

# American Civil War Books Fiction

**Harriet Beecher Stowe, Stephen Crane, Frederick Douglass, August Nemo**

With Lee in Virginia G. A. Henty, 2008-06-01

**The Red Badge of Courage** Stephen Crane, 1999 Facsimile of the first edition, published, fall 1895 at New York by D. Appleton and Company.

When This Cruel War Is Over Thomas Fleming, 2002-10-13 They called themselves Sons of Liberty -- a revolutionary conspiracy that intended to form a new confederacy in the American heartland -- and put an end to the American Civil War. Backed by the South, the Sons launch guerilla attacks against Union troops. The year is 1864, the place Indiana and Kentucky. A time of ruthless censorship, conscription, and a seemingly endless war that has left a half a million Americans dead. Union Major Paul Stapleton falls in love with Janet Todd, courier and evangelist for the Sons of Liberty. Another admirer, Colonel Adam Jameson, readies his Confederate cavalry division to support the Sons' revolt. The battle for the future of America is about to begin.

**Gettysburg** Newt Gingrich, William R. Forstchen, 2003-06-12 The Civil War is the American Iliad. Lincoln, Stonewall Jackson, Grant, and Lee still stand as heroic ideals, as stirring to our national memory as were the legendary Achilles and Hector to the world of the ancient Greeks. Within the story of our Iliad one battle stands forth above all others: Gettysburg. Millions visit Gettysburg each year to walk the fields and hills where Joshua Chamberlain made his legendary stand and Pickett went down to a defeat which doomed a nation, but in defeat forever became a symbol of the heroic Lost Cause. As the years passed, and the scars healed, the debate, rather than drifting away has intensified. It is the battle which has become the great what if, of American history and the center of a dreamscape where Confederate banners finally do crown the heights above the town. The year is 1863, and General Robert E. Lee and his Army of Northern Virginia are poised to attack the North and claim the victory that would end the brutal conflict. But Lee's Gettysburg campaign ended in failure, ultimately deciding the outcome of the war. Launching his men into a vast sweeping operation, of which the town of Gettysburg is but one small part of the plan, General Lee, acting as he did at Chancellorsville, Second Manassas, and Antietam, displays the audacity of old. He knows he has but one more good chance to gain ultimate victory, for after two years of war the relentless power of an industrialized north is wearing the South down. Lee's lieutenants and the men in the ranks, imbued with this renewed spirit of the offensive embark on the Gettysburg Campaign that many dream should have been. The soldiers in the

line, Yank and Reb, knew as well that this would be the great challenge, the decisive moment that would decided whether a nation would die, or be created, and both sides were ready, willing to lay down their lives for their Cause. An action-packed and painstakingly researched masterwork by Newt Gingrich and William Forstchen, Gettysburg stands as the first book in a series to tell the story of how history could have unfolded, how a victory for Lee would have changed the destiny of the nation forever. In the great tradition of The Killer Angels and Jeff Shaara's bestselling Civil War trilogy, this is a novel of true heroism and glory in America's most trying hour.

**The Last Full Measure** Jeff Shaara,2011-01-05 In the Pulitzer prize-winning classic The Killer Angels, Michael Shaara created the finest Civil War novel of our time. The Last Full Measure tells the epic story of the events following the Battle of Gettysburg and brings to life the final two years of the Civil War. Jeff Shaara dramatizes the escalating confrontation between Robert E. Lee and Ulysses S. Grant—complicated, heroic, and deeply troubled men. For Lee and his Confederate forces, Gettysburg has been an unspeakable disaster, but he is determined to fight to the bitter end; he faces Grant, the decisive, hard-nosed leader the Union army so desperately needs in order to turn the tide of the war. From the costly Battle of the Wilderness to the agonizing seize of Petersburg to Lee's epoch-making surrender at Appomattox, Shaara portrays the riveting conclusion of the Civil War through the minds and hearts of the individuals who gave their last full measure. **BONUS:** This edition includes an excerpt from Jeff Shaara's Blaze of Glory.

*With Lee in Virginia* George Alfred Henty,1910

**The Killer Angels** Michael Shaara,Jeff Shaara,1996 Presents a collection of three novels that present a fictionalized account of the battles of the Civil War.

