Fated Souls Ellie Wade,2023-07-04 As an author, words have always been my escape. In my mind, I've lived the many versions of happily ever afters I've written for the world to read. I've created swoon-worthy men who would do anything for the women they love. The worlds I've created have left women wishing the stories I've penned were real. Yet my life outside the pages is void of romance and dictated by fear—something I have in abundance while my trust is scarce. I'm terrified of the horrors that could break me and avoid them at all costs. But he found me anyway. I imagine he's every hero I've ever written. I feel him in my bones, and I see him in my dreams. It's as if I was manifesting him into my life all along. He's kind, sexy, and smart...and I deserve to be cherished by him. I write about soul-crushing love because nothing in life comes wrapped in a neat little bow. Love is hard, and the journey is often riddled with obstacles that break our hearts. Yet true love is always worth the battle. I just have to find the courage to fight. I've written so many happily ever afters. It's time I find mine. ***Book Four in The Beautiful Souls Collection. Can be read as a complete standalone.
