**Dr. Bob and His Library** Dick B.,1998 One of the earliest and most valuable discoveries by author Dick B. in his search for the facts about the early A.A. program, which had such great successes, was the many, varied, and important Christian and other books read, studied, and circulated by A.A. Cofounder Dr. Bob among early AAs and their families. These are of great importance and utility today if you are to be healed of alcoholism. They cover the Bible, Jesus Christ, prayer, healing, alcoholism, daily devotions, Quiet Time, the Oxford Group, Rev. Samuel M. Shoemaker, conversion, and other relevant religious topics. Dick discovered the books in the homes of Dr. Bob's children, read and analyzed and categorized them, and placed them in this title. Other books were mentioned elsewhere as having been read and circulated by Dr. Bob, and are included.

**My Spiritual Path** Dennis J. Wilson, 2008-08-20 Spiritual enlightenment is not limited to one culture, and anyone who embarks on a path seeking enlightenment must, of necessity, begin their search from their own cultural base and then expand to incorporate knowledge from all cultural bases. The author started his spiritual quest from the Judeo-Christian culture searching a myriad of sources to bring focus and direction to his search for spiritual direction. The purpose of this book is to share some of the knowledge that has been acquired by one pilgrim seeking spiritual enlightenment with any others who might be on a similar quest.

The Search for My Inner "I" Joseph W. Macy, 2013-08-30 The Search My Inner I is a look at an exciting, and sometimes difficult life Journey in my search for peace and purpose that has culminated with the writing of this book. It will take you down the various roads that I have traveled through stories and poetry. It is sometimes raw but also full of serendipitous moments and pure joy. Knowing oneself is paramount to achieving happiness! A mid-life crisis is often what it takes to get one to STOP! Completely stop playing the erroneous game of buy, buy, buy materialism and to go within to see the sovereignty that we really are, and to find that innate power and talent that God bestowed in every individual. This power was designed especially for each of us so that we could live a free, successful, health, wealthy and happy life. This is the story of my search.

The Art of Serenity T. Byram Karasu, 2003-02-20 We all face adversity, both man-made and natural. How do we survive the loss of a loved one, a betrayal, illness, even impending death, and still find meaning in our lives? Even a normal life can seem empty, in spite of material possessions, success, power, and pleasure. In our search for fulfillment and meaning, we

work through our past and present conflicts, cuddle our inner child, and redesign our outer adult. We attend workshops on life and secular spirituality and explore the comforts of traditional religion. We get married and divorced, experiment with drugs and alcohol, change jobs. And while our restlessness and unease may abate temporarily, the hollow feeling that there is something missing always returns. In his profound and accessible work, *The Art of Serenity: The Path to a Joyful Life in the Best and Worst of Times*, Dr. T. Byram Karasu offers us the key to an extraordinary state of mind -- authentic, soulful happiness -- in the face of everything our life has to offer and take away. The door to this state of mind is opened by a combination of soul and spirit. It involves the soul through the love of others, love of work, and the love of community. It involves the spirit through belief in the sacred and belief in transformation. It culminates in the love of and belief in God. Brilliantly synthesizing psychology and spirituality, Dr. Karasu will guide you to explore the deepest yearnings of your heart. There is no end to the journey to real happiness; there is no best place to start or best time to begin. So where and when to start? Start here, where you are, and start now.

