Confess, Fletch Gregory Mcdonald,2018-08-21 Now a major motion picture starring Jon Hamm as Fletch! Offering up brisk, tightly written plots and a stellar cast of characters both new and old, Confess, Fletch finds our incorrigible protagonist back in deep waters once again. Fletch, now newly engaged and happily living out his days in Italy, finds himself embroiled in yet another scandal. His soon-to-be father-in-law has been kidnapped and is now presumed dead, and the priceless collection of rare art that belongs to his fiancée's family has been stolen. Ever the investigative reporter, he receives a tip about the missing art that lands him in Boston, where he walks right into a murder scene in his apartment. What clearly looks like a setup to the unfazed Fletch looks quite different to the detective assigned to the case, Mr. Francis Xavier Flynn. But even if the case is seemingly cut-and-dry, Flynn is reluctant to arrest the only suspect that stands before him. Now under the detective's watchful eye, Fletch must try to clear his name and search for the missing paintings, all while his gorgeous future mother-in-law works to persuade him for help the best way she knows how—seduction.

My Father's House Joseph O'Connor,2023-01-31 From best-selling author Joseph O'Connor comes a gripping and atmospheric World War II literary thriller set in occupied Rome. A WASHINGTON POST BEST BOOK OF 2023 SHORTLISTED FOR THE 2024 WALTER SCOTT PRIZE Inspired by the true story of Monsignor Hugh O'Flaherty, who, together with his accomplices, risked his life to smuggle thousands out of occupied Rome right under the nose of his Nazi nemesis, My Father's House is a "potent blend of excitement, suspense and intrigue" (The Washington Post). September 1943: German forces have Rome under their control. Gestapo boss Paul Hauptmann rules over the Eternal City with vicious efficiency. Hunger is widespread. Rumors fester. The war's outcome is far from certain. Diplomats, refugees, Jews, and escaped Allied prisoners flee for protection into Vatican City, a neutral, independent state nestled in the city of Rome. A small band of unlikely friends led by a courageous Irish priest is drawn into deadly battle of wits as they attempt to aid those seeking refuge.Suspenseful and beautifully written, My Father's House tells an unforgettable story of love, faith, sacrifice, and courage.

Searching for Lottie Susan Ross,2019-02-26 Lottie, a talented violinist, disappeared during the Holocaust. Can her grand-niece, Charlie, discover what happened? A long-lost cousin, a mysterious locket, a visit to Nana Rose in Florida, a diary written in German, and a very special violin all lead twelve-year-old Charlie to the truth about her great-aunt Lottie in this intriguing, intergenerational mystery. Charlie, a budding violinist, decides to research the life of her great-aunt and namesake for her middle school ancestry project. Everyone in Charlie's family believes Great-Aunt Charlotte (called Lottie), a violin prodigy, died at the hands of the Nazis, but the more Charlie uncovers about her long-lost relative, the more muddled Great-Aunt Lottie's story becomes. Could it be that Lottie somehow survived the war by hiding in Hungary? Could she even still be alive today? In *Searching for Lottie*, Susan Ross has written a highly personal work of historical fiction that is closely inspired by her own family history, exploring the ongoing effects of the Holocaust on families today. Includes a letter from the author describing the research that shaped this story.

The Boy Behind The Wall Maximillian Jones,2021-10-14 A riveting story of adventure, danger and friendship for readers 11+, perfect for fans of Alex Rider and CHERUB. What would you risk for a friend you've never met . . . ? In 1960s Berlin the Wall is everywhere. It cuts through streets, parks, even houses. Teenagers Harry and Jakob live either side of the divide. In West Berlin, American Harry witnesses the brutal shooting of a boy trying to escape over the Wall into the West, and decides to emulate his comic book heroes and help those in the East however he can. On the other side in East Berlin, Jakob is the adopted son of a high up Stasi officer, feeling suffocated by the rules of a strictly regimented society and desperate to find his real family. When Jakob finds a message that Harry has sent over the Wall, he grasps the opportunity.

The boys begin a secret friendship, evading the authorities using lemon juice as invisible ink to share hidden messages. They soon realise that a bold plot to carve a tunnel under the wall is the only way out for Jakob – and it's time to put their friendship to the test. Just how much are they prepared to risk for each other – and for freedom? 'A real page turner which will keep you reading long after you should have turned out the light!' Independent Book Reviews – Fiona Sharp 'It has everything a school Library Manager could possibly hope for in a book to recommend to their students. It gives the reader historical knowledge. It is an adventure. It is thrilling. The pacing is perfect. There is no bad language' Dudley School Librarian
