Two Minutes Jorge Moreno,2021-12-08 The world is not over for David when Sonia dumps him for a fitness instructor ten years younger than him; now's the time to enjoy all of those things he'd always wanted to do at least until she realizes her mistakes and decides to go back to her quiet boring life. The only issue is that for David the expression If anything can go wrong it will is a reality more than a thought; to the point where he can't believe it when something good happens. And if you don't believe it, ask Laura.

Raising a Thinking Preteen Myrna B. Shure,Roberta Israeloff,2016-05-10 In her bestselling *Raising a Thinking Child*, Myrna B. Shure introduced her nationally acclaimed I Can Problem Solve program, which helps four to seven-year-olds develop essential skills to resolve daily conflicts and think for themselves. With *Raising a Thinking Preteen*, Shure has tailored this plan especially for eight-to twelve-year-olds as they approach the unique challenges of adolescence. The preteen years are often the last opportunity for parents to teach their children how to think for themselves. This book is the only source with a proven plan to help them do just that.

The Fly on the Wall P. Jay Dee,2019-09-23 The saying I wish I were a fly on the wall has been used by many. In wanting to know what might have been said would impact on you. The question is asked, with the understanding the question will not be or has been answered until now. What if the flies thought they would like to share all that they have heard with some humans?

Play, Rewind John Vurro,2025-04-29 Wes is stuck. He should be spending his twenties finishing the schooling that will help him land a career in movies, just like he's always dreamed about. Instead he divides his time between clerking in the most low-rent video store in Queens, and caring for a mom struggling with Alzheimer's. His father's out of the picture, and he has no realistic means of finding care for her—beyond the harried home nurse who's already on the brink of quitting—but even though he's sure his mother won't even remember his efforts, he's still committed to her. Still, he doesn't have much to do outside life's boring routines, except pressing Play and Rewind to try and identify the moments when it all went wrong. (And maybe watching the random vacation video that some customer left at the store to be copied.) Then: change. A friend from high school returns to the neighborhood after a mysterious absence, and a disreputable man from the neighborhood takes over the store. (He may or may not be mobbed up. Who can say, really? It's not the sort of thing you ask your new

boss.) And he finds out his father may be closer than he thinks. In short order, Wes's life's starting to look different. Whether that's a good or a bad thing is tough to say—the store's new owner wants to make easy money selling bootleg videos out front, and we all know the FBI frowns on that sort of thing; the high school friend may be too eager to make amends, and to hide the secrets of her own past mistakes—but still, it's something. Now Wes has to navigate feelings far more frightening than stasis, and find a way forward despite everything pulling him back. *Play, Rewind* is a lovely literary look at a place near and dear to our hearts, one we all might want to visit if we had a time machine—the video store. (And it sends us to another vanished place, peaceful and innocent pre-9/11 New York.) More importantly, it's a great glimpse into lives we can all relate to, people struggling against impossible odds, unsure if anything will ever change. It's a fantastic debut novel from an amazing new author—John Vurro. I loved it so much that after I read it, I wanted to rewind back to the beginning and read it again. Vurro's is a bold and brilliant new literary voice. This beautiful novel moved me deeply.” — Alena Graedon, author of *The Word Exchange*

The Identity Revolt Robert Hupsel, 2022-04-06 The future will always be yours, and no matter what, you will be the only one in charge of it. However, in our childhood, our destination is something unpredictable, because someone might set or draw an uncertain line that would make big impact to our future. How would you feel when you see that you are the only one different? The real story takes place in 1958 in São Miguel Paulista, Brazil. The display in me cover book reveals that the *Identity Revolt* is dragged by a huge balloon, carrying so many secrets, involving several people who only see their side, who do not worry if they will hurt someone or not especially of their own blood. As it was mentioned above, Richard's future had so many plots without any remorse. He starts to face the effect of those plots, even when he was only five years old, growing on a totally and completely different neighborhood that had nothing to do with his native way. His story was hiding for more than two decades. After many things tried to direct him which way to go, he realized that he needed to put an end to that mystery. He decides go and uncover about everything that was creating a huge revolt about of his own identity, which was the starting point, which was on the other side of the world, a different country with a different language and culture. That decision took him to find out the whole truth about his identity, and it almost cost him his life, when he ended up in a deep

comma, after he discovered all terrible things, especially where he came from. He did whatever it took to gain back all his power, and everyone involved in that mystery, one way or another, has paid for what they did, the hard way, but they did. The strange thing was that after many years, they realized what they had lost, so they tried to get closer to Richard, but he didn't want to get involved with them; after all he wanted to forget all those people and live in peace with only one identity

