He's the man if you're lonely, lost, or just want to feel good. He's Jermaine Hill, megahot motivational speaker who inspires people everywhere to go for their dreams and make their lives better. With a top-rated TV show, money beyond his wildest dreams, and women for the asking, he's got everything...except a reason to keep on living. For Jermaine's past taught him that life is about losing everyone you love, and the people he meets now believe friendship is strictly for mutual profit at best. Surrounded by the glitter of his success, Jermaine is in the dark and without a guide, trying to fight the depression threatening his sanity. There's only one way to happiness. he's never truly known. Soon, in the face of a wrenching scandal-and a love he feels unworthy to claim-Jermaine will face his biggest challenge ever: to believe in God more than himself.

Service Model Adrian Tchaikovsky,2024-06-04 Murderbot meets Redshirts in a delightfully humorous tale of robotic murder from the Hugo-nominated author of Elder Race and Children of Time. To fix the world they must first break it, further. Humanity is a dying breed, utterly reliant on artificial labor and service. When a domesticated robot gets a nasty little idea downloaded into its core programming, they murder their owner. The robot discovers they can also do something else they never did before: They can run away. Fleeing the household they enter a wider world they never knew existed, where the age-old hierarchy of humans at the top is disintegrating into ruins and an entire robot ecosystem devoted to human wellbeing is having to find a new purpose. Sometimes all it takes is a nudge to overcome the limits of your programming. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Crying Angels Sarah V. Tinsley,2018-10 Most of us can probably think of a spiritual experience in our life that made a permanent profound impression. God reveals His infinite love through our personal experiences. Too often these stories of spiritual reality are never shared with others. When I began praying for spiritual experiences when my parents were very ill, I was blessed with a visit from crying angels. The first story in my book, Crying Angels, inspired the title of my book. I felt I should record and share my spiritual stories and the stories I had heard from others. I realized that both the teller and the listener's faith in God increases when stories are shared. Our sharing creates a ripple effect of numerous blessings. My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you. Sarah V. Tinsley
