**Rebecca A. Rogers**

**A Shot In The Dark** Sid Cooper, 2013-06 The peacefulness of the small quiet town is disturbed in the middle of the night when a shot rings out but when the police come to investigate, at first, there are no signs of violence. Then, a trace of blood is found and it is human. There is no body, no cartridge case from the bullet, no-one is brought to hospital with a bullet wound and no-one is reported missing. Detective Sergeant Rob Cording is put in charge of the case and he sends his men door to door to gather information from witnesses. When, a week later, a body is fished out of the sea, Cording begins to fit the clues together and the trail leads from the country where the crime was committed (which is never disclosed), across an ocean to Columbia, Venezuela and Holland

**A Shot in the Dark** Green Peter Green, Peter Green, 2009-10 She could see the lights of the train and the parking lot, but where she was standing was pitch black. She took out her silver vial and unscrewed the top. She scooped out a pile of cocaine with the little spoon and snorted it up one nostril, then the other. It was an exquisite moment as the drug charged through her brain like a stampede of white lightning. Hot damn, she whispered, and gave her head a little shake as she exhaled. She felt so good. So perfect. Because of the deal she'd just pulled off. And the money she was going to make. And handsome Marc, waiting for her in the City with all of that cocaine. A spasm of euphoria coursed through her body in a delicious wave of pleasure. Neurons and endorphins danced in her brain like fireworks on the Fourth of July. She'd never been so happy. She's about to light a cigarette when the lights start to dim. It happens so quickly there's no time to react. There's just a hint of pain, but it's too brief to register. Then there's nothing. Only blackness. And just like that Sandra Ellison's life is at an end. Like someone reached in and turned off the set. Her set. That's how quickly it happened. She was dead before she hit the ground.

**A Shot in the Dark** Harris Livermore Coulter, Barbara Loe Fisher, 1991-01-01 Every week, tens of thousands of children across America are injected with the DPT (diphtheria-pertussis-tetanus) vaccine. The law requires it, and most children will get four DPT shots before they are two years old. But what if one of the components of the vaccine was not safe? What if it caused not only pain, swelling, screaming, and high fever, but also shock, convulsions, brain damage, and even death? And, to make matters worse, what if there were a safer alternative but parents didn't know about it? Wouldn't the government require the drug manufacturers to produce the safer vaccine to protect the lives of the children who might otherwise suffer

the shot's crippling side effects? The answer is, unfortunately, no. *A Shot in the Dark* is a chilling account of just how dangerous the whole-cell pertussis vaccine (the P part of the DPT shot) has proven to be. It provides accurate research into the history of the vaccine's development and usage. It exposes the roles played by the FDA and drug companies. It tells the tragic stories of the young victims of the vaccine. This book is also a guide for rightfully concerned parents who are looking for answers to important questions. What are the warning signs to look for to tell if your child is likely to be sensitive to the vaccine? What should parents ask their doctors about the vaccine and their child's medical profile? What is being done, here and in other countries, to combat this frightening situation? What can parents do now to help? *A Shot in the Dark* is a responsible, eye-opening look at a potential problem that every parent of every young child living in this country must face. Armed with the facts in this important book, parents will be able to make informed decisions about their real medical options. Book jacket.

*A Shot In The Dark...* Willie Mack, 2010-01-13 When all is said and done, one fact remains. On the night of May 11, 1967, a crowd of protestors marched east on Lynch Street, throwing debris at a line of officers. Shots rang out, several people were wounded, one fatally. Who fired the shot in the dark that killed Benjamin Brown, a supposedly innocent bystander who lost his life on his twenty-second birthday? Who knows what really happened that night? Eyewitnesses gave their accounts, then turned around and recanted those statements. This book recounts the happenings of that momentous night from an objective eye. A true-to-life account that will hopefully remind us of justice, If not, bring closure to wounds left by injustice.

*A Shot in the Dark* Lynne Truss, 2018-06-28 The charming first novel in a new comic crime series, from one of Britain's most-loved writers, the incomparable Lynne Truss Brighton, 1957. Inspector Steine rather enjoys his life as a policeman by the sea. No criminals, no crime, no stress. So it's really rather annoying when an ambitious - not to mention irritating - new constable shows up to work and starts investigating a series of burglaries. And it's even more annoying when, after Constable Twitten is despatched to the theatre for the night, he sits next to a vicious theatre critic who is promptly shot dead part way through the opening night of a new play. It seems Brighton may be in need of a police force after all...

***A Shot in the Dark*** Gregory Payette, 2023-02-07 Now that Henry's on his own, it's not just his PI business that's falling apart... He's even considered walking away from Walsh Investigations for good. But everything changes when he receives a call from a woman who wants to find her father's killer. The problem is, the murder took place over a decade earlier. The last thing Henry needs is a cold case nobody's been able to solve. But finding answers, when nobody else can, is the one thing that drives him. And he's somewhat intrigued when he learns the woman's never actually met the man she calls her father. He finally agrees to investigate, and his first step is to dig deep into the past. But it soon becomes clear someone's gone to great lengths to keep it there. Just as he starts to get traction, his new client

disappears. And Henry's the one left without answers. But his whole world comes crashing down when he faces a threat he never sees coming. With his own life in danger, it'll take more than smarts and investigative skills to save him...

**A Shot in the Dark** Victoria Lee, 2023-09-05 NATIONAL BESTSELLER • A passionate and powerful romance featuring a transgender man and an ex-Orthodox woman who find each other through their devotion to art, and fall in love despite all odds, from bestselling author Victoria Lee "A sensual love story about art and passion . . . emotional and heart-aching." —Ashley Poston, New York Times bestselling author of *The Dead Romantics* A BEST BOOK OF THE YEAR: PopSugar, She Reads, Publishers Weekly Elisheva Cohen has just returned to New York after almost a decade away. The wounds of her past haven't fully healed, but four years of sobriety and a scholarship to study photography with art legend Wyatt Cole are signs of good things to come, right? They could be, as long as Ely resists self-sabotage. She's lucky enough to hit it off with a handsome himbo her first night out in the city. But the morning after their mind-blowing hookup, reality comes knocking. When Wyatt Cole walks into the classroom, Ely realizes the man she just spent the night with, the man whose name she couldn't hear over the loud club music, is her teacher. Everyone in the art world is obsessed with Wyatt Cole. He's immensely talented and his notoriously reclusive personal life makes him even more compelling. But behind closed doors, Wyatt's past is a painful memory. After coming out as transgender, Wyatt was dishonorably discharged from the military and disowned by his family. Since these traumatic experiences, Wyatt has worked hard for his sobriety and his flourishing art career. He can't risk it all for Ely, no matter how attracted to her he is or how bad he feels about insisting she drop his class in exchange for a strictly professional mentorship. Wyatt can help with her capstone photography project, but he cannot, under any circumstances, fall in love with her in the process. Through the lens of her camera, Ely must confront the reason she left New York in the first place: the Orthodox community that raised her, then shunned her because of her substance abuse. Along the way, Wyatt's walls begin to break down, and each artist fights for what's right in front of them—a person who sees them for all that they are and a love that could mean more than they ever imagined possible.
