From an Instagram health, fitness, and food influencer with over half a million followers, Rachael's Good Eats is a beautiful, accessible four-color cookbook with over 100 recipes in every category from breakfasts, soups and hearty salads, to cozy comfort mains and all kinds of desserts! Rachael DeVaux's Good Eats makes cooking meals and daily treats enjoyable—and keeps the prep and kitchen clean-up easy as can be. Every Day, Forever Molly Mattocks, 2023-09-14 Every Day, Forever is a collection of letters written from a mother to her young daughter after her passing. Written in real time, the letters chronicle Mattocks' day-to-day journey during her first two years of grief. With grace and poise, Mattocks boldly refuses to accept that grief is a season of getting over pain, but instead insists grief is a season of getting used to it. As heartwarming as it is heartbreaking, the letters paint a picture that anyone who has experienced deep loss can find themselves in. Every Day, Forever serves as a powerful reminder for us all. That we can have hearts that are broken and still love. Have dreams that were shattered and still live. And we can be grateful for what we were given and still grieve for what we weren't.

A Mom Is Born Rachael Hunt Elmore, MA, LCMHC-S, NCC, 2023-05-09 Rachael Elmore, a mother of two and a licensed mental health counselor who specializes in treating postpartum depression and anxiety, comes alongside new moms and gives them the practical tools and biblical wisdom they need to take care of themselves and become the connected and emotional healthy mothers God designed them to be. Most new moms know that the first year is going to be to be full of joys and challenges, peaks and valleys. But even though they've prepared themselves as much as they can, they still find themselves thinking, I knew this was going to be hard. But will it always be this hard? This wasn't what I was expecting, what if I don't know how to take care of this baby--or myself? Rachael Elmore has been there and knows on a personal and professional level how hard the early days and months of motherhood can be. In A Mom Is Born she takes her expertise as a licensed and clinical counselor and pairs it with her deeply personal story of overcoming postpartum depression after the birth of her first son. She comes alongside readers with practical tools--such as the New Mom Wellness Plan and a postpartum progress checklist--to help find the balance between taking care of their new baby and taking care of themselves. Using scripture and therapeutic insights, Elmore shows mothers how to develop a biblical plan for navigating new motherhood, the baby blues, and postpartum depression; stop intrusive thoughts and triggers in their tracks and overcome postpartum anxiety; process and manage all of the new emotions they are facing; and start implementing small acts of self-care that will lead to emotional health. A Mom Is Born gives moms the tools they need to stop spinning in the overwhelming emotions and anxieties of new motherhood and start taking care of themselves so that they can be the connected and emotionally healthy moms God designed them to be.

Fix My Knee George Demirakos, 2017-09-28 In 2015, there were roughly 10.4 million patient visits to doctors' offices because of common knee injuries such as fractures, dislocations, sprains, and ligament tears. It is one of the most common problems affecting the muscles and joints of the body after back and neck pain, and is the most common site of pain and disability in the upper and lower pain and disability in the upper and lower limbs. The knee is often one of the most problematic areas of the body, whether you're focused on long distance running, sports that require plenty of cutting and sharp lateral movement, heavy lifting, or any activity that's hard on the legs. The wellbeing of your knees and the muscles around them are an essential part of your fitness goals, even if keeping them strong and supple isn't necessarily part of your program. Even people who are not involved in heavy fitness activities can develop knee pain. The truth is that if you've never felt any kind of knee pain whatsoever, the chances are good that as you grow older, you will. Our bodies tend to lose muscle and bone mass as we age, and we become more susceptible to the aches and pains that may result. When we injure the knee in some way, it naturally stops working as it should. It won't bend fully or pull quite as forcefully. That makes it hard to pick something up from the floor or pull something down from overhead. Spending hours in front of the computer becomes torture. Lifting groceries out of the car and carrying them into the house becomes an ordeal. New grandparents can't stand up comfortably to hold the baby. But neither the weakness nor the pain is inevitable. The knee can be fixed, and the pain can go away. First, there's a systematic way to cure the weakness and ends the pain. But there's also a way to prevent problems to begin with, so that you never have to lose the strength, stability, and range of motion of the knee at all. In Fix My Knee, George Demirakos shows readers how to do both. For anyone with knees, this book will show you how to keep them healthy and strong, and what to do when things go wrong.

Your Guide to Biblical Fasting Gary L. Cordon Sr.,2011-01-06 *THIS BOOK HAS BEEN ADOPTED AS A TEXTBOOK FOR STUDY AT TRUE STANDARD BIBLE CHRISTIAN COLLEGE. Your Guide To Biblical Fasting is the result of over fifteen years of prayer and fasting at Victory Temple Church of God in Christ/The Evidence Church. I started giving our members instructions on fasting because they wanted to fast as the Bible teaches. But many were either diabetic, high blood pressure, over-weight or medically obese, full of toxins, arthritic, chronic pain and on medication, acid reflux and more... Very few started out strong and healthy enough to do the absolute fasts for any extended period of time, including me. So I sought God for directions and wisdom to put together answers and instructions for these members who wanted to fast with these pre-existing conditions. That was the beginning. This book is the result. _____ Fasting is one of the most important and overlooked secrets to success with God that the Bible teaches. Fasting from food and fasting from other things that we have appetites for will bring us into His presence more powerfully than any other one thing that a Christian might attempt to do. Fasting makes us more sensitive to the voice of God, and I have prepared a very successful approach for you through this special manual. This manual contains just what you need as a beginner for power through fasting. Hundreds of people use this manual personally and in ministry. Pastors use this for teaching the principles of fasting in their Bible studies. It is a great resource for fasting and prayer! This is a simple, yet powerful tool to help you in your approach to God to see answered prayers, miracles and deliverance! A powerful tool to use in your dedicated approach to God in prayer. Begin to see miracles of supernatural evidences of power with God. Healing, deliverance, salvation and favor is yours!

There are recipes for the classics, like saltfish fritters, curry goat and patties, as well as Melissa's own twists and family favourites, such as: Oxtail nuggets with pepper sauce mayo Ginger beer prawns Smoky aubergine rundown Sticky rum and tamarind wings Grapefruit cassava cake Guinness punch pie. The Boy Who Became a Dragon: A Bruce Lee Story: A Graphic Novel Jim Di Bartolo, 2020-02-04 The astonishing story of martial arts legend Bruce Lee . . . told in spectacular graphic form. Bruce Lee was born on November 27, 1940 -- in both the hour and the year of the dragon. Almost immediately, he was plunged into conflict: as a child in Hong Kong as it was invaded and occupied by the Japanese; as the object of discrimination and bullying; and as a teenager grappling against the influence of gangs. As the world knows, Lee found his salvation and calling through kung fu -- first as a student, then as a teacher, and finally as a global star. The Boy Who Became a Dragon tells his story in brilliant comic form.