*A Private and Her Foes* Mark Gallik,2021 During the American Civil War, a young wife does everything in her power to keep close to her husband--

With Lee in Virginia G. A. Henty,2017-05-13 *With Lee in Virginia: A Story of the American Civil War* By G. A. Henty

**With Lee in Virginia; a Story of the American Civil War. Historical Novel** G. A. Henty,2018-10-26 *With Lee in Virginia, A Story of the American Civil War* (1890) is a book by British author G.A. Henty. It was published by Blackie and Son Ltd, London. Henty's character, Vincent Wingfield, fights for the Confederate States of America, even though he is against slavery. As suggested by the title, he is primarily with the Army of Northern Virginia. Henty's novel has been cited by some literary historians as an example of British right-wingers' sympathy for the Confederate cause; discussing *With Lee in Virginia*, Jeffrey Richards cites the book as significantly pro-Southern.[1][2] Henty defends slavery throughout the novel, stating although slavery was capable of abominable cruelty under brutal masters, ..taken all in all, the negroes on a well-ordered estate, under kind masters, were probably a happier class of people than the laborers upon any estate in Europe. At the novel's end, Henty has the Wingfield family's former slaves return and continue working for their former owners

*Good Time Coming* C.S. Harris,2016-12-01 A girl grows up too quickly in Civil War Louisiana: “Powerful...This is top-notch historical fiction.”—Publishers Weekly I killed a man the summer I turned thirteen... Thus begins USA Today-bestselling author C. S. Harris’s haunting, lyrically beautiful tale of coming of age in Civil War-torn Louisiana. Eleven-year-old Amrie St. Pierre is catching tadpoles with her friend Finn O’Reilly when the Federal fleet first steams up the Mississippi River in the spring of 1862. With the surrender of New Orleans, Amrie’s sleepy little village of St. Francisville—strategically located between the last river outposts of Vicksburg and Port Hudson—is now frighteningly vulnerable. As the roar of cannons inches ever closer and food, shoes, and life-giving medicines become increasingly scarce, Amrie is forced to grow up fast. But it is her own fateful encounter with a tall, golden-haired Union captain named Gabriel that threatens to destroy everything and everyone she holds most dear. Told with rare compassion and insight, this is a story of loss and survival; of the bonds that form among women and children left alone to face the hardships, deprivations, and dangers of war; and of one unforgettable girl’s slow and painful recognition of the good and evil that exists within us all. “This story of love, loss, and growing up under some of the most difficult circumstances imaginable is beautifully written, superbly researched, emotionally engaging and gripping from first page to last. A must for old-school fans of historical fiction.”—Booklist (starred review)

*With Lee in Virginia: a Story of the American Civil War* G. A. Henty,2018-11-13 *With Lee in Virginia*, A Story of the American Civil War (1890) is a book by British author G.A. Henty. It was published by Blackie and Son Ltd, London. Henty's character, Vincent Wingfield, fights for the Confederate States of America, even though he is against slavery. As suggested by the title, he is primarily with the Army of Northern Virginia. Henty's novel has been cited by some literary historians as an example of British right-wingers' sympathy for the Confederate cause; discussing *With Lee in Virginia*, Jeffrey Richards cites the book as significantly pro-Southern. Henty defends slavery throughout the novel, stating although slavery was capable of abominable cruelty under brutal masters, ..taken all in all, the negroes on a well-ordered estate, under kind masters, were probably a happier class of people than the laborers upon any estate in Europe. At the novel's end, Henty has the Wingfield family's former slaves return and continue working for their former owners: The negroes, however, for the most part remained steadily working on the estate. A few wandered away, but their places were easily filled; for the majority of the freed slaves very soon discovered that their lot was a far harder one than it had been before, and that freedom so suddenly given was a curse rather than a blessing to them.

*3 books to know American Civil War* Harriet Beecher Stowe,Stephen Crane,Frederick Douglass,August Nemo,2020-05-02 Welcome to the3 Books To Knowseries, our idea is to help readers learn about fascinating topics through three essential and relevant books. These carefully selected works can be fiction, non-fiction, historical documents or even biographies. We will always select for you three great works to instigate your mind, this time the topic is:American Civil War. Uncle Tom's Cabin;

