chapters cover recent developments and more neglected areas, such as the experience and memory of Romani prisoners, the fate of Soviet prisoners of war, and Auschwitz's presence on social media. The handbook also responds to a number of recent trends and new paradigms in Holocaust Studies, including contributions from the fields of Environmental Studies, Spatial Studies, and Gender Studies. As a crucial overview of the topic of Auschwitz-Birkenau and an introduction to its most recent and fruitful scholarly approaches, this handbook will be a valuable resource for undergraduates from second year and up, as well as for graduate students and researchers seeking a survey of the field.

**Elgar Encyclopedia in Urban and Regional Planning and Design** Kristof Van Assche, Raoul Beunen, Martijn Duineveld, 2023-12-11 This ground-breaking Encyclopedia provides a nuanced overview of the key concepts of urban and regional planning and design. Embracing a broad understanding of planning and design within and beyond the professions, it examines what planners and designers can do in and for a community.

*Politiche europee per il paesaggio: proposte operative* AA. VV., 2016-02-07T00:00:00+01:00 Nell'attuale società, il tema del paesaggio suscita "esigenze" e stimola "attese" di tipo diverso a causa delle tante componenti sociali, scientifiche e culturali che lo coinvolgono, in particolare per la profonda "crisi dei luoghi", quel malessere che si manifesta nelle periferie prive di identità, nelle campagne e lungo le coste spesso sfigurate, nel mutato rapporto tra l'ambiente naturale e le comunità che lo abitano. Per "esigenze" della società contemporanea intendiamo le diffuse aspirazioni nei confronti di un generale miglioramento della qualità della vita, di un cambiamento di rotta nelle politiche di trasformazione territoriale, di una revisione del concetto di tutela e di conservazione da intendere in senso attivo e innovativo con il ripristino della stabilità degli ecosistemi, con un'attenta considerazione dell'identità dei luoghi, un rinnovato e più corretto rapporto con l'ambiente naturale e i valori culturali e sociali del territorio. Le "attese" possono riguardare la maggiore e migliore disponibilità di aree verdi ricreative nelle conurbazioni metropolitane; la bonifica e la riqualificazione dei paesaggi degradati e un corretto riuso delle aree industriali dismesse; il recupero dell'identità culturale e delle connotazioni naturali dei siti storici; un idoneo inserimento di nuove opere nel territorio e un'accurata valorizzazione delle risorse paesistiche da trasmettere alle generazioni future. La "Convenzione Europea del Paesaggio" recupera una centralità strategica, nei confronti del paesaggio,

nelle politiche territoriali e nella considerazione della nostra società, richiamando l'attenzione degli Stati Membri ad una unitarietà di regole e di governo che guidi l'azione umana nel territorio, secondo comportamenti coerenti e azioni sostenibili; sottolinea l'importanza di un'attenzione al paesaggio ed ai suoi valori non solo nei parchi, nelle aree protette o in zone di particolare bellezza, ma in ogni territorio, in tutti gli strumenti urbanistici e nell'attività progettuale in genere.

(Fremd-)Sprache und Qualitative Sozialforschung Cornelia Bading, Kerstin Kazzazi, Jeannine Wintzer, 2025-03-07 Vor dem Hintergrund fortschreitender Internationalisierung von Forschung und Lehre beleuchtet der Sammelband die Spezifika von qualitativer Forschung in und mit mehrsprachig-interkulturellen Kontexten. Ein Augenmerk liegt dabei auf Hürden und Chancen, die sich durch sprachlich diverse Feldforschung und die Arbeit mit multilinguaalem Datenmaterial ergeben. Dem Sammelband gelingt es durch das Zusammenspiel aus theoretisch fokussierten, methodisch orientierten und forschungspraktischen Beiträgen verschiedener Fachrichtungen (u. a. Geographie, Sprachwissenschaft und Sprachdidaktik, Ethnologie bzw. Kultur- und Sozialanthropologie, Translationswissenschaft, Pädagogik, Philosophie, Psychologie, Soziologie), die Komplexität von mehrsprachig-interkultureller Forschung in ihrer Vielfalt greifbar zu machen und diese dadurch inter- und transdisziplinär zu kontextualisieren. Es finden sich facettenreiche Anregungen für Leser\*innen, die konzeptionell an multilingualer Forschung interessiert sind, sowie für jene, die praxisnahe Impulse für die Feldforschung, Datenanalyse oder Ergebnispräsentation in mehrsprachig-interkulturellen Kontexten suchen. Damit ermöglicht der Sammelband einen fundierten Einstieg in die Thematik (Fremd-)Sprache und Qualitative Sozialforschung im Allgemeinen sowie vielseitige Einblicke in konkrete mehrsprachig-interkulturelle Forschungsprozesse. Der Sammelband ist hochrelevant für alle wissenschaftlich arbeitenden Personen – fortgeschrittene Studierende, Nachwuchswissenschaftler\*innen und erfahrene Forscher\*innen –, die eigene qualitative Forschungsprojekte in mehrsprachig-interkulturellen Kontexten umsetzen möchten.

*Bollettino della Società geografica italiana* Società geografica italiana, 2007

**L'Africa delle città / Urban Africa** AA.VV., 2017-12-31 Possenti processi di urbanizzazione stanno modificando a un ritmo incalzante gli scenari sociali, culturali ed economici dell'Africa. Si tratta di un fenomeno di enorme rilevanza non solo per il continente africano e per gli studi africanistici, ma più in generale per le dinamiche globali cui stiamo assistendo negli ultimi decenni. Il fenomeno chiama in causa una molteplicità di approcci, imponendo la collaborazione e il confronto di diverse discipline: storia, antropologia, geografia, economia, politologia, urbanistica, diritto, per citarne solo alcuni. Per favorire un ampio confronto interdisciplinare, il Centro Piemontese di Studi Africani (CSA) ha organizzato – in collaborazione

con l'Associazione Studi Africani in Italia (ASAI), l'Università e il Politecnico di Torino - il convegno L'Africa delle città. Economie, popolazioni, culture (Torino, Palazzo del Rettorato, 16-17 ottobre 2015), che ha visto la partecipazione di più di cinquanta studiosi appartenenti a diverse discipline, distribuiti in una decina di panel tematici. Questo volume presenta contributi rielaborati a partire da tali iniziative, messi a disposizione del pubblico per alimentare il dibattito relativo alle dinamiche di cambiamento in atto nel continente africano. Una riflessione che risulta cruciale anche per la comprensione delle migrazioni in gran parte provenienti dall'Africa, che da alcuni decenni investono il nostro paese.
