THE EVIL VERSES OF THE BIBLE AND WHY THE BIBLICAL GOD IS WORSE THAN HITLER Maximillien de Lafayette, 2018-11-04 THE EVIL VERSES OF THE BIBLE AND WHY THE BIBLICAL GOD IS WORSE THAN HITLER (The evil nature of Yahweh) 5th Edition, Revised and Expanded. Published by Times Square Press], New York. The Evil And Bloody Nature Of Our Biblical God. This is exactly, the delicate, fragile and controversial topic we will be exploring, discussing and explaining in this treatise. Jewish, Christians, Rabbis, priests, bishops, missionaries, vicars, pastors, reverends, theologians, preachers, imams, tele-evangelists, and your honorable religion's teacher don't want you to read this book.

Anunnaki Religions, and Why You Believe What You Believe. Dr. James Krieger D.D., 2017-02-03 The word anunnaki means princely offspring (John 14:30) whom we call the devil or Satan, whose real name is Yaldabaoth. Dark or fallen angels or spirits really (Eph. 6:12) come to us in many ways, shapes, and forms (Hebrews 13:2). The book of the Babylonia, called Igigu, explains Rev. 13:1. The three ungodly spirits are Yaldabaoth, Sakla, Sammuël, and their seven authorities created this lower world and all of humanity out of his kingdom of the second heaven called outer darkness. Truth can only come from God. The fullness is called Jesus, the Word of God, the Comforter (John 14, 15, 16, 17). When you are born again in God's way, this is God's anointing (1 John 2:27). Let no man teach you because (all) every man is a liar, ignorant of God's Word (Romans 3:4), as Jesus said in John 10:1. These books of all religions are called heresy because your religions and denominations want to keep you in darkness, bonds, and slavery by servitude through tithes. This is what Jesus said in Matt 11:25-30. He, Jesus, will break these bonds and make you free of man. Religion theology and church doctrine (John 10:1, John 14:6, John 17:17, and Eph. 5:26) will make you (John 8:28-36). This book and the six other teaching guide books that I have written are only

knowledge (data) call statements of menno truth. My seven books are taken from the same books that the bishops of Rome used to put the Bible together. Daniel 12:4 means the latter rain or the age of information. Question is, what do Acts 17:11 and 2 Timothy 2:15, written in AD 60, mean to you? It does not mean the Bible.

I Am Anunnaki God in the Bible TIMOTHY. STRONG, Spirit of God, 2025-01-28 I Am going to show you with Biblical proof in the Bible that the I AM Anunnaki Gods are in every Book of your Bible. Do you know who God is? Does God mean Anunnaki Elohim for many Gods and Goddesses of both sexes from Sumer, Mesopotamia? Anu, Enki, Enlil, Ninhursag, Nanna, Utu, and Inanna decree the fates of humanity. Without them we would not be a humanity, and have a home called EArth, nor a sEA=EA. They are the true Father, and Mother Gods of the human races, and for this I will continuously give them thanks, and much gratitude. Not only to them but to the others called the Anunnaki Gods and Goddesses. What I told you that the Anunnaki Gods are the Biblical Gods, and the Creations Creators? What if I told you that they created mankind? How does Jesus tie into the term Anoki, Ego, and Ani? How does Anunnaki Jesus try to get you to find the Anunnaki, in Hebrew Anoki? What are the Biblical proofs in every Book in the Bible of the I AM Anunnaki Gods? Did Enki, Enlil and Ninhursag create humanity with the other Anunnaki Gods? Would you believe me that the Anunnaki Gods are in every Book in the Bible? Exodus 6:2 And God=Anunnaki spake unto Moses, and said unto him, I am=Anunnaki Anoki the Lord Enlil; Jesus said in John 6: 48 I am=Anunnaki Anoki that bread of life; John 10: 9 I am=Annunaki the door: More secrets revealed in book. Psalm 46: 10 Be still, and know that I am=Anunnaki Anoki God=Anunnaki: Revelation 14: 7 Saying with a loud voice, Fear God=Anunnaki Elohim, and give glory to him; for the hour of his judgment is come: and worship him that made heaven=Anu, and earth=Ki Enlil, and the sea=Enki, and the fountains of waters. Matthew 24: 5 For many shall come in my name, saying, I am=Anunnaki Anoki Christ=Anointed Messiah Christos; and shall deceive many. Genesis 1: 26 And God=Anunnaki said, Let us=Anunnaki make man in our=Anunnaki image, after our=Anunnaki likeness: Numbers 23: 19 God is not a man, =Extraterrestrial=Alien that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? or hath he spoken, and shall he not make it good? Mark 14: 62 And Jesus said, I am=Anunnaki Anoki: and ye shall see the Son of man sitting on the right hand of power, and coming in the clouds of heaven=in a spaceship hologram. Matthew 10: 16 And other sheep I=Anunnaki Anoki have, which are not of this fold=aliens on other planets: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd. Exodus 20: 2 I am=Anunnaki Anoki the Lord Enlil thy God=Anunnaki, which have brought thee out of the land of Egypt, out of the house of bondage. 3 Thou shalt have no other gods before me. 4 Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth. 5 Thou shalt not bow down thyself to them, nor serve them: for I, Anunnaki Anoki the Lord Enlil thy God=Anunnaki am a jealous God=Anunnaki, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; Malachi 3: 6 For I am=Anunnaki Anoki the Lord

