## Mircea Eliade

**The Sacred and the Profane** Mircea Eliade, 1959 Famed historian of religion Mircea Eliade observes that even moderns who proclaim themselves residents of a completely profane world are still unconsciously nourished by the memory of the sacred. Eliade traces manifestations of the sacred from primitive to modern times in terms of space, time, nature, and the cosmos. In doing so he shows how the total human experience of the religious man compares with that of the nonreligious. This book serves as an excellent introduction to the history of religion, but its perspective also encompasses philosophical anthropology, phenomenology, and psychology. It will appeal to anyone seeking to discover the potential dimensions of human existence. -- P. [4] of cover.

**Myth and Reality** Mircea Eliade, 1963

Mircea Eliade Nicolae Babuts, 2014-04-18 Mircea Eliade (1907–1986) was one of the twentieth century's foremost students of religion and cultural environments. This book examines the emergence, function, and value of religion and myth in his work. Nicolae Babuts, Robert Ellwood, Eric Ziolkowski, John Dadosky, Robert Segal, Mac Linscott Ricketts, Douglas Allen, and Liviu Borda examine Eliade's views on the interaction between the sacred and the profane. Each explores Eliade's phenomenological approach to the study of religion and myth. They show that modern rites of initiation, cultural activities, and spectacles like bullfighting, film, and, perhaps surprisingly, reading and writing, all harken back to the archetypal structures of the mythical imagination. Perhaps the greatest achievement of Eliade's phenomenological approach is that it reveals what we have in common with pre-Socratic man: the mind's structural capacity to endow objects and events with spiritual values and meanings. As a study of Eliade's concept of the mythic imagination, the book posits an analogy between the myths of the past and modern imitations. The authors suggest that in spite of their differences and their separate historical sources, myths represent basic structures of human consciousness. This book is essential reading for all students of religion, philosophy, and literature.

**Mircea Eliade and the Dialectic of the Sacred** Thomas J. J. Altizer, 1975

Patterns in Comparative Religion Mircea Eliade, 1996-01-01 In this era of increased knowledge the essence of religious phenomena eludes the psychologists, sociologists, linguists, and other specialists because they do not study it as religious. According to Mircea Eliade, they miss the one irreducible element in religious phenomena—the element of the sacred. Eliade

abundantly demonstrates universal religious experience and shows how humanity's effort to live within a sacred sphere has manifested itself in myriad cultures from ancient to modern times; how certain beliefs, rituals, symbols, and myths have, with interesting variations, persisted.

Mircea Eliade and the Dialectic of the Sacred Thomas Jonathan Jackson Altizer, Mircea Eliade, 1984

**Myths, Rites, Symbols** Mircea Eliade, 1976

*Mircea Eliade and the Dialectic of the Sacred* Thomas Jonathan Jackson Altizer, 1980

**Waiting for the Dawn** Mircea Eliade, David Carrasco, 1991 First published in 1991, *Waiting for the Dawn* is the result of a year-long interdisciplinary study of Mircea Eliade's scholarly, literary, and autobiographical works which took place at the University of Colorado in 1982. With a preface by David Carrasco that takes into account recent developments in Eliade scholarship, this important work is back in print after renewed interest in Eliade thanks to Francis Ford Coppola's screen adaptation *Youth without Youth* (2007).

Myth and religion in Mircea Eliade, 2002

**Autobiography**, 1988

*Mircea Eliade* Moshe Idel, 2014 *Mircea Eliade: From Magic to Myth* addresses a series of topics that have been neglected in scholarship. The book looks at the early Romanian background of some of Eliade's ideas, Eliade's attitude toward Judaism, his association with the Romanian extreme right movement known as the Iron Guard, and assessing the impact of Eliade's personal experiences on the manner in which he presented religion.

Religion on Trial Guilford Dudley, 1977

**Mircea Eliade** Bryan S. Rennie, 2006 This anthology is a collection of key essays by and about the Romanian-American Historian of Religions, Mircea Eliade (1907-1986). It introduces the beginning student to the terms and categories of Eliade's understanding of religious behaviour as a universal phenomenon: apprehension of the sacred by homo religiosus, humanity's religious mode, through hierophanies, revelatory events and objects. The analysis of religious behaviour as the restoration of *illud tempus*, an alternative continuum of sacred time, through myth, ritual, and symbol is a central feature of that understanding, assumed to have an authentic application in the struggle for freedom from the human condition. As well as Eliade's own understanding and its implication for the study of Religions, the collection alerts the reader to the critical response to the problems of his thought. This includes the issues raised by Eliade's biography, politics, and career as one of the most successful and influential historians of religion of the late 20th Century. Moving from inter-war Romania, through India during the struggle for independence, to war-time London and Lisbon, post-war Paris, and finally to America in the 60s and 70s, Eliade's career traces a complex trajectory involving many problems central to the academic study of religion and culture.

