Stand Up René Banglesdorf,2019-01-01 Stand Up addresses the growing need for women to enter the narrative of how American culture is presently being shaped and leave their mark on a world screaming for relevance, excellence, and truth. Divisiveness and double standards have overrun our culture. If everyone stands up and models decency, courage, and good manners, communities and families will flourish. Stand Up is a battle cry for women to take a posture of readiness and action, determine their purpose, plan for successes, and overcome the loneliness that threatens this silent majority. René Banglesdorf, an entrepreneur, encourages women to exemplify good behavior in the areas of temptation, forgiveness, and hypocrisy—three areas that threaten especially Christian women’s credibility in a searching world. Stand Up explains how women who want to leave a legacy can repurpose their fears, recover from failures, get what they want out of life, and press on to fulfill their destiny. The unique perspective from a female executive in a 99-percent-male-dominated role—who spent many of her career-development years as a stay-at-home mom—compels women of all ages to believe the best can be ahead of them if they indeed stand up, stand out, and stand firm in their beliefs.

The Rocky Road to Ruin Meri Allen, 2021-07-27 Justice will be swirled by amateur sleuth Riley Rhodes in the first in Meri Allen's brand-new mystery series, *The Rocky Road to Ruin*! Riley Rhodes, travel food blogger and librarian at the CIA, makes a bittersweet return to her childhood home of Penniman, Connecticut – land of dairy farms and covered bridges – for a funeral. Despite the circumstances, Riley's trip home is sprinkled with reunions with old friends, visits to her father's cozy bookshop on the town green, and joyful hours behind the counter at the beloved Udderly Delicious Ice Cream Shop. It feels like a time to help her friend Caroline rebuild after her mother's death, and for Riley to do a bit of her own reflecting after a botched undercover mission in Italy. After all, it's always good to be home. But Caroline and her brother Mike have to decide what to do with the assets they've inherited – the ice cream shop as well as the farm they grew up on – and they've never seen eye to eye. Trouble begins to swirl as Riley is spooked by reports of a stranger camping behind the farm and by the odd behavior of the shop's mascot, Caroline's snooty Persian, Sprinkles. When Mike turns up dead in the barn the morning after the funeral, the peace and quiet of Penniman seems upended for good. Can Riley find the killer before another body gets scooped?

Christ of the Coal Yards Harry Eiss, 2010-02-19 No one heard the shot. No one ever found the gun. It was Sunday, July 27, 1890. Vincent had recently finished *Wheatfield with Crows*, thought to be his final painting, one that he described as representing “vast fields of wheat beneath troubled skies,” one where he said in a letter he meant to send to Theo “I did not need to go out of my way to try to express cheerlessness and extreme loneliness.” The letter never got sent, but was found stuffed in his smock. That morning, as usual, he walked out into the wheat fields with his easel, brushes, tubes of color and folding stool, perhaps hoping to reach his destination before the gang of local boys and girls were up and able to tease him and throw tomatoes. Le Crau, a wide plain of ripe grain, fields of citron, yellow, tan, and ochre, spread out beneath the bright Provencal sun. It’s safe to assume he heard the cicadas singing loudly, the swiping swishes of the farmers’ scythes already cutting through the rich wheat stalks, the gusts of wind whispering through the olive branches. Driven and filled with energy for months, he had been quickly, with an assurance that overcame and perhaps even came from his doubts and struggles, putting his own dramatic visions on canvas after canvas. But today he did not go into the fields to paint, or, perhaps, in the beginning he did, perhaps in the morning that was his intention. No one will ever know. He said he brought the revolver to frighten off the crows. Possibly that was his original intention when he included it with his lunch of bread and milk. In the end it’s probably not relevant, except for the endless attempts to analyze him, to dig into his complex psyche, at once brilliant and yet impelled to self-destruction. The Ravoux family were sitting on the terrace of their café when he returned, a bit concerned because he was late, but not overly so. When he finally appeared, his walk was more uneven than usual, and he held his hand over his stomach. “Monsieur Vincent,” Mrs. Ravoux said, “we were worried, we are glad to see you come. Has anything bad happened?” “No, but I . . .” he left his reply unfinished as he passed inside. Mr. Ravoux followed him upstairs, where he found him sitting on his bed, facing the wall. “I wanted to kill myself.” This book is a critical examination of Vincent van Gogh that offers insights into his life, his religious beliefs, his relationships with women, and, of course, his paintings. It includes discussions of his letters, and responds to many of the previous works about him, dispelling some of the myths that have no foundation and pointing out how many of the claims made about him and many of the popular beliefs that have grown up around him are at best guesswork. It explores psychological, neurological, theological, philosophical, aesthetic, and historical paradigms for comprehending his enigmatic and enticing personality.

Multilingual Universities in South Africa Liesel Hibbert, Christa van der Walt, 2014-04-16 Focusing on the use of African languages in higher education, this book showcases South African higher education practitioners' attempts to promote a multilingual ethos in their classes. It is a first-time overview of multilingual teaching and learning strategies that have been tried and tested in a number of higher education institutions in South Africa. Despite language-in-education policies that extol the virtues of multilingualism, practice remains oriented towards English-only learning and teaching. In the multilingual contexts of local campuses, this book shows how students and lecturers attempt to understand their multiple identities and use the available languages to create multilingual learning environments.