Enlil, I change not; Who changed? =Wake-Up The Future Is Today! 1 John 4: 19 We love him=Anunnaki, because he first loved us=Anunnaki Anoki. Revelation 1: 8 I am=Anunnaki Anoki Alpha=Anu and Omega=Ninhursag, the beginning and the ending, saith the Lord Enlil, which is, and which was, and which is to come, the Almighty. Revelation 22: 13 I am=Anunnaki Alpha=Anu and Omega=Ki Ninhursag, the beginning and the end, the first and the last. Gospel of Thomas #30: Jesus said, Where there are three gods, they are gods. Where there are two or one, I am=Anunnaki Anoki with him.

Forbidden Theology Miles Augustus Navarr, 2012 Over 75% of the people who live on this planet are followers of one of the three major monotheistic religions. They all consider Abraham as the father of their race and religion. They all believe in one singular, all powerful, all knowing benevolent god. The Hebrew call him Yahweh, the Christians refer to him as Father or Lord and Muslims call him Allah, and yet millions and millions of people have been murdered, maimed and tortured by the followers of this single entity to prove that their version of this single god is better than the other two versions. Sounds ridiculous, and yet sadly enough, more people have died in the name of religion than any other cause in the history of humanity. Each and every one of us at one time or another has asked or thought about such fundamental questions as, Is there a God?' Where did humans come from?' Why out of millions of species on earth, only humans reached this level of sophistication?' Is there a life after death?' Is there a purpose to life?' Why are we here?' Are the scriptures truly the words of god?' More importantly, is there any way we could find answers to such questions? The fact is, the answer to most of these questions, and many more, that we thought unanswerable, have been written down on clay tablets by our ancient ancestors who lived in Mesopotamia over 7000 years ago. These records are readily available to those who are willing to step outside the dogmatic belief system of the establishment, and are prepared, mentally and spiritually, to tolerate a totally different rendering of the oldest written historical records about mankind's origin, purpose and the truth about god, our maker. The subject matter of this book is an attempt to investigate the circumstances under which Mankind was made, and to trace the beginning and development of such concerns as the emergence of the concept of god and the formation of what later became known as religion. This is done primarily by relying on our scriptural texts, particularly the Old Testament, as well as other ancient manuscripts such as Sumerian, Akkadian and Babylonian Creation and Genesis epics. The first chapter begins by examining the behaviour, commands and instructions given by Yahweh to his chosen people. These commands and instructions are then evaluated and compared with basic accepted human rights standards practised and observed by almost all communities and societies, past and present. The question is then asked, How could an entity, powerful enough to have created the entire universe, issue such cruel and sadistic commands against some of his own creations? Furthermore, Yahweh's behaviour is decidedly pro Hebrew, and shows no regards or thought about non Hebrew masses. How could the universal god show such bias towards a tiny fraction of his creatures, with total disregard for the rest? Finally the characteristics and personalities of Yahweh is analysed by scrutinising his behaviour, actions and directives as stated in the

Old Testament, before examining the god of Christianity. In investigating the role and characteristics of God in Christianity, the first thing that immediately becomes apparent is the absence of a prominent role for God the Father, as we had witnessed in Judaism. The Christians, or more specifically Saint Paul, who was the founder and designer of Christianity as we know it today, in order to distance his creation from the Hebrews and religion of Yahweh, invented a new Godhead and named him Jesus Christ (Ancient Greek: Ἰησοῦς Içsous). Born of a virgin, with powers to heal the sick, give sight to the blind and even raise the dead, who was crucified but resurrected three days later. These were all characteristics borrowed from various religions and cults prevalent at the time in the Levant, from Mithraism to the cult of Apoll

