Stars in Your Eyes Kacen Callender, 2023-10-10 The National Book Award-winning author of *Felix Ever After* delivers a beautifully tender story of two grumpy/sunshine, fake-dating actors navigating their love story both on and offscreen—perfect for fans of Casey McQuiston and Alexis Hall. Logan Gray is Hollywood's bad boy—a talented but troubled actor who the public loves to hate. Mattie Cole is an up-and-coming golden boy, adored by all but plagued by insecurities. When Logan and Mattie are cast as leads in a new romantic film, Logan claims that Matt has “zero talent,” sending the film’s publicity into a nosedive. To create positive buzz, the two are persuaded into a fake-dating scheme—but as the two actors get to know their new characters, real feelings start to develop. As public scrutiny intensifies and old wounds resurface, the two must fight for their relationship and their love. *Stars in Your Eyes* is a heartfelt, hopeful, and nuanced story about identity, healing, and growth.

Stars in Your Eyes Lynn Kurland, 2015-11-24 The latest in a series about a woman who finds a magic sword and time-travels back to 13th century Scotland. Phillip de Piaget has run out of patience with his recalcitrant Scottish betrothed and is determined that she will join him in front of the altar. Only the lass he captures seems more interested in running away from him than talking to him. In fact, she seems to have no idea who he is. But taming his reluctant bride is the least of his worries; it seems someone else wants him at the chapel, in a stone box. As for Imogen, how can he let her go? She holds the key to his heart.

Troll Poems From My Soul Daniel Clark, 2015-03-11 I love to do things with words, and poetry is what comes from such playing with words. Most of my poems are just my mind, playing with my heart's thoughts. Some of my poems come from life experience and others from nature or things that happen in life. In putting this book together, I found many of my poems are liked, for they are written in words that everyone can read and understand. I dream one day to hear someone say, "I read

that poem and loved it.” Nothing would make me more proud than to know my poems touched someone’s heart in a good way. To write poems and not know if people will ever read them is a sad thought. Love is the power that moves the world. No matter if it is heartbreak or true passion, love has the power to be the strongest influence in our lives. Not all my poems are love poems. There are also poems of remembrance for the men who have laid down their lives for freedom or in the line of duty. So please read my words and enjoy them for what they mean and say to you. I would love to be thought of as a man who had love in his soul, and touched another’s heart in some way.
