Wicca for Self-Transformation Marie Bruce, 2023-07-01 Wicca is one of the fastest growing religions in the world and this beautiful book will introduce readers to this Pagan belief system. There are many different types of witches, but this book will focus on the main branch of the Craft, known as Wicca. It is a magical system that merges together spells, rituals, celebrations and a reverence for nature. It is a spiritual system of duality, one that worships both a Goddess and a God. It is a form of slow living, wherein the practitioners, known as Wiccans, take the time to honour the turning of the seasons, to celebrate the phases of the moon, and the turning of the tides. Wicca, as a practice, is a welcome relief from the frenetic, technology-driven world in which we live and a way to connect with our ancestors. Wiccan belief is rooted in nature and has a strong, recognisable morality. This illuminating guide by a practising Wiccan will explain how readers can use Wicca to self-transform their lives for the better.
