Irrefutable Seema T. Chandarana,2013-05-23 With each of these stories, reality reflects back my beliefs, and I realize

that a miracle has occurred: I have created my own reality. But dont take my word for it. Try it out for yourself! I encourage you to look at your own stories to find evidence of the Law at work. I have confidence that you wont have to search too far back, as the Law is ineffable. In all my years of searching, I cannot find one example of an exception to the Law. Sometimes the answers are disguised, and sometimes they are obvious, and in every case, they are a direct result of my thoughts. I hope my stories inspire you to find meaning behind the twists, turns, and seemingly unexpected events in your life. Nothing is an accident, and nothing can come into our experience without our invitation. Once we own that, were sitting in the drivers seat on our way to a place of infinite possibilities. So buckle up. Here we go! To see the Law of Attraction in action through an ordinary AND extraordinary life, read Seema Chandarana's personal, warm and humorous book, Irrefutable. Her love of this universal law is absolutely contagious and will catapult the reader into a closer relationship with it, as well. Many of her stories can be used as wonderful examples to deepen an understanding of how this beautiful Universe operates for our benefit behind the scenes. ENJOY! [Don't Let Life Stop You from Living](#) Georgette Elizabeth Correa, 2016-03-19 *Dont Let Life Stop You from Living* springs from the personal experiences and insights of Georgette Elizabeth Correa, who found the books title flowing through her thoughts one day while sharing a heartfelt conversation with a friend. The phrase has worked on her, giving focus to her reflections on how to live fully and richly. As she notes in the Introduction, We somehow allow circumstances to defeat us: we stop trying; we stop dreaming; we just stop. Then, we do just enough to survive by doing what we must, not what we want. We even give up on love, happiness, and unfortunately on ourselves. Life can be hard at times, but it only seems unbearable when you dont have a deeper understanding of who and what you are. *Dont Let Life Stop You from Living* notes the given things: each person has a life to live; life will throw challenges in ones path; changes are inevitable. What one does about these given truths is what makes ones life joyous or tragic. The choices one makes and the attitudes one adopts are the fruits of ones personal decisions. If you have the sense that, no matter what has happened to bring you to this point in your life, you stand in a spot where you can decide what will come next, then *Dont Let Life Stop You from Living* will encourage, embolden, and empower you to make those decisions and to live.
