Miconi srl

SABINA OLIO NEI BORGHI_EN Miconi srl,2018-01-16 “Sabina Olio nei Borghi” is a project designed to promote the potential of one of the most beautiful areas of Sabina, thanks to the union of the municipalities of Moricone, Monteflavio and Palombara Sabina, which have put in place common policies to make what is a one-of-a-kind area better known. This is a unique and important opportunity for the promotion and development of tourism which, thanks to the economic contribution of the Lazio Region and an action strategy shared with stakeholders in the area, is sure to bring benefits at various levels. Our district abounds in castles, museums, nature, folklore and top-quality local produce such as Sabina Dop extra virgin olive oil, Ravenne del Papa cherries (from Palombara Sabina) and Reginella peaches. And this is in fact our starting point for the creation of a publication, the aim of which is to make our area better known on the roman and Italian tourist market; a publication which stimulates curiosity and prompts readers to visit our villages. So we look forward to seeing you in our beloved Sabina.