Welcome Back Lin Stepp, 2016-03-01 Lin Stepp paints a charming portrait of the Smokies, their people, and a wonderful way of life. --Deborah Smith, New York Times bestselling author Set against the breathtaking backdrop of the Great Smoky Mountains, Lin Stepp's sweet and touching story follows one woman's journey back to the home--and the husband--she left behind... When Lydia Cunningham left her husband and moved to Atlanta ten years ago, it was with equal parts sadness and certainty. She loved her home in North Carolina, with its lush green hills and crisp, clean air. And in truth, she still loved John, too. But she could no longer live with her mother-in-law's constant criticism and the distance it created in her marriage. Now, thanks to a job offer at her alma mater, Lydia is moving back, renting the old country house where she and John lived as newlyweds. She hopes to strengthen the frayed ties with her daughter, Mary Beth, and build a relationship with her grandsons. As for John--it's clear from the moment Lydia sees him standing in her doorway that he hopes they might rekindle their bond. The spark between them hasn't dimmed--but neither have Lydia's memories of past hurts. Yet in this magnificent landscape that's always felt like home, she might find a way to forgive and begin again... Praise for Lin Stepp and her Smoky Mountain Novels I've finally come across someone that believes in all the things that I do...love, family, faith, intrigue, mystery, loyalty, romance, and a great love for our beloved Smoky Mountains. --Dolly Parton An amazing storyteller...The

Tales From Peterson Prep Casper Hutchinson ,2024-11-18 Chris Sanderson never asked to be born the son of a wealthy businesswoman who rarely spends time with him. Nor did he want to be sent to a fancy private boarding school halfway across the country, where he doesn't know anyone. Chris wants to share a dorm with a total stranger even less. Only, that's before he learns the dorm he'll be staying in is actually a small cabin on campus with a roommate named Nathaniel—who turns out to be a hottie who wears black leather and sunglasses regularly and rides around on a motorcycle. Nathaniel tells Chris he is popular with the ladies back home but that he isn't interested in any of them. Chris soon finds out why. Elliot Peterson is the well-brought-up son of an oil tycoon and is eager to prove himself at the academy his father and grandfather studied at. He wants nothing interfering with his studies—or his ambition to become president of the student senate. Only, a distraction soon arrives in the form of an irresistibly cute fellow freshman named Jacob, who has no sense of direction and seems like he won't survive without a little help getting to classes and maybe a study buddy? Dennis Rochester has come to Peterson Prep from a small town in Alabama. His upbringing is modest compared to his classmates, and—to make matters worse—he's still coming to terms with the fact he's gay, something that will undoubtedly be made worse by sharing a dorm with a bunch of guys his age. Luckily, the charming Michael O'Neil—one of his new dormmates, who is great at keeping secrets—will be there to guide him along the way. Then there's Abigail Sanderson, who has come to Peterson Prep disguised as a boy to make sure her cousin Chris is doing okay away from home. She ends up being dormmates with an incredibly hot hunk named Tanner, who happens to be on the academy basketball team.

FINDING MY WAY Yavis Henry, 2022-09-16 This book is my testimony; it was written to honor all the people who had helped me through all my life struggles. I have been blessed beyond measure. I didn't realize how far I had come in life until I started writing and documenting things that were of the most importance to me. My story is not really a typical story;

however, I do strongly believe that a lot of people can relate to it. Most people can probably say that they have that first love that broke their heart in pieces, that true best friend who's going to rock with on every level. Everyone has made mistakes and has made bad decisions and has been in situations that have caused them to do things that they are not particularly proud of. Life doesn't come with a list of instructions or a guide to help you along the way. You just have to roll with the punches, dust yourself off, and keep trying until you get it right. I have had so many people come and go in my life, and I can honestly say that I have learned so many lessons on the way through all that laughter and tears from that heartache and pain. So now I can truly say that I am proud to celebrate the good and the bad. My mom and brother have been my constant support through it all. I have used this book as a therapeutic measure to help me cope and let go of a lot of my anger and frustration because I have come to an understanding that those grudges have been stopping my blessings. I have learned to work through my issues and move on. It wasn't easy, but through my faith in God, I was able to find my peace.

Mom's Love Caridad, 2020-11-05 Caridad became an adult at a very early age, being responsible for helping her parents put food on the table while going to school and working a full time job. Realizing she had to change, she fought hard to reach sobriety and provide a stable life for her three children. Caridad succeeded, but her son Lorenzo seemed doomed to repeat his mother's mistakes. Addiction and run-ins with the law dogged his footsteps until the fateful day he shot and killed a man. Lorenzo acted in self-defense, but it made no difference. Convicted of second-degree murder, he faced life in prison without parole. Caridad was devastated, but Lorenzo would find God behind bars and successfully fight his inner demons. Even son, Caridad's only son had no chance of seeing the outside world again - at least, that's what Caridad thought. But a miracle was about to happen... a one-in-a-million event offering Lorenzo a second chance.
