Educated Tara Westover,2018-02 Tara Westover grew up preparing for the End of Days, watching for the sun to darken, for the moon to drip as if with blood. She spent her summers bottling peaches and her winters rotating emergency supplies, hoping that when the World of Men failed, her family would continue on, unaffected. She hadn't been registered for a birth certificate. She had no school records because she'd never set foot in a classroom, and no medical records because her father didn't believe in doctors or hospitals. Her struggle for knowledge would take her far from her Idaho mountains, over oceans and across continents, to Harvard and to Cambridge. Only then would she wonder if she'd travelled too far. If there was still a way home. EDUCATED is an account of the struggle for self-invention. It is a tale of fierce family loyalty, and of the grief that comes with the severing of the closest of ties. With the acute insight that distinguishes all great writers, Westover has crafted, from her singular experience, a universal coming-of-age story, one that gets to the heart of what an education is and what it offers - the perspective to see one's life through new eyes, and the will to change it.

Summary: Educated - a Memoir by Tara Westover ExecutiveGrowth Summaries, 2019-07-10 Notice: This is a SUMMARY of Tara Westover's bestseller, *Educated: A Memoir*. *Educated: A Memoir* became a #1 New York Times bestseller for simple reasons... In *Educated: A Memoir*, Dr. Tara Westover recounts her experiences growing up in rural Idaho under the authority of fundamentalist Mormon parents and an abusive older brother. Her father believed public education to be a danger to their way of life and, therefore, Tara did not attend school. Her mother, a self-taught midwife, and herbalist served as the family's source of medical assistance during sickness and even severe injuries. Tara eventually left her mountain home and received a formal education, graduating magna cum laude from Brigham Young University and then earning her Ph.D. from Cambridge University while also winning a Gates Cambridge Scholarship. The process of becoming educated set her on a path that proved unacceptable to her parents and some of her other family members. It was also a path that gave Tara the ability to perceive her entire childhood in a much different light. In that light, she found a truer way of existing. Her story reveals nine principles that are present in many journeys walked by those who seek growth, maturity, truth, and authenticity. This summary and analysis shares those nine principles and the specific instances of Tara's story that revealed them. If you resonate with Tara's journey and the principles therein, we highly advise you to read the full book. Why read ExecutiveGROWTH Summaries: The best-quality summaries on Amazon, guaranteed.
