*Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today’s Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “Is the Bible only about Israel?” And, if so, how does it affect our Eschatology today? This book answers these hard questions...

**Pale Horse Rider** Mark Jacobson, 2018-09-04 We are living in a time of unprecedented distrust in America... Faith in the government is at an all-time low, and political groups on both sides of the aisle are able to tout preposterous conspiracy theories as gospel, without much opposition. “Fake news” is the order of the day. This book is about a man to whom all of it points, the greatest conspiracist of this generation and a man you may not have heard of. A former U.S. naval intelligence worker, Milton William Cooper published his manifesto *Behold a Pale Horse* in 1991. Since then it has gone on to sell hundreds of thousands of copies, becoming the number-one bestseller in the American prison system. According to *Behold a Pale Horse*, JFK was assassinated—because he was about to reveal that extraterrestrials were about to take over the earth—by his driver, an alien himself; AIDS is a government conspiracy to decrease the population of blacks, Hispanics, and homosexuals; and the Illuminati are secretly involved with the U.S. government to manage relationships with extraterrestrials. Cooper died in a shootout with Apache County police in 2001, one month after September 11, in the year in which he had predicted catastrophe. In *Pale Horse Rider*, journalist Mark Jacobson not only tells the story of Cooper’s

fascinating life but also provides the social and political context for American paranoia. Indeed, with the present NSA situation and countless other shadowy government dealings often in the news, aren't we right to suspect that things may not be as they seem?

**Behold a Pale Horse** Franklin Allen Leib, 2010-04-01 Two men were in Texas the day Kennedy was shot. One was Rupert Justice Tolliver, a poor preacher who boasted that he would one day be President. The other was Cobra, the Rhodesian assassin who, forty years later, would be hired to take Tolliver's life. In between is the story of the millennium: how a man came to power by urging the people of America to take up arms in a Holy War and the variable that Cobra wasn't counting one: Clarissa, the beautiful and ruthless First Lady. A woman who plays both sides of the conflict, and if she had her way, the next millennium will be one of demagoguery, mayhem, and bloodshed. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Frontier America** DAN SHELDON, 2017-12-14 A new age of mankind has begun. A fight over ideology holds the fate of humanity in the balance. The only safe-haven is Frontier America. Time is running out, and it's up to a reluctant young hero to set things right. His name is Jonny Grimsly, and he's caught in a web of deception spun by his own government. The more he knows, the deeper the conspiracy gets. Will he align himself with his sworn enemies to uncover the truth? The pawns are in place in this wicked game of death. Find out who he can trust as the saga of Frontier America unravels.

Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars - Chaplin, Pickford, Fairbanks - to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed Screen World archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions - good or bad! In

addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1 000 photos!
