**Shattered Glass** Katemarie Pope,2015-10-21 Shattered Glass is a collection of poems from lifes darker side. **Sassy Self Care** Ricky Browne,rickybrowne.com,2025-06-15 Humor for women written by a man. About the Series Captions Gone Wild is where my creative journey began—just me, a beer, and whatever ridiculous idea popped into my head. I started by making memes, pairing funny thoughts with striking images. One turned into ten, ten into a hundred, and before I knew it, I had thousands. At first, I made them for fun. Then I realized they deserved a home—so I began curating and formatting them into themed 6x9 trade books. Over two years, I created around 2,500 captioned images across various themes. What started as The Best Medicine series evolved into Captions Gone Wild—a better name for what these books really are: funny, offbeat, and sometimes downright absurd. They're weird. They're wild. And they might just be the funniest books you'll ever flip through. I loved making them—I hope you love reading them.

*Have a Beautiful Day* Bryan Arndt PhD,2014-11-26 I love early mornings, including that period of darkness before sunrise. It is during this special time of day that I can be alone with my thoughts, write uninterrupted, and feel as if I am at my most productive. Over the years I have also found the best way to begin each day is to thank the universe for the gift of a new day. These expressions of gratitude have a way of returning more of what it is I love about my life back to me. I have also found that a good quote, an affirmation or two, thoughts from our ancient wisdom writers, or words of inspiration from a variety of peopleespecially creative peopleare the best way to kick off my day. I make every moment special and meaningful. I make every moment productive and rewarding. I make every moment positive and life-affirming. Enjoying a lifetimes worth

of beautiful days this is what I imagine, believe, and create for my whole self each and every day. You can do the same; you too can imagine, believe, create a lifetime's worth of beautiful days. How? Open the book to today's date; it can all begin right now. Have a beautiful day.

The conspirators insert themselves four hundred years into his past during the Bathurst Rebellion of 1830. Not to change the present 22nd Century, but to enable them to control humanity. Gumtu and his companions must discover the truth and save humanity and maybe the planet if they can.

*It's My Fault* Sherry Kay Thompson, 2013-09-18 Why do people say such crazy things to people who have cancer? What should you say when someone tells you it is your fault? The author learned how to move beyond caring what people think and began accepting her cancer and embracing her life!

*Mental Illness* Jacque Maria Ellison, 2015-03-03 This is a true story of how I coped in a mental hospital for five weeks.

Hopefully, after reading this, it will give other people who are going or who have went through the same experience and ideas of how to cope. So many people suffer in silence with a mental illness. Why do a lot of us suffer in silence? Why do we hide? Why do we feel ashamed? I realized that if I opened up and talked about my illness and if a lot of other people opened up and talked to someone, there would not be such a stigma to mental illness. There is nothing to be ashamed of. It takes a strong person to get through and come out the other side. Nobody wants to live the event that caused so much pain, but if we face it with courage we won't have to live it again.

**He Loves Me, He Loves Me Not** Kathleen Palmer Terry, 2018-02-05 I became the keeper of secrets, and there were consequences. With my silence I protected my children and allowed them to forever see their father as a hero, but I had also given my husband a clean slate upon which he could rewrite his history, minus the embarrassing part. At first, silence was the glue that bound us together, then it was the weight under which we crumbled. \*\*\* Cheaters are selfish people. In fact, the most damning thing about cheating is that it reveals a lack of caring for and commitment to the whole family unit, not just one's spouse. 'I'm cheating because I care about my family so much more than my selfish desires,' said no person ever. \*\*\* Infidelity and the drama it creates have been around since the beginning of time. As a result, there is no shortage of advice on how to prevent it, what to do once it starts, or how to pick up the pieces once it ends . . . if it ends. Why do some marriages survive and others dissolve in the aftermath? Is there some magic ingredient present in enduring relationships? Is it possible to heal as individuals, yet fail to heal as a couple? In this deeply personal and intuitive book, one woman of faith tells her story of love, disillusionment, and resilience in a down-to-earth, upbeat, and sometimes humorous style that reflects the strength that comes from knowing God loves us, that he is in charge, and that he has the desire and ability to shape us into better people through our adversity. It will persuade you that, although we live in an age of throw-away marriages, there are still those who believe traditional values exist, that a family is a sacred commitment, that giving up is not an option.

