die all alone. In this compelling, personal narrative, Boich shares his personal struggles and insights encountered during his first six months of recovery. A counselor once told him, An addict only has to change one thing: everything. *Excuse Me, Your Life is Waiting!* describes the many changes Boich made in his life. More than just eliminating certain people and places from a daily routine, he illustrates how a successful recovery requires a brand-new approach in dealing with life. It shows that sobriety is much more than mere abstinence and that alcohol and drug use is a sign of deep personal problems that only true sobriety can address.

Media,2022-05-28T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Law of Attraction is the fundamental principle of manifestation. It states that every moment is the result of a series of previous moments. To manifestation, you must feel what it's like to connect. #2 The human condition is a myth. In our natural state, we have the ability to control our lives and make them any way we want. But we've been taught that we're not in control, and that life is controlled by circumstances over which we have no control. #3 The Law of Attraction is the most basic and absolute law in the universe. It is the law behind success or failure. It is what causes fender benders or fatalities. It is what runs every waking moment of our lives. #4 We've been taught that life is born of a series of circumstances that we can't control. We've been taught that we gain only as we labor, that action is the magic word, and that we must be on guard and watchful.

New Age, 2000

Dear God, What's Happening to Us? Lynn Grabhorn, 2003 In dark times, a message of hope. In her bestselling Excuse Me, Your Life Is Waiting, Lynn Grabhorn told how to literally create your own reality. Then--as she tells here--her own life and health inexplicably fell apart. After years of struggle, she learned that the reason why involves nothing less than the age-old struggle between positive and negative forces. More important, she learned how this struggle began, how it is playing out, why times today are so hard for so many, and--WHAT WE CAN DO ABOUT IT. This book is, above all, a message of hope. In Grabhorn's trademark down-to-earth style, she shows how we--each of us--can choose to embrace the positive in such a way that the negative loses all power over us. Forever. This powerful message, if heeded, will change the course of human history for the better.
