Danielle Salinger, Kristi Lyons

There You Have it Danielle Salinger, Kristi Lyons, 2025 From her early career in child development to her transition into stay-at-home motherhood and, eventually, social media stardom, Danielle shares the moments and lessons that shaped her journey. With honesty and heart, she opens up about the realities of menopause, fibromyalgia, the complexities of relationships, the joy of growing up in the 80s, and so much more. She doesn't claim to be an expert, but dives into topics that resonate with her online community -- like life, love, acts of kindness, and handling online trolls with grace (and a little sass). Alongside her husband, Dan, a former full-time attorney, Danielle shares daily glimpses of their life-balancing caregiving for her beloved, worldwide known (podiatrist) father-in-law Dr. Ed Salinger, while building their growing social media presence. Their authenticity and openness have garnered a loyal following, offering encouragement to fellow caregivers and inspiring others to embrace the ups and downs of everyday life.
