My Relex Smile surgery and recovery experience: One month ... Dec 7, 2022 · Before surgery: I decided on Relex Smile because of the alleged stronger biomechanics of the eye compared to LASIK, as I have two small children who could easily hit me in the eye and as I used to do some amateur boxing, and might do some boxing in the future; and much less painful and faster recovery compared to Trans-PRK. I briefly checked the list of ... **[Smile] The entity wasn't demonic. :**

r/FanTheories - Reddit Jan 22, 2023 · The entity in Smile shows no indication of having the same mission. It's not targeting religious people, it's going after anyone with trauma to exploit. It's not having it's victims snap crosses in half or draw satanic images on their walls. It's not tempting people into doing sinful/immoral things, it's usually just straight-up forcing them.

A generally uplifting subreddit. Official Dreadit Discussion: "Smile" [SPOILERS] : r/horror - Reddit Of course, Smile isn't devoid of those tense moments, but they're rare enough that I really can't say this was a nail-biting or intense movie. I'd rate this a 5/10 tbh, mostly because it doesn't utilize its time effectively. If it was like, 30min shorter, it could've become a solid 7/10. As it is, I wouldn't rate the movie higher than that because: SMILE Surgery 4 months post-op - worst decision of my life Nov 29, 2022 · Hey guys I filed a comment to the FDA and I just wanted to share it with you because my SMILE surgery 4 months ago has been a disaster : (I am 29 years old and underwent RELEX SMILE surgery on both eyes in July 2022. I had moderate myopia (around 4 diopters) with astigmatism (1.5 - 2 diopters). Before surgery, I was told I was a perfect ... **Anyone had experience with Bionic Smile in Las Vegas? : r ...** Feb 25, 2024 · Anyone had experience with Bionic Smile in Las Vegas? Their price is too big to be true. They seem to be very busy, full of clients, but I haven't seen many reviews from them. Not in their youtube videos, or any other public available reviews. **Healing process after Relex Smile : r/lasik - Reddit** In smile you will see a green light for 15 seconds, then the light vanishes but you have to look straight for another 15 seconds. Then the vision is as if you're looking through frosted glass. During lenticel extraction this vision moves, like milky plastic foil being stretched. But overall

it's not that bad, and I would choose smile over Lasik. *What was the quote that alastor said about always having a smile ...*
 Feb 16, 2024 · A smile is a valuable tool, my dear! It inspires your friends, keeps your enemies guessing, and ensures that no matter what comes your way, you're the one in control." **Smile 2 : r/horror - Reddit** Smile 2: Frown? I liked Smile. It got under my skin as the fish wives down at the docks might say, and it felt like a more elegant early 2000s thriller and a nice throwback. However, I'm unsure what justifies the existence of a sequel. I guess they could broaden the concept in some way, although it may diminish the personal threat it captured well.