**Journal III, 1970-1978** Mircea Eliade, 1989-06-29 More an eloquent chronicle of the mind's life than a recital of daily routine, this volume of Mircea Eliade's journal offers a remarkably candid portrait of a renowned scholar and his work. The entries—full of marvelous ideas, outlines for works never written, responses to the works of others, and much more—reveal many rarely glimpsed sides of the private, as well as public, man. What did he really think of the students who came to him for instruction in black magic? What were his private reflections on feminism, student drug use, the sexual revolution, the nature of American scholars and scholarship? Who were his best friends, why did he enjoy their company, and why did he shun the company of others? Quite apart from the personal, biographical interest the journal holds, it is a document of cultural and intellectual significance. Eliade remarks on such colleagues and friends as Jung, Dumézil, Ricoeur, Bellow, and Ionesco. Moreover, the period covered encompasses Eliade's most active years as a teacher, and the journal beautifully reflects his developing views on religion, history, and the nature of academic culture. Bits and pieces of Eliade's past life are juxtaposed with thoughts about ongoing projects and work yet to be undertaken as well as with anecdotes of his travels and comments on world events. A genuine treat for Eliade readers and those interested in history of religions, Journal III provides new perspectives on many of Eliade's other works—the History of Religious Ideas, Ordeal by Labyrinth, the Autobiography. At the same time the journal is a mature scholar's record of the aftermath of the 1960s, a turbulent period that profoundly affected American university life. As such, these writings hold valuable insights into not only the life and work of one man but also the cultural history of an entire era.

*Mystic Stories* Mircea Eliade, 1992

*Mircea Eliade Between the History of Religions and the Fall Into History* Mihaela Gligor, 2012

The Quest Mircea Eliade, 1984-05-15 In *The Quest* Mircea Eliade stresses the cultural function that a study of the history of religions can play in a secularized society. He writes for the intelligent general reader in the hope that what he calls a new humanism will be engendered by a confrontation of modern Western man with unknown or less familiar worlds of meaning. Each of these essays contains insights which will be fruitful and challenging for professional students of religion, but at the same time they all retain the kind of cultural relevance and clarity of style which makes them accessible to anyone seriously concerned with man and his religious possibilities.—Joseph M. Kitagawa, *Religious Education*

*Mircea Eliade's Vision for a New Humanism* David Cave, 1993 Mircea Eliade, influential writer and scholar of religion, envisioned a spiritually destitute modern culture coming into renewed meaning through the recovery of archetypal myths and symbols. Eliade foresaw this restoration of meaning bringing about a new humanism of existential meaning and cultural-religious unity - but left it ambiguously defined. Cave sets forward a structural description of what this new humanism might have meant for Eliade, and what it signifies for modern culture, through a biographical exegesis of Eliade's life and writings from his early years in Romania to his last years as professor of the history of religions at the University of Chicago.

Addressing Eliade's political associations and espousals on Romanian politics and culture, theories on myth and symbols, existential and comparative hermeneutics, literature of the fantastic, interpretation of homo religiosus, views on the loss of meaning in modern consciousness and on the cosmic spirituality of archaic humans, as well as other subjects, Cave sets these topics within the totality of Eliade's oeuvre and evaluates them through the lens of the new humanism. Cave's book is the first to organize and evaluate the whole of Eliade's work around a guiding principle, and on Eliade's own terms. To augment the new humanism, Cave uses data and themes from the history of religions and draws on philosophy, anthropology, psychology, modern science, and literary studies. The result is a broad and probing overview of this most influential, enigmatic, and frequently controversial man. Cave concludes by endorsing Eliade's radically pluralistic vision which, he argues, offers a key to the revitalization of our demythologized and material culture. Cave also repositions previous Eliadean studies, and places the new humanism as the paradigm in relation to which future readings of Eliade should be evaluated.

**Shamanism. Mircea Eliade. [Translated from the French by Pauline Ihrig.].** Mircea Eliade, 1948

Decoding **Books By Mircea Eliade**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Books By Mircea Eliade**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

### **Books By Mircea Eliade Introduction**

In today's digital age, the availability of Books By Mircea Eliade books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Books By Mircea Eliade books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Books By Mircea Eliade books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Books By Mircea Eliade versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Books By Mircea Eliade books and manuals for download are incredibly convenient. With just a computer or smartphone

and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Books By Mircea Eliade books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Books By Mircea Eliade books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Books By Mircea Eliade books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Books By Mircea Eliade books and manuals for download and embark on your journey of knowledge?

## **FAQs About Books By Mircea Eliade Books**

How do I know which eBook platform is the best for me?  
Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Books By Mircea Eliade is one of the best book in our library for free trial. We provide copy of Books By Mircea Eliade in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Books By Mircea Eliade. Where to download Books By Mircea Eliade online for free? Are you looking for Books By Mircea Eliade PDF? This is definitely going to save you time and cash in something you should think about.