or, *Life Among the Lowly*, is an anti-slavery novel by American author Harriet Beecher Stowe. It had a profound impact on Americans' public opinion and is widely credited with fueling the abolitionist movement. Its publication materially contributed to the tensions leading up to the American Civil War. Published in 1895, a full thirty years after the American Civil War had ended, *The Red Badge of Courage* follows the trials and tribulations of Henry Fleming, a recruit in the American Civil War struggling with ideas of bravery and courage. Although Stephen Crane was born after the war and never participated in battle himself, he produced one of the most influential war novels of all time and veterans praised his ability to capture the true nature of the battles he described. Both a memoir and abolitionist statement, *Narrative of the Life of Frederick Douglass, an American Slave* is considered one of the most important and influential writings of the abolitionist movement of the early 19th century in the United States. The book details the events of Frederick Douglass's life, documenting the cruel brutality and injustice of a slave's life as well as the immorality of slavery itself. This is one of many books in the series 3 Books To Know. If you liked this book, look for the other titles in the series, we are sure you will like some of the topics.

Divided We Fall Mark Goodwin, 2018-04-07 The Second American Civil War Has Begun! The deck is stacked against twenty-nine-year-old Ava. She's a fighter, but she's got trust issues and doesn't always make the best decisions. Her personal complications aren't without merit, but America is on the verge of a second civil war, and Ava must pull it together if she wants to survive. The tentacles of the deep state have infiltrated every facet of American culture. The public education system, entertainment industry, and mainstream media have all been hijacked by a shadow government intent on fomenting a communist revolution in the United States. The antagonistic message of this agenda has poisoned the minds of America's youth who are convinced that capitalism and conservatism are responsible for all the ills of the world. Violent protest, widespread destruction, and politicians who insist on letting the disassociated vent their rage will bring America to her knees, threatening to decapitate the laws, principles, and values on which the country was founded. The revolution has been well-planned, but the socialists may have underestimated America's true patriots who refuse to give up without a fight. Ava's had a hard life . . . and it's about to get a whole lot tougher! Ava has just lost her adoptive mother to cancer. She has no idea who her biological father is and her adoptive dad walked out on his family for the sweet young thing at the office fifteen years ago. With such a long history of loss and abandonment, it's understandable why she's hesitant to put her faith in people. Ava refuses to give in to fear, but she simply cannot survive on her own. She must deal with her crisis of faith and learn to trust others, or she'll never make it through the bloodiest period of America's history. Don't miss this chilling tale of America's Civil War 2.0! As with all books by Mark Goodwin, this book contains no profanity and no embarrassing sex scenes. However, if you're offended by conservative principles and references to Scripture, this book might not be for you.

*The Killer Angels* Michael Shaara, 1993 A reissue of a Pulitzer prize-winning classic, and now the major motion picture

GETTYSBURG. As a result of these acclamations, this book is considered one of the greatest novels written on the Civil War.

*The Little Regiment, and Other Episodes of the American Civil War* Stephen Crane, 2019-07-31 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible.

*With Lee in Virginia* G. A. Henty, 2017-11-21 Excerpt from *With Lee in Virginia: A Story of the American Civil War* You may appeal to my mother if you like, but I don't think that you will get much by it. I tell you you are a deal too fond of that whip, Pearson. It never was heard of on the estate during my father's time, and it shan't be again when it comes to be mine, I can tell you. Come along, Dan; I want you at the stables. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. **Jim Mundy** Robert H. Fowler, 2000-10-01

American Civil War Novels to 1880 Richard Schuster, 1981

The American Civil War Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult. (From the foreword by James M. McPherson) The first guide to Civil War literature to appear in nearly 30 years, this book provides the most comprehensive, up-to-date, and informative survey and analysis of the vast body of Civil War literature. More than 40 essays, each by a specialist in a particular subfield of Civil War history, offer unmatched thoroughness and discerning assessments of each work's value. The essays cover every aspect of the war from strategy, tactics, and battles to logistics, intelligence, supply, and prisoner-of-war camps, from generals and admirals to the men in the ranks, from the Atlantic to the Far West, from fighting fronts to the home front. Some sections cover civilian leaders, the economy, and foreign policy, while others deal with the causes of war and aspects of Reconstruction, including the African-American experience during and after the war. Breadth of topics is matched by breadth of genres covered. Essays discuss surveys of the war, general reference works, published and unpublished papers, diaries and letters, as well as the vast body of monographic literature, including books, dissertations, and articles. Genealogical sources, historical fiction, and video and audio recordings also receive attention. Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience.
