Cathy Yardley

**Confessions of a Sociopathic Social Climber** Adèle Lang, 2025-06-25 After weasel-eyed tax inspectors question her work-related claims, Katya Livingston is forced to keep a financial diary. As well as documenting the cruel and parsimonious ways of her ad agency boss, Katya waxes lyrical about putting up with loser friends, mortal enemies, and thoroughly bad restaurants. She also throws in a completely candid account of her love life, just in case some of it is tax deductible. What begins as a private account of expenses rapidly becomes, through Katya's chronic delusions of grandeur, a matter of public record: first as a tawdry gossip column, then as a salacious book, and finally as a Hollywood B-movie. Bitingly written with wit and style reminiscent of Candace Bushnell, Adèle Lang's *Confessions of a Sociopathic Social Climber* is a cutting, bitchy, hilarious take on the young-single-British-woman genre.

**Confessions of a Sociopathic Social Climber** Adèle Lang, 1998

*Confessions of a Sociopathic Social Climber* Adèle Lang, 2002 Open front door to let out Vodka fumes and cigarette smoke, only to catch ex boyfriend behind it with a glass beaker attached to his ear. Instinctively guess he is not here to borrow a cup of sugar because he knows I never keep food in the house. (Back cover)

Movies Made for Television Alvin H. Marill, 2010-10-11 In 2005, Scarecrow published *Movies Made for Television*, 1964-2004, a five-volume reference set commemorating 40 years of every made for TV film since *See How They Run* debuted in 1964. These books provided a comprehensive listing of every television film and mini-series, detailing each film's original network, airdate, and length of broadcast. In this latest volume, Marill adds another five years of television films, providing information for an additional 400 works produced between 2005 and 2009. Along with a brief summary, entries also include extensive production credits (director, writer, producer, composer, director of photography, and editor) and a complete cast and character listing. With a chronology of the films, an appendix of movies adapted from other sources, and separate indexes for actors and directors, *Movies Made for Television, 2005-2009* is a welcome addition to a resource highly regarded by scholars and historians of television and popular culture.

**Out**, 2005-03 *Out* is a fashion, style, celebrity and opinion magazine for the modern gay man.

Chick Lit and Postfeminism Stephanie Harzewski, 2011 The author offers a scholarly dissection of chick lit from a post-feminist perspective. She analyzes the novel *Bridget Jones' Diary* and the HBO series *Sex and the City* while making parallels

back to writings of Jane Austen and the Victorian novel in general. She looks at what these works say about women in society and whether they are just an escape or a serious reflection of women's concerns.

**Will Write for Shoes** Cathy Yardley, 2013-07-23 \* What is Chick Lit exactly? \* How do I write a Chick Lit novel? \* What are the steps I need to take to get published? Once dismissed as a fad by the popular press and literary community, the women's fiction genre called Chick Lit is now one of the hottest growing markets for new writers. In *Will Write for Shoes*, veteran Chick Lit and romance author Cathy Yardley addresses the common questions (and misconceptions) about the genre. Based on years of teaching about commercial women's fiction, this definitive guide provides invaluable tips and step-by-step methods for writing and selling a successful Chick Lit novel. Features include: \* The history of Chick Lit \* A blueprint for writing a Chick Lit novel \* New trends in the genre \* Tips and tools for breaking into the market \* FAQs and miscellanea A directory of agents and publishers who acquire Chick Lit, sample submission materials, and online resources make this fun and comprehensive manual a must-have for all women who want to write a Chick Lit novel.

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

*I'm Not a Feminist, But--* Adèle Lang, Susi Rajah, 2003 Why, with a majority of women on the planet, is it still a man's world? *Im Not a Feminist, But . . .* astutely and wittily delves into the world of the sexes. This book probes into our consciences underbelly with over 100 funny yet stimulating questions, such as: Why are the only two fields in which women can out-earn men modeling and prostitution? Why, when it's women who account for two-thirds of the world's work hours, is it men who mostly work late at the office? If men are more capable than women, why can't they perform simple household chores? Why is cooking women's work when the world's most celebrated chefs are men? If men lived longer than women, would senior citizens get a better deal from the government? Why do we say older women look great for their age only when they don't look their age? Comical graphics accompany each query, making *Im Not a Feminist, But . . .* a humorous, thought-

provoking must-read for women of all ages.

A no-nonsense astrology book that explains why all bosses are such complete and utter bastards. Essential reading for disgruntled employees!

*The Easy Hour* Leslie Stella, 2007-12-18 Welcome to the "Easy" life! When overworked, underpaid women's wear retail slave Lisa Galisa (the rhyming name is only the beginning of her agonies) suddenly becomes the personal assistant to an infamous Chicago socialite, she accidentally, hilariously, becomes the toast of the town. Catapulted into the role of trendsetter, this frustrated working-class girl seizes the opportunity to unleash some South Side mayhem on a gullible society that hungrily embraces the next "new thing." Lisa offers them the "Easy" lifestyle, encouraging her new crowd to shake it up and party alongside janitors, fry cooks, and bricklayers. Soon she has the upper crust patronizing dive bars, wearing cheddar-hued polyester, and grooving to the bewitchingly canned melodies of easy listening—the emperor's new music. And the social set is having it. But as the Bridgeport-born-and-raised charlatan begins to buy into her own fraud, longing to leave behind the land of retail hell and Polish "saah-sidges" for life among the beau monde, her eccentric family and a mysteriously

handsome janitor with a penchant for astronomy dip into their own bag of tricks to keep her on the right side of sanity, if on the wrong side of the tracks. Join Lisa Galisa and the rest of these charming oddballs at the Easy Hour, where they find the best remedy for a hard existence is a little easy listening.

**Reading with Oprah** Kathleen Rooney, 2005-01-01 Extensive research and an engaging narrative style untangle the myths and presuppositions surrounding the Oprah Book Club and reveal its complex and far-reaching cultural influence, confronting head-on how the club became a crucible for the heated clash between high and low literary taste, with the most extensive analysis yet of the Oprah Winfrey-Jonathan Franzen contretemps.

*The Ridley Scott Encyclopedia* Laurence Raw, 2009-09-28 From his first feature film, *The Duellists*, to his international successes *Alien*, *Blade Runner*, *Thelma and Louise*, *Black Hawk Down*, *Gladiator*, and *American Gangster*, Ridley Scott has directed some of the most compelling films of the last 30 years. Apart from his work as a film director, Scott has engaged in a vast range of activities, including that as a designer, producer, film mogul, and advertising executive. The *Ridley Scott Encyclopedia* is the first book that focuses on all aspects of his work in a wide-ranging career that spans nearly 50 years. The entries in this encyclopedia focus on all aspects of his work and are divided into four categories. The first focuses on Ridley Scott's work as a director, encompassing his feature films from *The Duellists* to *Body of Lies*, as well as his work in television, including commercials. The second category focuses on the people who have been involved in Scott's projects, including actors, directors, producers, designers, writers and other creative personnel. The third focuses on general thematic issues raised in Scott's work, such as gender construction, political issues, and geographical locations. Finally the encyclopedia incorporates entries on films by other directors who have influenced Scott's approach to his work as a director or producer. Each entry is followed by a bibliography of published sources, both in print and online, making this the most comprehensive reference on Scott's body of work.
