Daddy Long Legs Jean Webster, 2021-08-20 The first Wednesday in every month was a Perfectly Awful Day a day to be awaited with dread, endured with courage and forgotten with haste. Every floor must be spotless, every chair dustless, and every bed without a wrinkle. Ninety-seven squirming little orphans must be scrubbed and combed and buttoned into freshly starched gingham; and all ninety-seven reminded of their manners, and told to say, Yes, sir, No, sir, whenever a Trustee spoke. It was a distressing time; and poor Jerusha Abbott, being the oldest orphan, had to bear the brunt of it. But this particular first Wednesday, like its predecessors, finally dragged itself to a close. Jerusha escaped from the pantry where she had been making sandwiches for the asylum's guests, and turned upstairs to accomplish her regular work. Her special care was room F, where eleven little tots, from four to seven, occupied eleven little cots set in a row. Jerusha assembled her charges, straightened their rumpled frocks, wiped their noses, and started them in an orderly and willing line toward the dining room to engage themselves for a blessed half hour with bread and milk and prune pudding.

Daddy Long Legs John Price,2013-05-14 John Price appears to have thrown in the towel. He has spent the last year struggling to support his family, neglecting to spend time with his wife and children, and becoming increasingly cynical about the degraded state of the natural world around him. After a heart-attack scare, however, his wife demands that he start appreciating all the good things in his life: their mouse-infested old house, their hopelessly overgrown yard, and most of all, the joys and humiliations of parenthood. In his quest to become a better father, Price faces many unexpected challenges—like understanding his grandmother’s decision to die, and supporting his nature-loving sons’ decision to make their home a no-kill zone for all living creatures. Still he finds the second chance he was looking for—to save himself and, perhaps, his small corner of an imperfect yet still beautiful world.

Daddy Long Legs Jean Webster,2017-01-04 Daddy Long Legs is a 1912 epistolary novel by the American writer Jean Webster. Jean Webster (pseudonym for Alice Jane Chandler Webster, 1876-1916) was an American writer and author of many books including Daddy-Long-Legs and Dear Enemy. Her best-known books feature lively and likeable young female protagonists who come of age intellectually, morally, and socially, but with enough humor, snappy dialogue, and gently biting social commentary to make her books palatable and enjoyable to contemporary readers. The book is dedicated To You. At the time it was part of a trend of girl or college girl books which featured young female protagonists dealing with post-high-school concerns such as college, career, and marriage. It follows the protagonist, a young girl named Jerusha Judy Abbott, through her college years. She writes the letters to her benefactor, a rich man whom she has never seen. From an orphanage to college, Jerusha, or Judy, Abbott hopes to continue her education, but has no funds. When an anonymous benefactor offers to finance her studies, Judy accepts. Her witty letters to this generous man may bring her closer to knowing his identity than she expects.

He promises her a liberal monthly allowance and insists on being anonymous. His only condition is that Jerusha should send him monthly letters and keep him posted about her life in college, but not to expect any replies from him.