**Counselling for Career Construction** J. G. Maree, 2013-09-03 In this book, career counselling history, best practices as well as contemporary models and methods are brought together. In reflecting on the past, present, and future of career counselling, the story of the postmodern, narrative or career construction approach and the model and methods used to advance careers in the 21st century is told. A meta-reflection concept is proposed, based on career construction principles and practices and aimed at providing an examination of repeated reflection in career counselling. Overall, an attempt is made to craft a text that is not just specifically instructive but also more generally so. Whereas the theory section includes much that is hands-on and practical, the inclusion of narratives in the practice section turns theory into practice. Narratives illustrate the complexity and contextuality of partnering with clients toward (re-)designed lives. Ultimately, the volume aims to demonstrate how Mark Savickas' counselling for career construction approach can be used by clients to connect life themes in order to construct life portraits under the guidance of counsellors.

**The Day After Yesterday** Amanda Mackey, Ever had one of those nights that flips your world upside down? Yeah, that was the night I thought I had it all figured out—or so I believed. Enter Atlas Mackenzie: the first guy who actually sees me. Not just the long brown hair and those eyes that scream haunted, but the real me. He gets it. And with him, I'm not some invisible wallflower anymore. Atlas? Total lifesaver. Yeah, he's gay, but our friendship? It's epic—way beyond any romance I've ever imagined. But then, there's his twin, Killian. Total opposite. Broody and arrogant, with a knack for pushing my buttons. He either ignores me completely or makes sure I know exactly how he feels—rude much? Yet, isn't it funny how the heart works? Despite everything, there's this magnetic pull between us. Scary and thrilling all at once. But when my past decides to make a comeback, the question is: is Killian ready to stand by me? Because let's be real, he's got his own demons to face. This journey is wild, but maybe, just maybe, it's exactly what we both need.

*Collected Short Stories, and the Novel: The Ballad of the Sad Cafe* Carson McCullers,1955

**I Have Learned a Few Things** SharRon Jamison,2015-02-21 I Have Learned a Few Things is a book to be read slowly, critically, and thoughtfully. If you can, take at least one day to quietly ponder each chapter and answer its questions before you move on. Also, give yourself permission to digest and experience a full range of emotions, feelings, and thoughts. Take your time, because your life is too important to be examined quickly. You are too valuable not to give yourself your full attention and your full consideration. So find a quiet space, get still, and stay open. Be ready to hear whispers from your own soul; that is where your truth lies.

*Mind and Art* Guy Sircello,2015-03-08 Guy Sircello's analysis of the varieties of expression and his use of them to justify a particular view of the human mind clarify a number of controversial topics in contemporary philosophy, among them the notion of artistic acts, language as expression, the expression of ideas, expressions as natural signs, and the nature of the causal relationship between an expression and what is expressed. Originally published in 1972. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished

**The Devil Has Tattoos** Destiny Ford, Angela Corbett, The leaves are falling, the Halloween carnival is in full swing, and someone is robbing the residents of Branson Falls, Utah. There is no rhyme or reason to the crimes, but after an elderly widow is targeted, the town is up in arms—literally, and everyone is pointing fingers straight at the owners of the new tattoo shop, Inked AF. Branson Tribune editor, Kate Saxee, isn't sure who is to blame, but she's not willing to let an angry mob run the tattoo shop out of town without investigating—and she's not the only one with questions that need answers. Drake and Hawke, both serious relationship material, are very interested in why Kate has been avoiding them for weeks. Kate's love life and the robberies aren't the only things on Kate's plate. She's also being stalked by a costume-wearing gang, helping Ella with her new online auction hobby, failing to avoid The Ladies, and trying to manage her mom's most recent antics involving an angry goat named Humperdinck. Between all the chaos, Kate discovers there is more to the robberies than meets the eye, and if she doesn't figure it all out fast, someone might end up dead AF.