Bible Encoded Crop Circle Gods Steve Canada,2006-06-05 The Torahs text, the first five books of the Bible, dictated to Moses by Yahweh on Mount Sinai about 3400 years ago, contains throughout its chapters multiple encoded names of those 12 alien beings identified in crop circles, the Anunnaki of Nibiru (10th solar system planet), who established all human civilizations. The main gods of those various religions are also encoded in the Torah, found very close in the encrypted text with the corresponding Anunnaki names from the ruling Council of 12. Their home planets name, Nibiru, and the biblical version, Olam, are encoded in the Torah close to all 12 Anunnaki names. The terms cropcircle and OlamUFOs are also found encoded, along with Mars Face and all related descriptions of it such as Earth, gold, discoverer, Nibiru, hero, king, Alalu, Mars and carve. Ill never think of crop circles the same way again. Alien End of Days in 2010, Their New World Order by 2041 Steve Canada,2009

The Rise of the Igigi Faruq Zamani, Igigi unrest leading to the Zu Incident was just a harbinger of other troubles to come-troubles inherent in long-term interplanetary missions, and female companionship was one of the significant problems. The problem was less acute with the Earth-stationed Anunnaki since they contained females from the first landing party (some named and assigned tasks in Enki's autobiography). In addition, a group of nurses led by their daughter of Anu was sent to Earth. She was known as Ninmah (= 'Mighty Lady'); her role on Earth was that of Sud (= 'One who gives succor'): she served as the Anunnaki's Chief Medical Officer and was crucial to any subsequent events. Its ancient tide echoed its opening words: Inuma ilu awilum ('When the gods became like men'): however, there was also trouble among the Earth-based Anunnaki, especially those assigned to mining duties. Several unintended consequences resulted from the Anunnaki's Mutiny in the Atra-Hasis Epic, which tells of an uprising by the Anunnaki who refused to work in the gold mines. While the

gods, like men, bore the toil and work. There was great toil for the gods, and the result was heavy; there was much distress. The very Akkadian term, Awilu, means 'employee,' rather than simply 'Man,' as it is usually translated. In the Epic tale, the man takes over the work of the gods. Despite the absence of men on Earth, the gods toiled as though they were men. Enki and Ninmah achieved that feat, but it was not a story with a happy ending, as far as Enlil was concerned.

THE MIND, BODY, SPIRIT, And STORYTELLING Hakeem R. Jelani, 2023-05-23 For a controversial yet refreshing perspective this book you are holding right now is one that will give you a salient insight into the author's discourse with a new subjective viewpoint regarding the Anunnaki ancient world. Their significant deeds and contributions to humanity. Which syncs very nicely with the modern ancient astronauts hypothesis. Events that are largely associated with the Old Testament Bible Genesis narrative, are inextricably linked back to Anunnaki as Those who from Heaven came down to Earth were a fifty man crew under command of the Anunnaki Royal Prince Enki(Ea). From his home planet Nibiru, the eponymous God of creation, imbued Kemetic spiritual science philosophy to the African Pharaohs dynasties of Egyptians (Mithrum). Its speculation and bold assumptions will brighten up your vision as you discover what has long been hidden by the elites who promulgate mendacious truthiness and storytelling as the vicar's of god on Earth. Reading this book gives you this powerful insight from a mind, body, and spirit perspective. You discover a different view of the Holy Old Testament Bible Genesis narrative and storytelling. Hakeem invites readers to reexamine the Bible myth as a dichotomy between the significant transition into the Western New Testament Christian Church religion of western Europe and the African-Egyptian consciousness of spiritual science precepts. The Kemetic ankh (life) became the Christian cross (death). Each represents important symbolism. Whereas the former was plagiarized and replaced and incorporated into the Roman Catholic New Testament Christian Bible, religion and canons as the doctrine of theology. It's a great story that postulates an assertion that calls one to reexamine the Bible book of genesis. Which the Hebrew and Greek Septuagint Bible scribes removed acknowledge to conceal gods Anunnaki identity of the gods. The truth about the elite, Royals pantheon of alien gods as Anunnaki Anu, Enlil, and Enki as: Those who from the Heavens came down. The ancient account pertaining to the Sumerian Bible Genesis is the original codex of historical manuscript religious described rituals and rites, which was the hidden books of sacred knowledge and wisdom taught in the halls of the mystery schools by the ancient Egyptian Priesthood. This book imparts his speculative unvarnished anecdotal details about Genesis from a different perspective. The Biblical history of Genesis, as it should be taught. Not like the Christian, Catholic, Protestant, and Baptist religions teach the gospels of the Christian, savior of the crucified Jesus Christ as the human savior or of the crucified Jesus Christ of heaven. Not like the Christian, Catholic, Protestant, and Baptist religions of blind faith. But in its purest form of theology, that is primarily the Gospels of death, salvation, and the resurrection after the end of Jesus Christ's crucifixion by the Roman. Albeit speculative, its conjecture dovetails nicely with attributions described in the Old Testament Bible god corresponds precisely to Enki (Ea) deeds. This book is complete speculation with emphasis on the Bible book of Genesis. Hakeem boldly conflated the creator of the homo sapien sapiens with Enki who was a brilliant scientist and chief medical doctor. Which means that he was exceptionally qualified to genetically fuse his biological DNA chromosome code by genetic manipulation of an African female