**The Way of the Warrior Priestess** Aya, 1999-10-01 A woman who struggles on the spiritual path needs validation, guidance, inspiration and practical advice. This handbook is to help her survive the transition of the past several centuries and come to her full empowerment. This is especially for she who needs to reprogram herself as the Warrior Priestess in what is still a mans world. It is for the one who seeks to understand her place as the embodiment of the Divine Feminine Spirit because now it is time to uplift the wounded feminine consciousness to its rightful power, to transmute the negative results of ignorance and subjugation. This book is a call and a guide for the neophyte on the Path as well as for all the extraordinary women who are searching for a Friend in the dark, when they are feeling most damned and abandoned because of their Vision. It is for all the Spiritual Warrior/Priestesses who have forgotten some of the pitfalls, as well as the joys, of their Journey. This book will serve as an inspiration for those who have lost that Sight. In the playing field of womens spirituality, no one book or resource offers such a clear picture of the magical destiny of the Woman of Tomorrow, especially for those with eclectic beliefs. THE WAY OF THE WARRIOR PRIESTESS addresses this need for self transformation by inspiring the reader with important quotations as well as the authors guidance, step by step direction, affirmations, useful astrological insights, as well as a section that asks questions that will push the reader into changing some tired perceptions. It is written to fire up the spirit of the sleeping Feminine Spirit in both women and men. It is a handbook and empowerment manual for the growing army of individuals born at this special time in Mother Earths history to help rebalance Her during certain changes. ...for all of those brave souls willing to go in an exciting new direction. WHY THE READER SHOULD READ THIS BOOK This is not another book about the womens spirituality movement or about why women are goddesses. Rather it is a bridge between traditional magickal wisdom and the everyday challenges of the woman of the 90s. It is a call to transformation and will answer the intense desire for women of all ages and colors to heal their lives. It will give them

permission and purpose to become what they really are: perfected beings. It will also bring on an almost-instant wakeup call for men. It embraces no particular theology, religion or mythology and is not a psychological treatise. It does not advocate any one path to take, nor is it anti anything except ignorance....It does come from a spacious metaphysical vision that many will relate to with a sigh of relief. The average woman is still rather paralyzed and in partial ignorance of her power as a Magical Being...because she does not even have the voice or words to help herself. And most books on this subject are still either too academic or beyond the average woman's experiences. This book will serve as a tool and a light to help her see herself. The Talking Stick section at the end of each chapter is to jumpstart some profound self questioning - as well as a handy starting point in teaching situations....ideal to teach self empowerment workshops all over the world. The extensive Resources section at the back of the book is to help locate the key material for the process. This book will be appropriate for several markets: Feminist, Goddess, Spiritual, Metaphysical, Women's Self Help. It should be in metaphysical centers, universities, feminist study groups, and women's conferences and gatherings. It is for women ages 16-90 who seek inspiration and practical advice. It is for men who are trying to align with the female spirit, both in wom

**Raising Children Who Think for Themselves** Elisa Medhus M.D., 2011-02-22 **Raising Children Who Think for Themselves** offers a new approach to parenting that has the power to reverse the trend of external direction in our children and help parents bring up empathetic, self-confident, moral, independent thinkers. Children who are externally directed

make decisions based on the peer groups, violent movies, sexually explicit television shows, and rap lyrics that permeate their lives. When children are self-directed, on the other hand, they use their power of reason like a sword to cut through the jungle of external influences. Fortunately, the author shows us, it is never too late to foster in our children the ability to weigh options, consider sources, and think for themselves. Filled with real-life examples, humorous anecdotes, and countless interviews with parents, children, and teachers, *Raising Children Who Think for Themselves* Identifies the five essential qualities of self-directed children Outlines the seven strategies necessary for parents to develop these qualities in their children Addresses nearly one hundred child-raising challenges—from body piercing to whining wars—and offers solutions to help encourage self-direction

*Ayn Rand Cult* Jeff Walker, 2012-03-30 Despised by the intellectual establishment, Ayn Rand continues to attract many thousands of devoted followers. Her Objectivist movement preaches an uncompromising hard line on politics, art, sex, and psychological health. Though much has been written about Rand, *The Ayn Rand Cult* is the first book to explain the true origin of her ideas and to show how they were shaped into a new, atheistic religion. Jeff Walker shatters many myths about Rand, exposing Objectivism as a classic cult, unusual because of its overt emphasis on self-interest, rationality, and atheism, but typical of cults in its guru-worship, thought control, trial and excommunication of deviants, and hostility to existing society.

*Communication in Management* Owen Hargie, David Dickson, Dennis Tourish, 1999 In this book, the authors look in turn at each of the key management tasks, from meetings to negotiation, from writing reports to using the telephone, and they provide practical guidance for increased effectiveness. Other chapters cover non-verbal communication and 'doing things right and doing the right thing'. The text is presented in a lively way but also with academic rigour, and is supported throughout by exercises, checklists and ready-to-use formats.
