Even the Devil Quotes Scripture Robyn J. Whitaker, 2023-05-11 “We are meant to take the Bible seriously, not literally.” —from the Introduction In *Even the Devil Quotes Scripture*, Robyn J. Whitaker looks to the Bible as a guide to interpreting the Bible, and her findings breathe new life into our understanding and use of Scripture. As it turns out, the uses of Scripture within Scripture are flexible, open to frequent reinterpretation, and rarely literal. For instance, Ezra and Nehemiah reinterpret laws about whether Jews can marry foreigners in the wake of the Babylonian exile. Their contradiction of earlier traditions found in Deuteronomic law do not invalidate Scripture but rather represent its diverse applications for the prophets’ specific situations. In the Gospel of Matthew, Jesus presents a more demanding interpretation of Mosaic law in the Sermon on the Mount, while in Mark’s Gospel he all but ignores its prohibition of working on the Sabbath. Yet the common ethos of the two gospels prioritizes compassion over legalism. Ultimately, Whitaker ascertains one definitive characteristic of inner-biblical interpretation: love. After all, the Old Testament passage most frequently quoted in the New Testament is Leviticus 19:18: “Love thy neighbor.” Thus, Whitaker proposes a hermeneutic of love—a litmus test for the validity of a scriptural interpretation measured in charity. Ideal for any devoted reader of the Bible, *Even the Devil Quotes Scripture* opens our eyes to the Bible as a living, loving gift of God’s unfolding revelation.

Because of You, I Learned to Truly Love Abdul Haque Essop, 2016-10-05 Love is not just about using the word to silence your partner in questioning any uncertainties or great concerns. But love should be shown in your actions to eliminate every doubt. It is not about giving your partner the most expensive gift that money can buy. But it has to do with the littlest of things thus showing your love for them, which becomes priceless. Ultimately, love has no price tag because money can buy you a good time, but love enriches your body, mind, heart, and soul. For a healthy relationship, refrain from hurting your partner in a manner whereby lying and cheating can totally destroy your relationship. Always remember not to hurt and break a heart that was meant to only love you. In the end, you can stand to lose that love and the person who stood by you, although they know your flaws and still completely accepted you. It is important to note that you shouldn't fool yourself by thinking that you have fooled a person by deceiving and lying to that person who truly loves you and cares about you. Only with time will it be your own guilt that will make you realize that this person always knew, and yet they have constantly forgiven you. Finally, you will certainly hurt when the day you lose that person forever by knowing that you continuously broke their trust. Take heed. When you love from your soul and someone breaks you down completely then those invisible tears become the most difficult to wipe away. To sum up my message to the world, this is my deepest and sincerest belief:

Love is not who loves the other more or less but to whether your love for each other is sincere and true. Love is not who was there only when you always smiled but who was there to make you feel better when you broke down and cried. Love is not about who is right or wrong but how you work on the issues and keep your love growing strong. Love is not how many times you thought to walk away but how long you stayed in love and kept your relationship alive.

A Mommy's Love Myra Hudson,2014-03-21 A Mommys Love encourages mommies to continue being mommies and to challenge mothers to become mommies. It will equip you in becoming an advocate for your child. Most important, do not be ashamed of having a child with a mental illness. It is important to get your children the help they need before they become adults. It may seem that your family and friends, your childs school system, the judicial system, social services, state agency, and other government systems are against you, but just know you are not standing alone as long as you have God by your side. Do not fear anyone when it comes to being an advocate and fighting for your child with a mental illness. Never give up on your child, no matter how hard it may seem. If your children see that mommy is giving up on them, they will give up on themselves. You as a mommy are all that your children have. If you do not fight for your children, no one else will. Stay strong, dedicated, firm, be a mommy, parent, and advocate for your child!

God of Love and God of Judgement Stephen K. Moroney, 2009-07-06 How can a God of love also be a God of judgment? If God loves everyone, what is the point of judgment? Does God change from being wrathful in the Old Testament to loving in the New Testament? Can we discern God's judgments in current events, such as hurricanes and personal tragedies? Is it ever right for humans to judge? These are not just daunting issues for theologians to ponder. They are urgent questions for everyone. Our answers profoundly affect how we relate to God and how we live with one another. Coming to grips with these issues is vital for our spiritual journeys. Many people today emphasize God's love and downplay his judgment. The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation, and it is a core part of the gospel preached by Jesus and his apostles. There are problems at the other end of the spectrum too, when we believe in a God of judgment who is not also a God of love. It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please. This book calls us to embrace a more full, biblical image of God—one that joins his love and judgment together. Additionally, the book shows that, as those who are made in God's image, we can fuse love and judgment together constructively in our own daily lives. To a world of smiley-faced bumper stickers assuring us that God is love, Stephen Moroney bravely asks: What do we do with the judgment, justice, and wrath of God, all occurring in rather impressive numbers throughout scripture? His well crafted and engaging answer is that we do a disservice to God as well as to ourselves when we try to have one—either a God of love or a God of judgment—without the other.

Another Love Asma Abbas, 2018-10-15 In a time when our loves feel conscripted and exhausted by what we often do not remember desiring, *Another Love: A Politics of the Unrequited* explores the form, method, imperatives, and inflections of love in the global post colony, and offers a way to re-apprehend and re-inscribe love in an anticolonial, materialist, and nonfascist politics and aesthetics. The figure of “the unrequited” is invoked as a symptom of a brutally loveless yet effusively sentimentalized era, and also as an ineluctable yet very concrete political location in the face of both the intensifying external realities of war, occupation, apartheid, austerity, and terror, as well as the increasingly normalized internalizations of ordinary imperialism, nationalism, neoliberalism, fascism, and colonialism—all of which seem bent on extinguishing the possibility of relation itself. The book asks that we look at practices of love and other material labors that yield and sustain these realities within complex lifeworlds; indeed, those which sustain entire systems of our subjection, extraction, and disposability—such as colonialism, capitalism, liberalism, and fascism—as lifeworlds, especially when given, dominant, forms

of recognition, affection, embrace, and belonging are unacceptable or even repulsive. Distancing itself from shortcuts afforded by love's abstract forms deployed in ethical and moral discourses that at once elevate it yet wholly reduce it to a timeless, apolitical, essence, Another Love sees love as a material and political relation to time and space, signaling willed and unwilled shifts in historical reality in societies juggling various wars and annihilations. It maintains that love is something in and with which we confess our complicities not only with but also against hegemonic notions of belonging, devotion, martyrdom, hospitality, publicity, collectivity, and solidarity nurtured and harvested under capital and colony. The longing and the love—missed by the pernicious and reactionary politics both of liberal democracy and the incidental fascisms that it claims to set out to fix—can give us clues into past, present, and future, moments of rebellion, resistance, rejection, and redemption that are crucial to a liberatory, anticolonial, and antifascist politic, and to rethinking attachment, desire, and relation itself.
