

# Get Shorty Elmore Leonard

## Riley Webster

*Get Shorty* Elmore Leonard, 2009-10-13 "A Hollywood hit....Taut, inimitable prose and characters who could have only sprung from the mind of Elmore Leonard." —Detroit News The Chicago Tribune has dubbed Elmore Leonard, "the coolest, hottest writer in America." In the same league as the legendary great ones—John D. MacDonald, Dashiell Hammett, James M. Cain—the "King Daddy of crime writers" (Seattle Times) demonstrates his remarkable mastery with *Get Shorty*, one of the most adored of his forty-plus novels. The basis of the hit movie starring John Travolta and Danny DeVito, *Get Shorty* chronicles the over-the-top, sometimes violent Hollywood misadventures of a Florida mob loan shark who chases a deadbeat client all the way to Tinseltown and decides to stick around and make movies. *Get Shorty*'s shylock protagonist, Chili Palmer, is a truly inspired creation—as memorable as another unforgettable Leonard hero, U.S. Marshal Raylan Givens of the hit TV series *Justified*—and readers will relish his moves and countermoves in this electrifying, funny, bullet train-paced winner from "the greatest crime writer of our time, perhaps ever!" (New York Times Book Review)

*Get Shorty* Scott Frank, Elmore Leonard, 1996 Published to coincide with the release of the film *Get Shorty*, adapted from the Elmore Leonard novel and starring John Travolta, this book contains Scott Frank's script. Travolta plays a small-time loan shark who inadvertently gets involved in the Hollywood film business.

**Get Shorty** Elmore Leonard, 2002-06-01

Elmore Leonard Classic 3-Book Collection Elmore Leonard, 2012-03-13 New York Times bestselling author Elmore Leonard has written over forty books, including four about U.S. Marshal Raylan Givens, the captivating hero of the hit FX series *Justified*. Now three of Leonard's best novels—*Get Shorty*, *Tishomingo Blues*, and *Killshot*—are together in one classic ebook collection.

ELMORE LEONARD COLLECTION ELMORE. LEONARD, 2011

**New York Magazine**, 1995-10-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*The Organ Grinders* Bill Fitzhugh, 2010-08-31 Bill Fitzhugh strikes again! Following his widely acclaimed debut novel, Pest Control (The [London] Times called it one of the funniest, most off-beat thrillers in years), Fitzhugh turns his satirical eye to the merging of medical science and big business -- with hilarious and outrageous results. Paul Symon is an environmentalist who's out to make the world a better place, but he faces too much disjointed information, public apathy, and self-serving talk. Not to mention greedy despoiler Jerry Landis, a venture capitalist dying of a rare disease that accelerates the aging process. Landis cares only about making more money and finding a way to arrest his medical condition. That brings him and his fortune to the wild frontier of biotechnology, where his people are illegally experimenting with cross-species organ transplantation in California while breeding genetically altered primates at a secret site in the piney woods of south-central Mississippi. There's also an eco-terrorist on the loose, bent on teaching hard lessons to people who think the Earth and its creatures are theirs to destroy. These forces, together with fifty thousand extra-large chacma baboons, collide in an explosion of laughter and wonder that Bill Fitzhugh's growing league of admirers is coming to recognize as his very own.

**The Complete Idiot's Guide to Getting Published** Sheree Bykofsky, Jennifer Basye Sander, 2003 Don't lose your way! The complete idiots guide to getting published, third edition, helps you to navigate the publishing process, from submitting a proposal to promoting your book. -- Cover.

**Politics, Desire, and the Hollywood Novel** Chip Rhodes, 2008-09 The story of what happens when a serious writer goes to Hollywood has become a cliché: the writer is paid well but underappreciated, treated like a factory worker, and forced to write bad, formulaic movies. Most fail, become cynical, drink to excess, and at some point write a bitter novel that attacks the film industry in the name of high art. Like many too familiar stories, this one neither holds up to the facts nor helps us understand Hollywood novels. Instead, Chip Rhodes argues, these novels tell us a great deal about the ways that Hollywood has shaped both the American political landscape and American definitions of romance and desire. Rhodes considers how novels about the film industry changed between the studio era of the 1930s and 1940s and the era of deregulated film making that has existed since the 1960s. He asserts that Americans are now driven by cultural, rather than class, differences and that our mainstream notion of love has gone from repressed desire to "abnormal desire" to, finally, strictly business. Politics, Desire, and the Hollywood Novel pays close attention to six authors—Nathanael West, Raymond Chandler, Budd Schulberg, Joan Didion, Bruce Wagner, and Elmore Leonard—who have toiled in the film industry and written to tell about it. More specifically, Rhodes considers both screenplays and novels with an eye toward the different formulations of sexuality, art, and ultimately political action that exist in these two kinds of storytelling.