mitochondrial DNA as described in the Old Testament Genesis narrative tale. Which raises curious questions as to why the book of Genesis accounts can be examined with great skepticism and a misdirection play because much of the factual information about the Genesis of history was either burned by invading armed forces, omitted the rulers, suppressed by the Church, or destroyed in order to control the narrative of historical evidence. He pointed to Enki's process concerning an African female's mitochondrial DNA biological chromosome genetic codes, manipulated and used to fashion Adam (men) as his Hebrew ancestral Royal bloodline. It's a fictionalized story written to make people think about this with intellectual intuition, logic, and reason.

The Real Origin of Man Gary Thomas, 2013-05-31 The Real Origin of Man shows how all legends and myths tell the real story of Mans beginnings. The Bible, Sumerian Texts, Hopi Indians and Edgar Cayce all claim we were formed by a spirit race. The Bible codes much of the information but the author shows the proper translation of Biblical stories and how they verify Mans beginnings. The book also covers Atlantis and their advanced culture (much like ours today) and how the survivors of the Great (Noahs) Flood escaped to Egypt and created the Pyramids and an advanced society. From there it covers the hidden life of Jesus (ages 12 to 30) and names his teachers and subjects studied. The book explores the Freemasons and their secret society that still rules the world today!! Finally, the book explains how World War Two was actually a battle between Atlantean bloodlines. Packed with information, you will be able to delve into all of these areas and much more that is covered in this book. Forget what you learned in school, you are about to read the Real Origin of Man and who really runs the world today.

Elohim: Ancient Science Fiction or Biblical God? Kerry L. Barger, 2019-02-21 You may have wondered who first penned the biblical Genesis account and where its familiar stories originated. Many believe it was written by Moses. Others consider it merely a collection of older fables that were restructured and compiled after the Jews returned from exile in Babylon. Recently, scholars have uncovered another explanation that defies belief! The first intelligent life on Earth may have arrived here from another world, according to a number of recently discovered 5,000 year-old cuneiform texts. This fantastic tale may have actually been documented by an individual who claimed to be one of many ancient explorers who traveled to Earth from another planet. In the oldest Mesopotamian myths, he is credited with having made the first humans and guiding the development of Earth's first civilization. Written in his own words, the author of this book's ancient autobiographical account may have been the creator of mankind. His influence can be found in every major religion on our planet.

Now and Then 2nd Edition Bob Maddison, 2012-09-05 Lost civilizations? Origins of mankind? Why does mankind seem to need religion? Why is there so much confusion and mental indigestion manifest among not only rank and file mankind, but also actively demonstrated by the academics? After all, does it really matter who built the pyramids of Egypt? Or when they were built? Does it matter that there are so many confusing and conflicting claims by the proponents of the many religions?

So who, or what, is god? Is it Jehovah, Allah, Krishna, or Enlil? Or perchance it is a fiction. And what does it matter or avail if we understand the true origins of man or not? If we cannot correctly understand who and what mankind is, how can we ever know and understand what angels, demons, gods, God, or aliens are? Is it that we are the aliens and this was not our earth?

ANNU Jeremy Tubbs, 2025-03-11 This book is a journey into the forbidden past, an exploration of the hidden forces that have shaped human history—and may still be controlling us today. Through my research, travels, and personal encounters, I uncover the truth about the Anunnaki, the Nephilim, and their connection to the Bible, mythology, secret societies, and modern-day power structures. What if the gods of ancient civilizations weren't just myths? What if they were real, and they never truly left? This book dives into: The Anunnaki—their origins, their influence over Sumer, Egypt, and beyond, and the shocking truth about their role in human history. The Nephilim—the giants, the hybrids, the cursed offspring of fallen beings and humans, and the evidence that they still exist. The Bible's hidden warnings—how ancient texts align with forbidden history, revealing a war between divine and corrupted forces. The elite bloodlines and modern-day rituals—how powerful families, secret societies, and global institutions still worship and serve these ancient entities. The connection between ancient sacrifices and modern occult practices—and what it all means for the future of humanity. As I dig deeper, I come face to face with a terrifying possibility: The Anunnaki never left. They adapted. And they may be preparing for their return. This book isn't just a history lesson—it's a wake-up call. A challenge to everything we've been taught. And once you see the truth, there's no turning back.