**Film Club** David Gilmour, 2025-05-01 A warmly witty account of the three years a man spent teaching life lessons to his high school dropout son by showing him the world's best (and occasionally worst) films. At the start of this brilliantly unconventional family memoir, David Gilmour is an unemployed movie critic trying to convince his fifteen-year-old son Jesse

to do his homework. When he realizes Jesse is beginning to view learning as a loathsome chore, he offers his son an unconventional deal: Jesse could drop out of school, not work, not pay rent - but he must watch three movies a week of his father's choosing. Week by week, side by side, father and son watched everything from True Romance to Rosemary's Baby to Showgirls, and films by Akira Kurosawa, Martin Scorsese, Brian DePalma, Billy Wilder, among others. The movies got them talking about Jesse's life and his own romantic dramas, with mercurial girlfriends, heart-wrenching breakups, and the kind of obsessive yearning usually seen only in movies. Through their film club, father and son discussed girls, music, work, drugs, money, love, and friendship - and their own lives changed in surprising ways.

Movies of the '90s Riley Webster,2023-10-19 The 1990s was an amazing decade for movies, witnessing the release of dozens of incredible films, including The Matrix, The Shawshank Redemption, Pulp Fiction, Goodfellas, Fargo, Jurassic Park, and so many more. Despite this embarrassment of riches, author Riley Webster believes this decade has never received as much praise or as many kudos as it deserves—until now. Whether you're a serious cinephile, a casual viewer, or merely seeking a heavy dose of 1990s nostalgia, this is the book for you.

**The Modern Library** Carmen Callil,Colm Toibin,2011-06-30 For Colm Toibín and Carmen Callil there is no difference between literary and commercial writing - there is only the good novel: engrossing, inspirational, compelling. In their selection of the best 200 novels written since 1950, the editors make a case for the best and the best-loved works and argue why each should be considered a modern classic. Enlightening, often unexpected and always engaging this tour through the world of fiction is full of surprises, forgotten masterpieces and a valuable guide to what to read next. Authors in the collection include Agatha Christie, Georgette Heyer, Daphne du Maurier, Patrick Hamilton, Carson McCullers, J. D. Salinger, Bernard Malamud; Flannery O'Connor, Mulk Raj Anand, Raymond Chandler, L. P. Hartley, Amos Tutuola, Sylvia Townsend Warner, Samuel Beckett, Patricia Highsmith, Chinua Achebe, Isak Dineson, Alan Sillitoe, Ivy Compton-Burnett, Grace Paley, Harper Lee, Olivia Manning and Mordecai Richler.

**Steven Soderbergh** Anthony Kaufman,2015-05-01 The long and prolific career of Steven Soderbergh (b. 1963) defies easy categorization. From his breakout beginnings in 1989 with sex, lies, and videotape to 2013, when he retired from big-screen studio movie making to focus on other pursuits including television, the director's output resembles nothing less than an elaborate experiment. Soderbergh's Hollywood vehicles such as the Ocean's Eleven movies, Contagion, and Magic Mike appear just as risky and outside-the-box as low-budget exercises such as Schizopolis, Bubble, and The Girlfriend Experience. This updated edition details key career moments: his creative crisis surrounding his fourth film, The Underneath; his rejuvenation with the ultra-low-budget free-style Schizopolis; the mainstream achievements Erin Brockovich, Traffic, and the Ocean's Eleven films; and his continuing dedication to pushing his craft forward with films as diverse as conspiracy thrillers, sexy dramas, and biopics on Che Guevara and Liberace. Spanning twenty-five years, these conversations reveal Soderbergh

to be as self-effacing and lighthearted in his later more established years as he was when just beginning to make movies. He comes across as a man undaunted by the glitz and power of Hollywood, remaining, above all, a truly independent filmmaker unafraid to get his hands dirty and pick up the camera himself.

**Elmore Leonard: Four Later Novels (LOA #280)** Elmore Leonard, 2016-08-30 The definitive edition of an American master of crime fiction culminates with four modern classics. In *Get Shorty*, a Miami loan shark with an idea for a movie finds a way to break into Hollywood as a producer, the perfect setup for Elmore Leonard's brilliantly satiric take on an industry he knew well. *Rum Punch* (filmed by Quentin Tarantino as *Jackie Brown* in 1997) shows an aging bail bondsman and an airline stewardess matching wits against lawmen and criminals alike. In *Out of Sight*, deputy U.S. marshal Karen Sisco and escaped bank robber Jack Foley find themselves thrust together in a highrisk fusion of violent adventure and unlikely romance; included as a special feature is "Karen Makes Out," the story that introduced Sisco. The collection concludes with *Tishomingo Blues*, a kaleidoscopic story involving exhibition high divers, Civil War reenactors, and an unforgettable cast of gangsters and hustlers. This is Elmore Leonard at his unbeatable best. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Bloomsbury Good Reading Guide Nick Rennison, 2009-11-23 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task. The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles, with navigation features to lead you on a rich journey through some the best literature to grace our shelves.

**SPIN**, 1995-11 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

*Get Dutch!* Paul Clarence Challen, 2000 This first full-length biography of crime novelist Elmore Dutch Leonard in more than a decade includes in-depth interviews with Leonard himself, as well as academics who have studies Leonard and his place in the literary world. Photos.

The Sundance Kids James Mottram, 2007-05-15 James Mottram traces the roots of this generation of American filmmakers to Steven Soderbergh's 'Sex, Lies and Videotape' and looks at how many kickstarted their careers and made their

mark at Robert Redford's Sundance Institute in Utah or at his film festival.

*New York Magazine*, 1995-10-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
